We are soliciting public comments to permit the Department to:
• Evaluate whether the proposed information collection is necessary for the proper functions of the Department.
• Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used.
• Enhance the quality, utility, and clarity of the information to be collected.
• Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of proposed collection:
The information collected on the DS–5525, “Statement of Exigent/Special Family Circumstances for Issuance of a U.S. Passport to a Minor under Age 16”, is used in conjunction with the DS–11, “Application for a U.S. Passport”. The DS–5525 can serve as the statement describing exigent or special family circumstances, which is required if written consent of the non-applying parent or guardian cannot be obtained when the passport application is executed for a minor under age 16. The statement must explain the reason for the request.

The legal authority permitting this information assists the U.S. Department of State to administer the regulations in 22 CFR 51.28 requiring that both parents and/or any guardian consent to the issuance of a passport to a minor under age 16, except where one parent has sole custody or certain exceptions apply. This regulation was mandated by Section 236 of the Admiral James W. Nance and Meg Donovan Foreign Relations authorization Act, Fiscal Year 2000 and 2001 (enacted by Pub. L. 106–113, Div. B, Section 1000 [a]([7]), and helps to prevent international child abduction, child trafficking, and other forms of passport fraud.

Methodology:
Passport Services collects information from U.S. citizens and non-citizen nationals when they complete and submit the DS–5525, “Statement of Exigent/Special Family Circumstances for Issuance of a U.S. Passport to a Minor under Age 16”. Passport applicants can either download the DS–5525 from the internet or obtain the form from an Acceptance Facility/Passport Agency. The form must be completed, signed, and submitted along with the applicant’s DS–11, “Application for a U.S. Passport”.

Additional Information:
Under the currently approved OMB collection 1405–0129, the DS 3053 collects both the Statement of Consent and the Statement of Exigent/Special Family Circumstances. However, the proposed collection will request this information using two separate forms to ensure that we more clearly communicate to the public what is and what is not a special family circumstance. Separating out the forms also allows the passport specialist to more clearly control and adjudicate those cases that do not qualify as a special family circumstance:
• DS–3053, “Statement of Consent: Issuance of a Passport to a Minor under Age 16,” and
• DS–5525, “Statement of Exigent/Special Family Circumstances for Issuance of a Passport to a Minor under Age 16.”

In addition to general format changes, an oath will be placed onto the proposed DS–5525 form. The oath is located above the signature line on Page 2 of the form and states: “OATH: I declare under penalty of perjury that all statements made in this supporting document are true and correct.”

ACTION: Notice of renewal of exemptions; request for comments.

SUMMARY: FMCSA announces its decision to renew the exemptions from the vision requirement in the Federal Motor Carrier Safety Regulations for 24 individuals. FMCSA has statutory authority to exempt individuals from the vision requirement if the exemptions granted will not compromise safety. The Agency has concluded that granting these exemption renewals will provide a level of safety that is equivalent to or greater than the level of safety maintained without the exemptions for these commercial motor vehicle (CMV) drivers.

DATES: This decision is effective June 28, 2013. Comments must be received on or before July 22, 2013.

The exemptions are extended subject to the following conditions: (1) That each individual has a physical examination every year (a) by an ophthalmologist or optometrist who attests that the vision in the better eye continues to meet the requirements in 49 CFR 391.41(b)(10), and (b) by a medical examiner who attests that the individual is otherwise physically qualified under 49 CFR 391.41; (2) that each individual provides a copy of the ophthalmologist’s or optometrist’s report to the medical examiner at the time of the annual medical examination; and (3) that each individual provide a copy of the annual medical certification to the employer for retention in the driver’s qualification file and retains a copy of the certification on his/her person while driving for presentation to a duly authorized Federal, State, or local enforcement official. Each exemption will be valid for two years unless rescinded earlier by FMCSA. The exemption will be rescinded if: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained before it was granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315.

Basis for Renewing Exemptions

Under 49 U.S.C. 31315(b)(1), an exemption may be granted for no longer than two years from its approval date and may be renewed upon application for additional two year periods. In accordance with 49 U.S.C. 31136(e) and 31315, each of the 24 applicants has satisfied the entry conditions for obtaining an exemption from the vision requirements (76 FR 25766; 76 FR 37885). Each of these 24 applicants has requested renewal of the exemption and has submitted evidence showing that the vision in the better eye continues to meet the requirements specified at 49 CFR 391.41(b)(10) and that the vision impairment is stable. In addition, a review of each record of safety while driving for presentation to a duly authorized Federal, State, or local enforcement official. Each exemption will be valid for two years unless rescinded earlier by FMCSA. The exemption will be rescinded if: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained before it was granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315.

Exemption Decision

This notice addresses 24 individuals who have requested renewal of their exemptions in accordance with FMCSA procedures. FMCSA has evaluated these 24 applications for renewal on their merits and decided to extend each exemption for a renewable two-year period. They are:

- Keith E. Allstot (WA)
- Christopher L. Bagby (VA)
- Jan M. Barnath (MN)
- Joseph L. Butler (IN)
- Shawn Carroll (OK)
- Erik R. Davis (GA)
- Walter C. Dean, Sr. (AL)
- John C. DiMassa (WA)
- John E. Edler, III (DE)
- Sauml E. Fierro (AZ)
- Mark T. Gileau (CT)
- Robert A. Goerl, Jr. (PA)
- Peter D. Gouge (IA)
- Eric M. Grayson (KY)
- Alan D. Haberts (IA)
- Thomas M. Harris (MI)
- Paul M. Hinkson (TN)
- Ellie L. Murphree (AL)
- Michael P. Passmore (FL)
- Wendell S. Seben (OH)
- Gary E. Valentine (OH)
- Kevin W. Van Arsdol (CO)
- Charles Van Dyke (WI)
- Harlon C. VanBlaricom (MN)

The factors provide an adequate basis for predicting each driver’s ability to continue to drive safely in interstate commerce. Therefore, FMCSA concludes that extending the exemption for each renewal applicant for a period of two years is likely to achieve a level of safety equal to that existing without the exemption.

Request for Comments

FMCSA will review comments received at any time concerning a particular driver’s safety record and determine if the continuation of the exemption is consistent with the requirements at 49 U.S.C. 31136(e) and 31315. However, FMCSA requests that interested parties with specific data concerning the safety records of these drivers submit comments by July 22, 2013.

FMCSA believes that the requirements for a renewal of an exemption under 49 U.S.C. 31136(e) and 31315 can be satisfied by initially granting the renewal and then requesting and evaluating, if needed, subsequent comments submitted by interested parties. As indicated above, the Agency previously published notices of final disposition announcing its decision to exempt these 24 individuals from the vision requirement in 49 CFR 391.41(b)(10). The final decision to grant an exemption to each of these individuals was made on the merits of each case and made only after careful consideration of the comments received at its notices of applications. The notices of applications stated in detail the qualifications, experience, and medical condition of each applicant for an exemption from the vision requirements. That information is available by consulting the above cited Federal Register publications.

Interested parties or organizations possessing information that would otherwise show that any, or all, of these drivers are not currently achieving the statutory level of safety should immediately notify FMCSA. The Agency will evaluate any adverse evidence submitted and, if safety is being compromised or if continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315, FMCSA will take immediate steps to revoke the exemption of a driver.

Issued on: June 12, 2013.

Larry W. Minor,
Associate Administrator for Policy.
