enumerated in section 337(d)(1) and (f)(1) (19 U.S.C. 1337(d)(1), (f)(1)) do not preclude issuance of the general exclusion order or the cease and desist orders. Finally, the Commission determined that there shall be a bond in the amount of zero percent of entered value to permit temporary importation during the period of Presidential review (19 U.S.C. 1337(j)). The Commission’s orders and opinion were delivered to the President and to the United States Trade Representative on the day of their issuance.

The Commission has terminated this investigation. The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in section 210.50 of the Commission’s Rules of Practice and Procedure (19 CFR 210.50).

[Investigation No. 337–TA–845]

Certain Products Containing Interactive Program Guide and Parental Control Technology; Notice of Request for Statements on the Public Interest

ACTION: Notice.

SUMMARY: Notice is hereby given that the presiding administrative law judge (“ALJ”) has issued a Recommended Determination on Remedy and Bonding in the above-captioned investigation. The ALJ found no violation in this investigation, however, in the event that the Commission reverses the ALJ’s finding of no violation, the ALJ recommends that a limited exclusion order should be directed to Roku, Inc., with respect to U.S. Patent No. 6,898,762. The Commission is soliciting comments on public interest issues raised by the recommended relief, specifically the limited exclusion order. This notice is soliciting public interest comments from the public only. Parties are to file public interest submissions pursuant to 19 CFR 210.50(a)(4).

General information concerning the Commission may also be obtained by accessing its Internet server (http://www.usitc.gov). SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that if the Commission finds a violation it shall exclude the articles concerned from the United States:

unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry.

The Commission is interested in further development of the record on the public interest in these investigations. Accordingly, members of the public are invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the administrative law judge’s Recommended Determination on Remedy and Bonding issued in this investigation on June 13, 2013. Comments should address whether issuance of a LEO in this investigation would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) Explain how the articles potentially subject to the recommended orders are used in the United States;
(ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;
(iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;
(iv) indicate whether complainant, complainant’s licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the recommended exclusion order and/or a cease and desist order within a commercially reasonable time; and
(v) explain how the LEO would impact consumers in the United States.

Written submissions must be filed no later than by close of business on July 15, 2013.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit 8 true paper copies to the Office of the Secretary by noon the next day pursuant to section 210.4(f) of the Commission’s Rules of Practice and Procedure (19 CFR 210.4(f)).
