FEDERAL COMMUNICATIONS COMMISSION

Information Collection Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: The Federal Communications Commission (FCC), as part of its continuing effort to reduce paperwork burdens, invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act (PRA) of 1995. Comments are requested concerning whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before August 23, 2013. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email PRA@fcc.gov *mailto:PRA@fcc.gov* and to Cathy.Williams@fcc.gov *mailto:Cathy.Williams@fcc.gov*.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0466.

Title: Sections 73.1201, 74.783 and 74.1283, Station Identification.

Form Number: Not applicable.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Parties: Business or other for-profit entities; Not for-profit institutions.

Number of Respondents and Responses: 24,083 respondents; 24,083 responses.

Estimated Time per Response: 0.166—1 hour.

Frequency of Response: On occasion reporting requirement; Recordkeeping requirement; Third party disclosure requirement.

Obligation to Respond: Required to obtain or maintain benefits. The statutory authority for this collection of information is contained in 47 U.S.C. 151, 152, 154(i), 303, 307 and 308.

Total Annual Burden: 23,249 hours.

Total Annual Costs: None.

Nature and Extent of Confidentiality: There is no need for confidentiality with this collection of information.

Privacy Act Impact Assessment: No impact(s).

Needs and Uses: 47 CFR 73.1201(a) requires television broadcast licensees to make broadcast station identification announcements at the beginning and ending of each time of operation, and hourly, as close to the hour as feasible, at a natural break in program offerings. Television and Class A television broadcast stations may make these announcements visually or aurally.

47 CFR 74.783(b) requires licensees of television translators whose station identification is made by the television station whose signals are being rebroadcast by the translator, must secure agreement with this television station licensee to keep in its file, and available to FCC personnel, the translator's call letters and location, giving the name, address and telephone number of the licensee or his service representative to be contacted in the event of malfunction of the translator. It shall be the responsibility of the translator licensee to furnish current information to the television station licensee for this purpose.

47 CFR 73.1201(b)(1) requires that the official station identification consist of the station's call letters immediately followed by the community or communities specified in its license as the station's location. The name of the

licensee, the station's frequency, the station's channel number, as stated on the station's license, and/or the station's network affiliation may be inserted between the call letters and station location. Digital Television (DTV) stations, or DAB Stations, choosing to include the station's channel number in the station identification must use the station's major channel number and may distinguish multicast program streams. For example, a DTV station with major channel number 26 may use 26.1 to identify a High Definition Television (HDTV) program service and 26.2 to identify a Standard Definition Television (SDTV) program service. A radio station operating in DAB hybrid mode or extended hybrid mode shall identify its digital signal, including any free multicast audio programming streams, in a manner that appropriately alerts its audience to the fact that it is listening to a digital audio broadcast. No other insertion between the station's call letters and the community or communities specified in its license is permissible. A station may include in its official station identification the name of any additional community or communities, but the community to which the station is licensed must be named first.

47 CFR 74.783(e) permits low power TV permittees or licensees to request to be assigned four-letter call signs in lieu of the five-character alpha-numeric call signs.

47 CFR 74.1283(c)(1) requires a FM translator station licensee whose identification is made by the primary station must arrange for the primary station licensee to furnish the translator's call letters and location (name, address, and telephone number of the licensee or service representative) to the FCC. The licensee must keep this information in the primary station's files.

Analysis of Agreement Containing Consent Order to Aid Public Comment

I. Introduction

The Federal Trade Commission (the “Commission”), subject to its final approval, has accepted for public comment an Agreement Containing Consent Orders (“Consent Agreement”) with Tesoro Corporation and Tesoro Logistics Operations LLC (“Respondents”). On December 6, 2012, Respondents executed related Asset Sale and Purchase Agreements with the Northwest Terminalling Company and Chevron Pipeline Company, subsidiaries of Chevron Corporation, to acquire the Northwest Products Pipeline system and Chevron’s associated terminals, including a terminal in Boise, Idaho, for a total of \$355 million (the “Acquisition”). Respondents already own and operate a terminal in Boise, Idaho (the “Tesoro Terminal”).

The Commission’s Complaint alleges that Respondents have entered into an acquisition agreement that constitutes a violation of Section 5 of the Federal Trade Commission Act, as amended, 15 U.S.C. 45, and which, if consummated, would violate Section 7 of the Clayton Act, as amended, 15 U.S.C. 18, and Section 5 of the Federal Trade Commission Act, by substantially lessening competition in terminaling services for light petroleum products in the Boise, Idaho Metropolitan Statistical Area (“Boise MSA”). The Acquisition would reduce the competitive options

¹ In particular, the written request for confidential treatment that accompanies the comment must include the factual and legal basis for the request, and must identify the specific portions of the comment to be withheld from the public record. See FTC Rule 4.9(c), 16 CFR 4.9(c).

for terminaling services in the Boise MSA from three to two, with Respondents owning the two largest terminals. The proposed Consent Agreement effectively remedies the Acquisition's possible anticompetitive effects by requiring Respondents to divest its own terminal in Boise, the Tesoro Terminal.

II. Respondents and Other Relevant Entities

A. Tesoro Corporation

Tesoro Corporation is a publically traded corporation principally engaged in the refining and marketing of petroleum products in the United States.

B. Tesoro Logistics Operations LLC

Tesoro Logistics Operations LLC, a limited liability company, is a wholly owned subsidiary of Tesoro Logistics LP, a publically traded limited partnership. Respondent Tesoro Corporation individually and through its subsidiaries owns Tesoro Logistics GP, LLC, the general partner of Tesoro Logistics LP. Tesoro Logistics GP, LLC manages the operations and employs the personnel of Tesoro Logistics LP, and owns a two percent general partner interest in the partnership. Tesoro Corporation directly owns 37.6% of limited partner interest in Tesoro Logistics LP.

Tesoro Logistics Operations LLC directly or indirectly owns a number of petroleum products terminals, including the Tesoro Terminal in Boise, Idaho, that receive light petroleum products off the Northwest Pipeline. The Tesoro Terminal in Boise stores product it receives off the pipeline and provides facilities to load the product onto tank trucks for local distribution.

C. Chevron Corporation

Chevron Corporation ("Chevron") is a publically traded corporation principally engaged in fully integrated petroleum operations in the United States, including the exploration, production, manufacture, transportation, and sale of petroleum products. Chevron, through Chevron Pipeline Company, owns and operates the Northwest Pipeline, a 760-mile interstate common-carrier pipeline that transports petroleum products from Salt Lake City to the states of Idaho, and Washington. Chevron, through Northwest Terminaling Company owns petroleum terminals along the Northwest Pipeline in Idaho and Washington, including one in Boise, Idaho.

III. Distribution of Petroleum Products and Competitive Effects

Pipelines and terminals play a key role in the distribution of refined light petroleum products, a product category that includes gasoline, diesel fuel, and jet fuel. Pipelines are the least expensive means of moving bulk quantities of light petroleum products across land. The alternatives, rail transportation and truck transportation, are not cost competitive when pipeline transportation is available.

Terminals provide a critical connection between bulk supply through pipelines and local distribution of light petroleum products. The efficient operation of pipelines requires continuous shipment of large volumes of light petroleum products. Efficient local distribution utilizes tank trucks to pick up product from the terminal and deliver it to customers.

Terminals have specialized truck-loading facilities, known as "truck racks," to transfer light petroleum products from storage tanks to individual tank trucks. Terminal services provided to suppliers of light petroleum products include storage, dispensing, and ethanol and additive blending. Suppliers of light petroleum products trying to reach a particular local market have no economically viable alternative to terminals.

The Acquisition would reduce the competitive options for terminaling services in Boise from three to two, with Tesoro owning the two largest terminals. Currently, in the Boise MSA, there are three terminals and one storage facility lacking truck racks. Tesoro, Chevron, and United Oil Company each own and operate terminals. Holly Energy Partners and Sinclair Corporation jointly own a storage facility under the name Boise Petroleum. This facility cannot load light petroleum products into tank trucks because it lacks a truck rack. Companies storing light petroleum products at Boise Petroleum must move the products to another terminal to load it onto tank trucks for delivery to the Boise market.

Of the three terminals in Boise, the Tesoro Terminal and the Chevron terminal together account for the most of the terminal capacity. The United Oil terminal is the smallest terminal in Boise. Tesoro's control of most of the terminal capacity in Boise may substantially lessen competition in the relevant market. It increases the likelihood that Tesoro would exercise market power unilaterally by raising the terminaling fees or denying access to

terminaling services for light petroleum products in the Boise MSA.

IV. The Proposed Agreement Containing Consent Orders

Under the Proposed Agreement Containing Consent Orders, Respondents have one hundred and eighty (180) days from the issuance of the Decision and Order ("Order") to divest the Tesoro Terminal, to a Commission-approved buyer. Pursuant to the Order, Respondents may complete the Acquisition of Chevron's Northwest Pipeline and associated terminals immediately upon issuance of the Order. The required divestiture of the Tesoro Terminal will maintain the level of competition that existed in the market for terminaling services in the Boise MSA prior to the Acquisition. The Order to Maintain Assets (discussed in the next section) will protect the competitive status quo until Respondents are able to find a suitable buyer of the Tesoro Terminal.

The Order contains an "open season" provision. Respondents agree to let any customer at the Chevron Boise terminal terminate its contract without penalties for a period of six months after the divestiture sale of the Tesoro Terminal. Respondents agree to notify customers at the Chevron Boise terminal of their right to terminate their existing contracts. These provisions will ensure that the new owner of the Tesoro Terminal can compete for new business to replace Respondents' current business at the Tesoro Terminal. Respondents are the only customer of the Tesoro Terminal and they could move their business to the Chevron Boise terminal when the divestiture is completed.

The Order requires Respondents to provide transitional assistance and support services to the buyer of the Tesoro Terminal. Respondents must also license any key software and intellectual property to the buyer. The Order allows the buyer to recruit Respondents' employees who work at the Tesoro Terminal. For a period of two years after the divestiture of the Tesoro Terminal, Respondents may not solicit the employees that accept employment offers from the buyer, to rejoin Respondents. The Order also limits Respondents' access to, and use of, confidential business information pertaining to the Tesoro Terminal.

If Respondents fail to fully divest the Tesoro Terminal within the one hundred and eighty (180) day time period, the Order grants the Commission power to appoint a divestiture trustee to complete the divestiture. The Commission may also

appoint a divestiture trustee, if it brings an action against Respondents pursuant to Section 5(l) of the FTC Act. The Order also governs the divestiture trustee's duties, privileges, and powers.

The Order requires Respondents, or the divestiture trustee, if appointed, to file periodic reports detailing efforts to divest the Tesoro Terminal and the status of that undertaking. Commission representatives may gain reasonable access to Respondents' business records related to compliance with the consent agreement. The Order terminates ten (10) years after its issuance.

V. The Order to Maintain Assets

The Order to Maintain Assets seeks to preserve the Tesoro Terminal as a viable, competitive, ongoing business, and to ensure that Respondents do not access the confidential business information belonging to this business. Respondents agree to preserve the Tesoro Terminal in substantially the same condition existing at the time when Respondents executed the Consent Agreement. Pursuant to the Order to Maintain Assets, Respondents will provide the Tesoro Terminal with sufficient financial and other resources to maintain current operation levels and carry already planned capital and improvement projects.

The Order to Maintain Assets also empowers the Commission to appoint a monitor to oversee Respondents' compliance with their obligations under the Order. The Order to Maintain Assets outlines the rights, duties, and responsibilities of the monitor, including access to business records, hiring necessary consultants and attorneys, and any other thing reasonably necessary to carry out their duties. The Order to Maintain Assets further prohibits Respondents from interfering with the monitor's obligations and requires them to indemnify the monitor.

The monitor shall submit periodic reports to the Commission concerning compliance with the Order to Maintain Assets. The Commission may appoint a different monitor if the original monitor fails to carry out his duties. The Order to Maintain Assets terminates either (1) three days after the Commission withdraws its acceptance of the Consent Agreement or (2) three days after the monitor completes its final report required by Paragraph V.C.(ii) of this Order to Maintain Assets.

VI. Opportunity for Public Comment

The proposed Consent Agreement has been placed on the public record for thirty (30) days for receipt of comments by interested persons. The Commission

has also issued its Complaint in this matter. Comments received during this comment period will become part of the public record. After thirty (30) days, the Commission will again review the proposed Consent Agreement and the comments received and will decide whether it should withdraw from the Consent Agreement, modify it, or make final the proposed Order.

By accepting the proposed Consent Agreement subject to final approval, the Commission anticipates that the competitive problems alleged in the Complaint will be resolved. The purpose of this analysis is to invite public comment on the proposed Order to aid the Commission in its determination of whether it should make final the proposed Order contained in the Agreement. This analysis is not intended to constitute an official interpretation of the proposed Order, nor is it intended to modify the terms of the proposed Order in any way.

By direction of the Commission.

Donald S. Clark,
Secretary.

BILLING CODE 6750-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Meeting of the National Vaccine Advisory Committee

AGENCY: National Vaccine Program Office, Office of the Assistant Secretary for Health, Office of the Secretary, Department of Health and Human Services.

ACTION: Notice of a teleconference meeting.

SUMMARY: As stipulated by the Federal Advisory Committee Act, the Department of Health and Human Services (HHS) is hereby giving notice that the National Vaccine Advisory Committee (NVAC) will be holding a special meeting. This meeting will be held utilizing a means of virtual technology; the meeting will be conducted as an audio telephone conference call. The meeting will be open to the public. Individuals may call in to attend this virtual meeting. A public comment session will be provided. Participation in this meeting is limited to 60 people. Therefore, pre-registration is required for both public participation and comment. Individuals who wish to participate in the meeting by audio telephone conference call and/or provide public comment should pre-register by sending an email to

nvpo@hhs.gov or calling (202) 690-5566. Individuals will be required to provide their name, organization, and email address to pre-register. The meeting agenda will be posted on the NVAC Web site at <http://www.hhs.gov/nvpo/nvac> as soon as it becomes available.

DATES: The meeting will be held on Friday, June 21, 2013, from 11:00 a.m. to 12:00 p.m. EDT. This meeting will be conducted utilizing a means of virtual technology only.

ADDRESSES: This meeting will be conducted only by audio conference call.

FOR FURTHER INFORMATION CONTACT:

National Vaccine Program Office, Department of Health and Human Services, Hubert H. Humphrey Building, 200 Independence Avenue SW., Washington, DC 20201. Telephone: (202) 690-5566; Fax: (202) 690-4631; Email address: nvpo@hhs.gov.

SUPPLEMENTARY INFORMATION: Pursuant to Section 2102 of the Public Health Service Act (42 U.S.C. 300aa-1), the Secretary of Health and Human Services was mandated to establish the National Vaccine Program (NVP) to achieve optimal prevention of human infectious diseases through immunization and to achieve optimal prevention against adverse reactions to vaccines. NVAC was established to provide advice and make recommendations to the Director of NVP on matters related to the program's responsibilities. The Assistant Secretary for Health (ASH) serves as Director of the NVP.

NVAC met on June 11-13, 2013. The Committee's discussion included its intent to deliberate and vote on advice to be given to the ASH on the proposed rule from the Centers for Medicare and Medicaid Services (CMS) to remove the Immunization for Pneumonia Measure (IMM-1) from the Inpatient Quality Reporting Program. The comment period for the proposed rule ends on June 25, 2013. NVAC is not scheduled to meet again before the end of the comment period for the proposed rule. Therefore, it has been decided that a special meeting should be convened for the NVAC to develop and discuss recommendations to be submitted to the ASH on the proposed rule. The proposed rule is printed in the **Federal Register**, Vol. 78, No. 91, Friday, May 10, 2013, pp. 27486-27823. It is also available at <https://www.federalregister.gov/articles/2013/05/10/2013-10234/medicare-program-hospital-inpatient-prospective-payment-systems-for-acute-care-hospitals-and-the>:
