SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-69802; File No. SR-BOX-2013-30]

Self-Regulatory Organizations; BOX Options Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend BOX Rule 3150 (Reports Related to Position Limits)

June 19, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 6, 2013, BOX Options Exchange LLC (the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend BOX Rule 3150 (Reports Related to Position Limits). The text of the proposed rule change is available from the principal office of the Exchange, at the Commission's Public Reference Room and also on the Exchange's Internet Web site at <http://boxexchange.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend BOX Rule 3150 (Reports Related to Position Limits) to exempt BOX Market Makers³ from the requirement to provide daily position reports. This change will permit the Exchange to harmonize BOX's Rules with the rules of other options exchanges, specifically the Chicago Board Options Exchange ("CBOE"), NYSE MKT LLC ("NYSE MKT"), NYSE Arca, Inc. ("NYSE Arca"), BATS Exchange, Inc. ("BATS"), International Securities Exchange, LLC ("ISE"), Miami International Securities Exchange, LLC ("MIAX"), and NASDAQ OMX PHLX LLC ("Phlx").⁴

The proposed rule change would amend the language in BOX Rule 3150(b). Specifically, the proposed rule change will exempt a Market Maker that maintains an end of day position in excess of 10,000 non-FLEX equity options contracts on the same side of the market from reporting whether such position is hedged and providing documentation as to how such position is hedged. This report is required at the time the subject account exceeds the 10,000 contract threshold and thereafter, for Customer accounts, when the position increases by 2,500 contracts, and for proprietary accounts when the position increases by 5,000 contracts. Currently all Options Participants, including Market Makers are required to provide these reports. The proposed language will eliminate the reporting burden for Market Makers, whose position information the Exchange can access as needed through the Options Clearing Corporation ("OCC"). Furthermore, as stated above the amended rule will make BOX's position limit reporting requirement consistent with that of other options exchanges.⁵

³ As defined in BOX Rule 100(a)(30).

⁴ See CBOE Rule 4.13(b), NYSE MKT Rule 906(b), NYSE Arca Rule 6.6(b), BATS Rule 18.10(b), ISE Rule 415(b), MIAX Rule 310(b), and Phlx Rule 1003(b).

⁵ *Id.*

2. Statutory Basis

The Exchange believes that the proposal is consistent with the requirements of Section 6(b) of the Securities Exchange Act of 1934 (the "Act"),⁶ in general, and Section 6(b)(5) of the Act,⁷ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. In particular, the Exchange believes the proposed rule change will harmonize BOX's rules with the rules of other options exchanges. In addition, the Exchange believes that the proposed rule change will help ensure efficiency by exempting BOX Market Makers, whose position information can already be accessed through the OCC.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. In this regard and as indicated above, the Exchange notes that the rule change is being proposed as a competitive response to harmonize BOX's rules with those of other options exchanges. The Exchange believes this proposed rule change is necessary to establish uniform rules regarding position limit reporting.

Specifically, the proposed rule change will create consistency among industry rules. The Exchange does not believe the proposed rule filing will bring any unnecessary burden on intermarket competition as it is consistent with the other options exchanges' rules.⁸

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not significantly affect the protection of investors or the public interest, does not impose any significant

⁶ 15 U.S.C. 78f(b).

⁷ 15 U.S.C. 78f(b)(5).

⁸ See *supra*, note 4.

burden on competition, and, by its terms, does not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰

At any time within sixty (60) days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-69801; File No. SR-NASDAQ-2013-086]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Rule 4120 To Adopt a Modification in the Process for Initiating Trading of a Security That Is the Subject of an Initial Public Offering on NASDAQ

June 19, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 13, 2013, The NASDAQ Stock Market LLC ("NASDAQ" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") a proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NASDAQ proposes to amend Rule 4120 to adopt a modification in the process for initiating trading of a security that is the subject of an initial public offering (an "IPO") on NASDAQ. NASDAQ proposes to implement the proposed rule change on a date that is on, or shortly after, the expiration of the pre-operative delay provided for in Rule 19b-4(f)(6)(iii).³ The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASDAQ included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In 2012, NASDAQ modified its process for commencing trading of a security that is the subject of an IPO on NASDAQ by allowing market participants to enter orders to be held in an undisplayed state until the commencement of the Display-Only Period that occurs prior to the IPO.⁴ Pursuant to the change made last year, Rule 4120(c)(7)(B) currently provides that market participants may enter Market Hours Day Orders ("MDAY Orders") in a security that is the subject of an IPO on NASDAQ and designate such orders to be held until the beginning of the Display-Only Period. Such orders will be held in an undisplayed state until the beginning of the Display-Only Period, at which time they will be entered into the system. NASDAQ is proposing to modify the rule slightly by providing that any order

in a security that is the subject of an IPO, regardless of its time-in-force, may be designated to be held until the beginning of the Display-Only Period. NASDAQ believes that the quality of its process for commencing IPO trading will be enhanced by the change, which may result in a higher level of order interaction at the open by allowing more orders to interact at the commencement of trading.

2. Statutory Basis

NASDAQ believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁵ in general, and with Section 6(b)(5) of the Act,⁶ in particular, in that the proposal is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Specifically, NASDAQ believes that the proposed rule change will result in a greater number of orders being entered prior to commencement of trading of IPO securities, resulting in a higher level of order interaction at the open. Thus, NASDAQ believes that the change will remove impediments to and perfect the mechanism of a free and open market.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASDAQ does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. Specifically, NASDAQ believes that this change will provide for a greater number of orders being entered prior to commencement of trading, resulting in a higher level of order interaction. NASDAQ believes that this change will promote competition by enhancing the attractiveness of NASDAQ as a trading venue through higher order fill rates and more complete price discovery. Moreover, because the change will not affect the availability or price of goods or services offered by NASDAQ or others, it will not impose any burden on competition.
