of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of a temporary security zone to support the security of a naval vessel. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. A Categorical Exclusion Determination and environmental checklist are available in the docket where indicated under ADDRESSES.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

§ 165.111–577 Security Zone; Naval Exercise; Pacific Ocean, Coronado, CA.

(a) Location. The limits of the security zone will encompass all waters within a 1000 yard exclusion zone and a 1500 yard minimum speed zone from the United States Naval vessels at the Naval Anchorage 172 approximate position: 32° 38′ 30.8″ N, 117° 11′ 30.0″ W.

(b) Enforcement Period. This section will be enforced from 12:01 a.m. on June 8, 2013 through 11:59 p.m. on July 3, 2013. If the operation is concluded prior to the scheduled termination time, the Captain of the Port will cease enforcement of this security zone and will announce that fact via Broadcast Notice to Mariners.

(c) Definitions. The following definition applies to this section: designated representative, means any commissioned, warrant, or petty officers of the Coast Guard, Coast Guard Auxiliary, and local, state, and federal law enforcement vessels who have been authorized to act on the behalf of the Captain of the Port.

(d) Regulations. (1) Entry into, transit through, and operations within this security zone is prohibited unless authorized by the Captain of the Port of San Diego or the designated U.S. Navy representative.

(2) Mariners requesting permission to transit through the security zone may request authorization to do so from the Naval Vessel at anchorage, U.S. Naval security team or from the Coast Guard Sector San Diego Joint Harbor Operations Center.

(3) All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or his designated representative.

(4) Upon being hailed by U.S. Coast Guard patrol personnel by siren, radio, flashing light, or other means, the operator of a vessel shall proceed as directed. The Coast Guard may be assisted by other federal, state, or local agencies.

Dated: June 7, 2013.
S.M. Mahoney, Captain, U.S. Coast Guard, Captain of the Port San Diego.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Parts 1, 2, 21, 35, 52, 59, 60, 61, 62, 63, 65, 82, 147, 282, 374, 707 and 763 to reflect a change in the address for EPA’s Region 7 office.

This final rule implements technical amendments to 40 CFR parts 1, 2, 21, 35, 52, 59, 60, 61, 62, 63, 65, 82, 147, 282, 374, 707 and 763 to reflect a change in the address for EPA’s Region 7 office. It does not otherwise impose or amend any requirements. Consequently, under Executive Order 12866 (58 FR 51735, October 4, 1993), this action is not a “significant regulatory action” and therefore is not subject to review by the Office of Management and Budget. The rule would not impose an information collection burden under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.). Because this action is merely editorial in nature, the Administrator certifies that it would not have a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 et seq.). The rule does not contain any unfunded mandate or significantly or uniquely affect small governments, as described in the Unfunded Mandates Reform Act of 1995 (Pub. L. 104–4).

This action does not have Federalism implications because it would not have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government, as specified in Executive Order 13132 (64 FR 43255, August 10, 1999). Additionally, it does not have Tribal implications because it would not have a substantial direct effect on one or more Indian Tribes, on the relationship between the Federal Government and Indian Tribes, or on the distribution of power and
This rule also is not an economically significant regulatory action based on health or safety risks subject to Executive Order 13045 “Protection of Children from Environmental Health Risks and Safety Risks” (62 FR 19885, April 23, 1997), nor is it subject to Executive Order 12211, “Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use” (66 FR 28355, May 22, 2001). It does not involve any technical standards that require the Agency’s consideration of voluntary consensus standards pursuant to section 12(d) of the National Technology Transfer and Advancement Act of 1995, Public Law 104–113, section 12(d) (15 U.S.C. 272 note). Finally, it does not provide EPA with the discretionary authority to address, as appropriate, disproportionate human health or environmental effects, using practicable and legally permissible methods under Executive Order 12898 (59 FR 7629, February 16, 1994).

III. Congressional Review Act

The Congressional Review Act (CRA), 5 U.S.C. 801 et seq., as added by the Small Business Regulatory Enforcement Fairness Act of 1996, generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. Section 808 of the CRA allows the issuing agency to make a rule effective sooner than otherwise provided by the CRA, if the agency makes a good cause finding that notice and public procedure is impracticable, unnecessary, or contrary to the public interest. This determination must be supported by a brief statement (5 U.S.C. 808(2)). As stated earlier, EPA has made such a good cause finding, including the reasons therefore, and established an effective date of August 11, 2011. EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of the rule in the Federal Register. A major rule cannot take effect until 60 days after it is published in the Federal Register. This action is not a “major rule” as defined by 5 U.S.C. 804(2).

Federal Emergency Management Agency

44 CFR Part 64

Suspension of Community Eligibility

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Final rule.

SUMMARY: This rule identifies communities where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP) that are scheduled for suspension on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If the Federal Emergency Management Agency (FEMA) receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will not occur and a notice of this will be provided by publication in the Federal Register on a subsequent date. Also, information identifying the current participation status of a community can be obtained from FEMA’s Community Status Book (CSB). The CSB is available at http://www.fema.gov/fema/csb.shtm.

DATES: Effective Dates: The effective date of each community’s scheduled suspension is the third date (“Susp”) listed in the third column of the following tables.
