SUPPLEMENTARY INFORMATION: This notice informs the public that HUD has submitted to OMB a request for approval of the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on *April 15, 2013*.

A. Overview of Information Collection

Title of Information Collection: OSHC Progress Report Template.

OMB Approval Number: 2501-New.

Type of Request: New collection.

Form Number: None.

Description of the need for the information and proposed use: The Appropriations Act, provided a total of \$100,000,000 to HUD for a Sustainable Communities Initiative to improve regional planning efforts that integrate housing and transportation decisions, and increase the capacity to improve land use and zoning. Of that total, \$70,000,000 is available for the Sustainable Communities Regional Planning Grant Program, and \$30,000,000 is available for the Community Challenge Planning Grant Program. The Appropriations Act, 2010, provided a total of \$150 million in fiscal year 2010 to HUD for a Sustainable Communities Initiative to improve regional planning efforts that integrate housing and transportation decisions, and increase the capacity to improve land use and zoning. This information collection is necessary to fulfill the reporting requirements of HUD's Sustainable Communities Initiative (SCI) Planning Grant Programs, which comprise of the Sustainable Communities Regional Planning Grant Program, the Community Challenge Planning Grant Program, and the Capacity Building for Sustainable

Communities Grant Program. All grant programs require progress reporting by grantees on a semi-annual basis (i.e. Twice per year: January 30th and July 30th). The grant program terms and conditions require the grantee to submit a semi-annual progress report which reflects activities undertaken, obstacles encountered and solutions achieved, and accomplishments. Progress reports that show progress of the program in meeting approved work plan goals, objectives are to be submitted.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The total number of annual burden hours is 226.5. The number of respondents is 151, the number of responses is 302, the frequency of response is semi-annually (6 months), and the burden hour per response is 0.75 (45 minutes).

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD has submitted to OMB a request for approval of the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on *April 24, 2013*.

A. Overview of Information Collection

Title of Information Collection: Real Estate Settlement Procedures Act (RESPA) Disclosures.

OMB Approval Number: 2502-0265.

Type of Request: Extension without change of a currently approved collection.

Form Number: HUD-1 and HUD-1A, and GFE.

Description of the need for the information and proposed use: The Real Estate Settlement Procedures Act of 1974, (RESPA), 12 U.S.C. 2601 *et seq.*, and Regulation X, codified at 24 CFR 3500, require real estate settlement service providers to give homebuyers certain disclosure information at and before settlement, and pursuant to the servicing of the loan and escrow account. This includes a Special Information Booklet, a Good Faith Estimate, a Servicing Disclosure Statement, the Form HUD-1 or Form HUD-1A, and when applicable an Initial Escrow Account Statement, an Annual Escrow Account Statement, a Consumer Disclosure for Voluntary Escrow Account Payments, an Affiliated Business Arrangement Disclosure, and a Servicing Transfer Disclosure.

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act), rulemaking authority for and certain enforcement authorities with respect to the Real Estate Settlement Procedures Act (RESPA) of 1974, as amended by Section 461 of the Housing and Urban-Rural Recovery Act of 1983 (HURRA), and other various amendments, transferred from the Department of Housing and Urban Development (HUD) to the Consumer Financial Protection Bureau (CFPB) on July 21, 2011. The Dodd-Frank Act also directed the CFPB to integrate certain disclosures required by the Truth in Lending Act (TILA) with certain disclosures required by the Real Estate Settlement Procedures Act (RESPA) of 1974. The CFPB expects the content and format of information collection forms under this clearance, HUD's existing HUD-1/1A and GFE forms, to be significantly revised or replaced by rulemaking. The CFPB published proposed rules in July and August of 2012 to that effect.

Historically, in order to satisfy information collection requirements under the Paperwork Reduction Act (PRA), the HUD-1/1A and GFE listed HUD's Office of Management and Budget (OMB) control number, 2502-0265. While the CFPB will be, upon OMB approval of this information collection request, the "owner" of this information collection, the CFPB believes that requiring covered persons to modify existing forms solely to replace HUD's OMB control number with the Bureau's OMB control number would impose substantial burden on covered persons with limited or no net benefit to consumers. Accordingly, the CFPB has reached an agreement with OMB and HUD whereby covered persons may continue to list HUD's OMB control number on the HUD-1/1A

and GFE forms until a final rule to the contrary takes effect. Covered persons also have the option of replacing HUD's OMB control number with the Bureau's OMB control number on the HUD-1/1A and GFE forms until a final rule to the contrary takes effect. Once the CFPB's final rule takes effect, regulated industry will no longer be able to use the HUD control number.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The total number of annual burden hours needed to prepare the information is 17,183,450; the number of respondents is estimated to be 50,000 generating approximately 149,589,500 responses annually; these are third party disclosures, the frequency of response is annually for one disclosure and as required for others; and the estimated time per response varies from 2 minutes to 35 minutes.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35.

Date: June 25, 2013.

SUPPLEMENTARY INFORMATION:

Background

Under the National Environmental Policy Act (42 U.S.C. 4321 *et seq.*, NEPA), Federal agencies are required to consider the potential environmental impact of agency actions prior to implementation. Agencies are then generally required to prepare either an Environmental Assessment (EA) or an Environmental Impact Statement (EIS). However, when a Federal agency identifies classes of actions that under normal circumstances do not have a potentially significant environmental impact, either individually or cumulatively, Council on
