### Drug Enforcement Administration

[Docket No. 11-63]

#### Bio Diagnostic International; Denial of Application

On June 8, 2011, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration, issued an Order to Show Cause to Bio Diagnostic International, Inc. (hereinafter, BDI or Respondent), of Brea, California. The Show Cause Order proposed the denial of Respondent's application for a registration as a distributor of list I chemicals, on the ground that Respondent's registration "would be

inconsistent with the public interest." Show Cause Order at 1 (citing 21 U.S.C. 823(h) and 824(a)(4)).

The Show Cause Order specifically alleged that on September 1, 2009, Respondent had applied for a DEA registration as a distributor of iodine, a list I chemical. *Id.* The Order alleged that Mr. Paul Anand, Ph.D., was Respondent's owner and operator, and that during a pre-registration investigation, he had failed to provide a Food and Drug Administration registration, that he had failed to obtain a California Department of Justice Bureau of Narcotic Enforcement Controlled Chemical Substances Permit, and that he had "failed to accurately complete" employee screening forms as requested by Agency Investigators. *Id.* at 1-2. The Order also alleged that during the inspection, "investigators discovered that approximately 50 to 100 expired bottles of Lugol's solution, a product containing . . . [i]odine, were left unsecured on a shelf within BDI's proposed controlled location without a proper registration" and that "BDI failed to record, secure, or dispose of the expired list I chemical products as required by law." *Id.* at 2. Finally, the Order alleged that "[o]n December 8, 2010 . . . state investigators attempted to conduct a site inspection at BDI's business facility" but that they "were not successful because BDI did not cooperate with attempts to conduct this inspection." *Id.*

On June 27, Mr. Anand filed a request for a hearing on behalf of Respondent and the matter was placed on the docket of the Office of Administrative Law Judges (ALJ). Thereafter, the assigned ALJ issued an order for pre-hearing statements; both parties complied with the order.

In its pre-hearing statement, the Government provided notice that one of its witnesses would testify that "Respondent is required to have a valid California Board of Pharmacy license . . . or a California Bureau of Narcotic Enforcement permit . . . and . . . Respondent's state permit expired on June 11, 2011 and was not renewed." Gov. Pre-Hearing Statement, at 6-7. The Government noticed that its witness would further testify that "currently the Respondent is not authorized to handle list I chemicals in the State of California." *Id.* at 7.

Based on the above, the ALJ issued a Memorandum to Parties and Order. Therein, the ALJ ordered the parties to address two issues: (1) whether the "Respondent presently possess[es] a valid . . . state license, registration or other authority to handle listed chemicals, to include list I chemicals,
