A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) because it is impracticable. Publishing an NPRM is impracticable given that the final details for this event were not received by the Coast Guard with sufficient notice and comment period to run before the start of the event. Immediate action is necessary to provide for the safety of life and property in the navigable water, thus, delaying this rule to wait for a notice and comment period to run would be impracticable and would inhibit the Coast Guard’s ability to protect the public from the hazards associated with maritime fireworks displays.

The legal basis and authorities for this rule are found in 33 U.S.C. 1231, 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; and Department of Homeland Security Delegation No. 0170.1, which collectively authorize the Coast Guard to establish and define regulatory safety zones.

B. Basis and Purpose

On the evening of June 19, 2013, fireworks will be launched from a barge with a fall out zone that covers part of the Delaware River. Delaware River Waterfront Corp. has contracted with Pyrotecnico Fireworks to arrange for this display. The Captain of the Port, Sector Delaware Bay, has determined that the Delaware River Waterfront Corp. Fireworks Display will pose significant risks to the public. The purpose of the rule is to promote public and maritime safety during a fireworks display, and to protect mariners transiting the area from the potential hazards associated with a fireworks display, such as accidental discharge of fireworks, dangerous projectiles, and falling hot embers or other debris. This rule is needed to ensure safety on the waterway during the event.

The legal basis and authorities for this rule are found in 33 U.S.C. 1231, 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; and Department of Homeland Security Delegation No. 0170.1, which collectively authorize the Coast Guard to establish and define regulatory safety zones.

C. Discussion of the Final Rule

To mitigate the risks associated with the Delaware River Waterfront Corp. Fireworks Display, the Captain of the Port, Sector Delaware Bay will enforce a temporary safety zone in the vicinity of the launch site. The safety zone will encompass all waters of the Delaware River within a 350 yard radius of the fireworks launch platform in approximate position 39°57′00.67″ N, 075°07′57.77″ W in Camden, NJ. The safety zone will be effective and enforced from 9 p.m. to 10:30 p.m. on June 19, 2013. Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port, Sector Delaware Bay, or her on-scene representative. The Captain of the Port, Sector Delaware Bay, or her on-scene representative may be contacted via VHF channel 16.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866.
or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

Although this regulation will restrict vessel traffic from operating within the safety zone on the navigable waters of the Delaware River, Camden, NJ, the effect of this regulation will not be significant due to the limited duration that the safety zone will be in effect. The enforcement window lasts for 1 hour and 10 minutes in an open area that does conflict with transiting commercial or recreational traffic. For the above reasons, the Coast Guard does not anticipate any significant economic impact.

2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities:

(1) This rule will affect the following entities, some of which might be small entities: the owners or operators of vessels intending to operate, transit, or anchor in a portion of the Delaware River between 9 p.m. and 10:10 p.m. on June 19, 2013.

(2) This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: this rule will only be enforced for a short period of time.

In the event that this temporary safety zone affects shipping, commercial vessels may request permission from the Captain of the Port, Sector Delaware Bay, to transit through the safety zone.

Before activation of the zone, we will give notice to the public via a Broadcast to Mariners that the regulation is in effect.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we offer to assist small entities in understanding the rule so that they can better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded under 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under ADDRESSES.
requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

2. Add §165.T05–0496, to read as follows:

§165.T05–0496 Safety Zone; Delaware River Waterfront Corp. Fireworks Display, Delaware River; Camden, NJ

(a) Regulated area. The following area is a safety zone: The safety zone will encompass all waters of the Delaware River within a 350 yard radius of the fireworks launches platform in approximate position 39°57′00.67″ N, 075°07′57.77″ W in Camden, NJ.

(b) Regulations. The general safety zone regulations found in 33 CFR 165.23 apply to the safety zone created by this temporary section §165.T05–0496.

(1) All persons and vessels are prohibited from entering this zone, except as authorized by the Coast Guard Captain of the Port or her designated representative.

(2) All persons or vessels wishing to transit through the Safety Zone must request authorization to do so from the Captain of the Port or her designated representative one hour prior to the intended time of transit.

(3) Vessels granted permission to transit through the Safety Zone must do so in accordance with the directions provided by the Captain of the Port or her designated representative to the vessel.

(4) To seek permission to transit this safety zone, the Captain of the Port or her designated representative can be contacted via Sector Delaware Bay Command Center (215) 271–4940.

(5) This section applies to all vessels wishing to transit through the safety zone except vessels that are engaged in the following operations:

(i) Enforcing laws;
(ii) Servicing aids to navigation; and
(iii) Emergency response vessels.

(6) No person or vessel may enter or remain in a safety zone without the permission of the Captain of the Port.

7. The Captain of the Port may make possession and control of any vessel in the safety zone:

(8) The Captain of the Port may take possession and control of any vessel in the safety zone;

(9) The Captain of the Port may remove any person, vessel, article, or thing from a safety zone;

(10) No person may board, or take or place any article or thing on board, any vessel in a safety zone without the permission of the Captain of the Port; and

(11) No person may take or place any article or thing upon any waterfront facility in a safety zone without the permission of the Captain of the Port.

(c) Definitions.

(1) Captain of the Port means the Commander, Coast Guard Sector Delaware Bay, or any Coast Guard commissioned, warrant or petty officer who has been authorized by the Captain of the Port to act on her behalf.

(2) Designated representative means any Coast Guard commissioned, warrant or petty officer who has been authorized by the Captain of the Port to act on his behalf.

(d) Enforcement. The U.S. Coast Guard may be assisted by Federal, State, and local agencies in the patrol and enforcement of the zone.

(e) Enforcement period. This section will be enforced from 9 p.m. until 10:10 p.m. on June 19, 2013.

Dated: June 10, 2013.

K. Moore,
Captain, U.S. Coast Guard, Captain of the Port Delaware Bay.

DEPARTMENT OF HOMELAND SECURITY
Coast Guard

33 CFR Part 165
[Docket No. USCG–2013–0188]
RIN 1625–AA00

Safety Zone; Mississippi River Mile 95.5–Mile 96.5: New Orleans, LA

AGENCY: Coast Guard, DHS.
ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for all waters of the Lower Mississippi River from mile 95.5 to mile 96.5. This safety zone is necessary to protect persons and vessels from potential safety hazards associated with an fireworks display taking place over the Lower Mississippi River at mile 96. Entry into this zone is prohibited unless specifically authorized by the Captain of the Port New Orleans or a designated representative.

DATES: This rule is effective from 9:45 p.m. to 10:25 p.m. on June 26, 2013.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG–2013–0188] to view documents mentioned in this preamble as being available in the docket, go to http://www.regulations.gov, type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Lieutenant Commander (LCDR) Brandon Sullivan, Sector New Orleans, U.S. Coast Guard; telephone (504) 365–2280, email Brandon.J.Sullivan@uscg.mil. If you have questions on viewing or submitting material to the docket, call Barbara Hairston, Program Manager, Docket Operations, telephone (202) 366–9826.

NPRM Notice of Proposed Rulemaking
A. Regulatory History and Information
The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. The Coast Guard did not receive event information from the event sponsor until there was insufficient time remaining to undertake an NPRM. This safety zone is needed to protect vessels and mariners from the safety hazards associated with an aerial fireworks display taking place over the waterway. Providing notice and comment for this rule establishing the
