Health Resources and Services Administration

Agency Information Collection Activities: Submission to OMB for Review and Approval; Public Comment Request

AGENCY: Health Resources and Services Administration, HHS.
ACTION: Notice.

SUMMARY: In compliance with Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the Health Resources and Services Administration (HRSA) has submitted an Information Collection Request (ICR) to the Office of Management and Budget (OMB) for review and approval. Comments submitted during the first public review of this ICR will be provided to OMB. OMB will accept further comments from the public during the review and approval period.

DATES: Comments on this ICR should be received within 30 days of this notice.

ADDRESSES: Submit your comments, including the Information Collection Request Title, to the desk officer for HRSA, either by email to *OIRA_submission@omb.eop.gov* or by fax to 202-395-5806.

FOR FURTHER INFORMATION CONTACT: To request a copy of the clearance requests submitted to OMB for review, email the HRSA Information Collection Clearance Officer at *paperwork@hrsa.gov* or call (301) 443-1984.

SUPPLEMENTARY INFORMATION:

Information Collection Request Title: "Health Care and Other Facilities"

OMB No. 0915-0309—Extension

Abstract: The Health Resources and Services Administration's Health Care and Other Facilities (HCOF) program provides congressionally-directed funds to health-related facilities for construction related activities and/or capital equipment purchases. Awarded facilities are required to provide a periodic (quarterly for construction related projects, annually for equipment only projects) update of the status of the funded project until it is completed. The monitoring period averages about three years, although some projects take up to five years to complete. The information collected from these updates is vital to program management staff to determine whether projects are progressing according to the established timeframes, meeting deadlines established in the Notice of Award, and drawing down

funds appropriately. The data collected from the updates are also shared with the Division of Grants Management Operations for their assistance in the overall evaluation of each project's progress.

An electronic form is currently being used for progress reporting for the HCOF program. This standardized form enables grantees to directly input the required information in a consistent and uniform manner. The electronic form minimizes burden to respondents by alerting the respondents when there are missing data elements prior to submission. We acknowledge a change in the burden estimate due to close out of old projects.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN—HOURS

Form name	Number of respondents	Number of responses per respondent	Total responses	Average burden per response (in hours)	Total burden hours
Construction Related	200	4	800	.5	400
Equipment Only	317	1	317	.5	158.5
Total	517	1,117	558.5

Dated: June 19, 2013.
Bahar Niakan,
Director, Division of Policy and Information Coordination.

SUPPLEMENTARY INFORMATION:

Information Collection Request Title: HRSA AIDS Education and Training Centers (AETC)

OMB No. 0915-0281—Revision

Abstract: The AETC Program, under the Ryan White HIV/AIDS Program established by Title XXVI of the Public Health Service (PHS) Act, as amended, supports a network of regional and national centers that conduct targeted, multi-disciplinary education and training programs for health care providers treating persons with HIV/AIDS. The AETC's purpose is to increase the number of health care providers who are effectively educated and motivated to counsel, diagnose, treat, and medically manage individuals

with HIV infection, and to help prevent high-risk behaviors that lead to HIV transmission.

As part of an ongoing effort to evaluate AETC activities, information is needed on AETC training sessions, consultations, and technical assistance activities. Each regional center collects information on AETC training events, and is required to report aggregate data on their activities to HRSA's HIV/AIDS Bureau (HAB). The data provides information on the number of training events, including clinical trainings and consultations, as well as technical assistance activities conducted by each regional center, the number of health care providers receiving professional training or consultation, and the time and effort expended on different levels of training and consultation activities. In addition, information is obtained on the populations served by AETC trainees and the increase in capacity achieved through training events. Collection of this information allows HRSA/HAB to provide information on training activities and types of

education and training provided to Ryan White HIV/AIDS Program Grantees, resource allocation, and capacity expansion. Trainees are asked to complete the Participant Information Form (PIF) for each activity they complete, and trainers are asked to complete the Event Record (ER).

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN—HOURS

Form	Number of respondents	Responses per respondent	Total responses	Hours per response	Total burden hours
PIF	114,423	1	114,423	0.07	8,009.61
ER	14,445	1	14,445	0.07	1,011.15
Total	128,868	128,868	9,020.76

The estimated annual burden to AETCs is as follows:

Form	Number of respondents	Responses per respondent	Total responses	Hours per response	Total burden hours
Aggregate Data Set	16	2	32	29	928.0

The total burden hours are 9,948.76.

Dated: June 19, 2013.

Bahar Niakan,

Director, Division of Policy and Information Coordination.

Health Resources and Services Administration

Recruitment of Sites for Assignment of Corps Personnel Obligated Under the National Health Service Corps Scholarship Program

AGENCY: Health Resources and Services Administration, HHS.

ACTION: General notice.

SUMMARY: The Health Resources and Services Administration (HRSA) announces that the listing of entities, and associated Health Professional

Shortage Area (HPSA) scores, that will receive priority for the assignment of National Health Service Corps (NHSC) scholarship recipients serving as Corps members, as well as those serving under the Private Practice Option ("NHSC scholars" collectively), during the period July 1, 2013, through June 30, 2014, is posted on the NHSC Web site at <http://nhscjobs.hrsa.gov>. The NHSC Jobs Center includes all sites that are approved for performance of service by NHSC scholars; however, note that entities on this list may or may not have current job vacancies.
