[30Day-13-0733]

**Agency Forms Undergoing Paperwork Reduction Act Review**

The Centers for Disease Control and Prevention (CDC) publishes a list of information collection requests under review by the Office of Management and Budget (OMB) in compliance with the Paperwork Reduction Act (44 U.S.C. chapter 35). To request a copy of these requests, call (404) 639-7570 or send an email to *omb@cdc.gov*. Send written comments to CDC Desk Officer, Office of Management and Budget, Washington, DC 20503 or by fax to (202) 395-5806. Written comments should be received within 30 days of this notice.

**Proposed Project**

CDC Early Hearing Detection and Intervention Hearing Screening and Follow-up Survey (OMB No. 0920-0733, Expiration 06/30/2013)—Reinstatement with Change—National Center on Birth Defects and Developmental Disabilities (NCBDDD), Centers for Disease Control and Prevention (CDC).

*Background and Brief Description*

The National Center on Birth Defects and Developmental Disabilities at CDC promotes the health of babies, children, and adults with disabilities. As part of these efforts the Center is actively involved in addressing hearing loss (HL) among newborns and infants. HL is a

common birth defect that affects approximately 12,000 infants each year and, when left undetected, can result in developmental delays. As awareness about infant HL increases, so does the demand for accurate information about rates of screening, referral, loss to follow-up, and prevalence. This information is important for helping to ensure infants and children are receiving recommended screening and follow-up services, documenting the occurrence of differing degrees of HL among infants, and assessing progress towards national goals. These data will also assist state Early Hearing Detection and Intervention (EHDI) programs with quality improvement activities and provide information that will be helpful in assessing the impact of federal initiatives. The public will be able to access this information via the CDC EHDI Web site (*www.cdc.gov/ncbddd/hearingloss/ehdi-data.html*).

Given the lack of a standardized and readily accessible source of data, the CDC EHDI program developed a survey to be used annually that utilizes uniform definitions to collect aggregate, standardized EHDI data from states and territories. The request to complete this survey is planned to be disseminated to respondents via an email, which will include a summary of the request and other relevant information. Minor changes to this survey, based on respondent feedback, are planned in order to make the survey easier to complete and further improve data quality. These changes include splitting the previously combined question about the number of infants that were non-residents or moved out of jurisdiction into two separate questions and adding new questions. These include questions about how many infants were in a neonatal intensive care unit for more than 5 days, transferred without any documentation of a hearing screening, unable to be screened or receive diagnostic testing due to a medical reason, number of cases where a primary care physician did not refer an

infant for diagnostic testing, and cases of permanent hearing loss among non-resident infants. The table for reporting type and severity of hearing loss data has also been updated so this data can be reported using either the classification system from the American Speech and Hearing Association or the current system from the Directors of Speech and Language Programs in State Health and Welfare Agencies.

A total of 59 respondents will be asked to complete the updated data request each year during the 3-year requested data collection approval timeframe. Based on findings from the previous information collection, it is estimated that the burden for individuals to read through the survey and decide whether or not to complete it is 10 minutes per person. The 10 minute calculation was based on feedback received in pre-tests with 5 individuals and confirmed by the experience with the survey since the original Office of Management and Budget (OMB) approval.

It is expected that 55 of the 59 potential respondents will complete the survey and therefore incur an additional burden of up to 4 hours per respondent. However, based on feedback from consulted experts about the length of time required to complete the original information collection, it is anticipated that it will only take some respondents a few minutes to complete the revised data request. This is because jurisdictions often have already gathered and compiled the requested data for their own internal uses. Nevertheless, the more conservative time estimate of 4 hours per response from each of the 55 anticipated participants is shown in the table below. This estimate is identical to the time estimate for the reinstated OMB approved estimate from 2010; the only change is the estimated number of respondents. There are no costs to the respondents other than their time. The estimated annualized burden is 230 hours.

ESTIMATED ANNUALIZED BURDEN HOURS

Respondents	Form name	Number of respondents	Number of responses per respondent	Average burden per response (in hours)
State and territory EHDI Program Coordinators ...	Survey Directions .....	59	1	10/60
State and territory EHDI Program Coordinators ...	Survey .....	55	1	4

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Centers for Medicare & Medicaid Services

[Document Identifier: CMS-10486]

#### Agency Information Collection Activities: Proposed Collection; Comment Request

**AGENCY:** Centers for Medicare &  
Medicaid Services, HHS.

**ACTION:** Notice.

**SUMMARY:** The Centers for Medicare & Medicaid Services (CMS) is announcing an opportunity for the public to comment on CMS' intention to collect information from the public. Under the Paperwork Reduction Act of 1995 (PRA), federal agencies are required to publish notice in the **Federal Register** concerning each proposed collection of information (including each proposed extension or reinstatement of an existing collection of information) and to allow 60 days for public comment on the proposed action. Interested persons are invited to send comments regarding our burden estimates or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

**DATES:** Comments must be received by *August 30, 2013*.

**ADDRESSES:** When commenting, please reference the document identifier or OMB control number (OCN). To be assured consideration, comments and recommendations must be submitted in any one of the following ways:

1. *Electronically.* You may send your comments electronically to <http://www.regulations.gov>. Follow the instructions for "Comment or Submission" or "More Search Options" to find the information collection

document(s) that are accepting comments.

2. *By regular mail.* You may mail written comments to the following address:

CMS, Office of Strategic Operations and Regulatory Affairs, Division of Regulations Development, Attention: Document Identifier/OMB Control Number \_\_\_\_\_, Room C4-26-05, 7500 Security Boulevard, Baltimore, Maryland 21244-1850.

To obtain copies of a supporting statement and any related forms for the proposed collection(s) summarized in this notice, you may make your request using one of following:

1. Access CMS' Web site address at <http://www.cms.hhs.gov/PaperworkReductionActof1995>.

2. Email your request, including your address, phone number, OMB number, and CMS document identifier, to [Paperwork@cms.hhs.gov](mailto:Paperwork@cms.hhs.gov).

3. Call the Reports Clearance Office at (410) 786-1326.

**FOR FURTHER INFORMATION CONTACT:** Reports Clearance Office at (410) 786-1326

**SUPPLEMENTARY INFORMATION:** This notice sets out a summary of the use and burden associated with the following information collection. More detailed information can be found in the collection's supporting statement and associated materials (see **ADDRESSES**).

#### CMS-10486 Health Care Sharing Ministries Information Collection

Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

#### Information Collections

1. *Type of Information Collection Request:* New collection (Request for a new OMB control number); *Title of Information Collection:* Health Care

Sharing Ministries Information Collection; *Use:* In order to facilitate the provision of an exemption for membership in a health care sharing ministry to the members of such ministry, we specify in § 155.615(c)(2) that an organization that believes that it meets the statutory standards to be considered a health care sharing ministry will submit certain information to HHS. We are aware of four organizations that have made public statements regarding their status as a health care sharing ministry, and so have estimated burden for four entities. The burden associated with this process includes the time for the organization to collect and input the necessary information, maintain a copy for recordkeeping by clerical staff, for a manager and legal counsel to review it and for a senior executive to review and sign it. The information would be submitted to CMS electronically at minimal cost. *Form Number:* CMS-10486 (OCN: 0938-NEW); *Frequency:* Once, Yearly; *Affected Public:* Private sector—not-for-profit institutions; *Number of Respondents:* 4; *Number of Responses:* 4; *Total Annual Hours:* 4.25. (For policy questions regarding this collection contact Zach Baron at 301-492-4478.)

Dated: June 26, 2013.

**Martique Jones,**

Deputy Director, Regulations Development Group, Office of Strategic Operations and Regulatory Affairs.
