Separate information collections have been submitted and approved for these programs. CDBG–DR and NSP grant funds are made available to states and units of general local government, Indian tribes, and insular areas, unless provided otherwise by supplemental appropriations statute. NSP–TA grants are awarded on a competitive basis and are open to state and local governments, as well as non-profit groups and consortia that may include for-profit entities.

**Estimated Number of Respondents:** Community Development Block Grant Disaster Recovery (CDBG–DR) Grants: The system has approximately 72 open CDBG disaster recovery grants in DRGR. HUD estimates an additional 40 grants as a result of the recent supplemental appropriation for Hurricane Sandy relief.

One-time only submissions: The one-time only pre- and post-award submissions for the estimated 40 new DRSI grants resulting from Hurricane Sandy include standard forms, DRGR Action Plan, and required financial control documentation. Total hours are estimated at 505 at a cost of $12,164.

Recurring submissions: Recurring submissions include quarterly progress reports and voucher submissions. For average-sized grants, the Department estimates 13 minutes needed per voucher. CDBG–DR grantees process approximately 19 vouchers per year. This requires a record keeping and reporting burden of approximately 4 hours per grantee, per year. Larger CDBG–DR grantees take approximately 44 minutes for each voucher and submit an average of 146 vouchers per year, resulting in approximately 106 burden hours per year, per grantee. Therefore, all CDBG–DR grantees collectively spend an estimated 2,721 hours annually in submitting vouchers in the DRGR system for a total estimated annual voucher submission cost of $65,575.

Average-sized grantees spend an estimated 9 hours on each QPR, for a total of 3,240 hours. Large grantees spend an estimated 57 hours per year, per grantee (for a total of 9,232 hours for a total estimated 4 hours per QPR submission, for a total of 160 hours over the course of the year. Total annual QPR submission costs approximately $3,856.

**Status of the proposed information collection:** This notice precedes a continuation of the existing burden hour request.

**Dated:** June 20, 2013.

**Mark Johnston,**
Deputy Assistant Secretary for Special Needs Programs.

**DEPARTMENT OF THE INTERIOR**

**Bureau of Land Management**

[LLCO–921000–L51100000–GA0000–LVMC1300020; COC–75916]

**Notice of Availability of the Environmental Assessment and Notice of Public Hearing for the Bowie Resources, LLC, Federal Coal Lease Application, COC–75916, CO**

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of Availability and Notice of Public Hearing.

**SUMMARY:** In accordance with Federal coal management regulations, the Bowie Resources, LLC, Federal Coal Lease-By-Application (LBA) Environmental Assessment (EA) is available for public review and comment. The Bureau of Land Management (BLM) Colorado State Office will hold a public hearing to receive comments on the EA, Fair Market Value (FMV), and Maximum Economic Recovery (MER) of the coal resources for Bowie Resources, LLC, serial number COC–75916.

**DATES:** The public hearing will be held on July 18, 2013 at 6 a.m. Written comments should be received no later than July 29, 2013.

**ADDRESSES:** The public hearing will be held at the Paonia Town Hall, 214 Grand Avenue, Paonia, CO 81428. Written comments should be sent to Desty Dyer at BLM Uncompahgre Field Office, 2465 South Townsend Ave, Montrose, CO 81401 or delivered via email to ddyer@blm.gov or fax to 970–240–5367. Copies of the EA and the unsigned Finding of No Significant Impact (FONSI) are available at the field office address above.

**FOR FURTHER INFORMATION CONTACT:** Kurt M. Barton at 303–229–3714, kbarton@blm.gov; or Desty Dyer at 970–240–5302, ddyer@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

**SUPPLEMENTARY INFORMATION:** The BLM received an LBA filed by Bowie Resources, LLC, on October 18, 2012. The coal resource to be offered has limited surface access and is limited to coal recoverable by underground mining methods. The Federal coal is located on lands outside established coal production regions and may supplement the reserves at the Bowie II Mine. The Federal coal resources are located in Delta County, Colorado.

**Sec. 6, lots 1 to 4, inclusive.**

T. 13 S., R. 92 W., 6th P.M., Sec. 6, lots 1 to 4, inclusive. These lands contain 1,789.20 acres, more or less.

The EA addresses the cultural, socioeconomic, environmental and cumulative impacts that would likely result from leasing these coal lands. Two alternatives are addressed in the EA:
DEPARTMENT OF THE INTERIOR
Bureau of Land Management

Call for Nominations: North Slope Science Initiative, Science Technical Advisory Panel, Alaska

ACTION: Notice.

SUMMARY: This notice announces a call for nominations to serve on the North Slope Science Initiative, Science Technical Advisory Panel, in accordance with the provisions of the Federal Advisory Committee Act (FACA) of 1972, as amended.

DATES: All nominations and required attachments must be received no later than 30 days after the publication of this notice.

FOR FURTHER INFORMATION CONTACT: John F. Payne, Executive Director, North Slope Science Initiative, AK—910, c/o Bureau of Land Management, 222 W. Seventh Avenue, #19, Anchorage, AK 99513, 907–271–3431 or email jpayne.blm.gov.

SUPPLEMENTARY INFORMATION: The legislative purpose of the North Slope Science Initiative, Science Technical Advisory Panel is to advise the North Slope Science Initiative Oversight Group on issues such as identifying and prioritizing inventory, monitoring and research needs, and providing other scientific information as requested by the Oversight Group (Section 348, Energy Policy Act of 2005, Pub. L. 109–58). The Oversight Group membership includes the Alaska Regional Directors of the U.S. Fish and Wildlife Service, National Park Service, Bureau of Ocean Energy Management and National Marine Fisheries Service; the Bureau of Land Management Alaska State Director; the Commissioners of the Alaska Departments of Natural Resources and Fish and Game; the Mayor of the North Slope Borough; and the President of Arctic Slope Regional Corporation. Advisory members of the Oversight Group include the Regional Executive, U.S. Geological Survey; Deputy Director, U.S. Arctic Research Commission; Alaska Regional Director, National Weather Service; and the Regional Coordinator for the National Oceanographic and Atmospheric Administration.

The Science Technical Advisory Panel consists of a representative group of not more than 15 scientists and technical experts from diverse professions and interests, including the oil and gas industry, subsistence users, Alaska Native entities, conservation organizations, wildlife management organizations, and academia, as determined by the Secretary of the Interior. The members are selected from among, but not limited to, the following disciplines: North Slope traditional and local knowledge, landscape ecology, petroleum engineering, civil engineering, geology, sociology, cultural anthropology, economics, ornithology, oceanography, fisheries, marine biology, landscape ecology, and climatology.

Duties of the Science Technical Advisory Panel are solely advisory to the Oversight Group, which will provide direction regarding priorities for decisions needed for the management of resources on the North Slope of Alaska and the adjacent marine environment. Duties could include, but are not limited to, the following:

a. Advise the Oversight Group on science planning and relevant inventory, monitoring and research projects necessary for management decisions;

b. Advise the Oversight Group on scientific information relevant to the mission of the North Slope Science Initiative;

c. Review selected reports and advise the Oversight Group on their content and relevance;

d. Review ongoing scientific programs of the North Slope Science Initiative member organizations at the request of the membership to promote compatibility in methodologies and compilation of duties;

e. Advise the Oversight Group on how to ensure scientific products generated through the North Slope Science Initiative activities are of the highest technical quality;

f. Provide scientific advice as requested by the Oversight Group; and,

g. Coordinate with groups, committees and sub-committees as requested by the Oversight Group.
