

which is due to expire on September 30, 2013. The likely respondents are institutions that want to be certified as or are members of a Bank seeking continued certification.

B. Burden Estimate

I. Membership Application

FHFA estimates the total annual average number of applicants at 157, with 1 response per applicant. The estimate for the average hours per application is 19.25 hours. The estimate for the annual hour burden for applicants is 3,022 hours (157 applicants x 1 response per applicant x 19.25 hours per response).

II. Appeal of Membership Denial

FHFA estimates the total annual average number of appellants at 1, with 1 response per appellant. The estimate for the average hours per application for appeal is 10 hours. The estimate for the annual hour burden for appellants is 10 hours (10 appellants x 1 response per appellant x 10 hours per response).

III. Withdrawals From Membership

FHFA estimates the total annual average number of membership withdrawals at 275, with 1 response per applicant. The estimate for the average hours per application is 3.5 hours. The estimate for the annual hour burden for applicants is 963 hours (275 withdrawals x 1 response per applicant x 3.5 hours per response).

IV. Transfer of Membership

FHFA estimates the total annual average number of membership transfer requests at 2, with 1 response per applicant. The estimate for the average hours per application is 3.5 hours. The estimate for the annual hour burden for applicants is 7 hours (2 transfers x 1 response per applicant x 3.5 hours per response).

The combined estimate for the total annual hour burden for all respondents is 4,002 hours.

C. Comment Request

FHFA requests written comments on the following: (1) Whether the collection of information is necessary for the proper performance of FHFA functions, including whether the information has practical utility; (2) the accuracy of the FHFA's estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Dated: June 24, 2013.

Kevin Winkler,

Chief Information Officer, Federal Housing Finance Agency.

BILLING CODE 8070-01-P

FEDERAL RESERVE SYSTEM

Government in the Sunshine; Meeting Notice

AGENCY HOLDING THE MEETING: Board of Governors of the Federal Reserve System

TIME AND DATE: 9:30 a.m. on Tuesday, July 2, 2013

The business of the Board requires that this meeting be held with less than one week's advance notice to the public and no earlier announcement of the meeting was practicable.

PLACE: Marriner S. Eccles Federal Reserve Board Building, 20th Street entrance between Constitution Avenue and C Streets, NW., Washington, DC 20551.

STATUS: Open.

On the day of the meeting, you will be able to view the meeting via webcast from a link available on the Board's public Web site. You do not need to register to view the webcast of the meeting. A link to the meeting documentation will also be available approximately 20 minutes before the start of the meeting. Both links may be accessed from the Board's public Web site at www.federalreserve.gov.

If you plan to attend the open meeting in person, we ask that you notify us in advance and provide your name, date of birth, and social security number (SSN) or passport number. You may provide this information by calling 202-452-2474 or you may register online. You may pre-register until close of business on July 1, 2013. You also will be asked to provide identifying information, including a photo ID, before being admitted to the Board meeting. The Public Affairs Office must approve the use of cameras; please call 202-452-2955 for further information. If you need an accommodation for a disability, please contact Penelope Beattie on 202-452-3982. For the hearing impaired only, please use the Telecommunication Device for the Deaf (TDD) on 202-263-4869.

Privacy Act Notice: The information you provide will be used to assist us in prescreening you to ensure the security of the Board's premises and personnel. In order to do this, we may disclose your information consistent with the routine uses listed in the Privacy Act

Notice for BGFRS-32, including to appropriate federal, state, local, or foreign agencies where disclosure is reasonably necessary to determine whether you pose a security risk or where the security or confidentiality of your information has been compromised. We are authorized to collect your information by 12 U.S.C. 243 and 248, and Executive Order 9397. In accordance with Executive Order 9397, we collect your SSN so that we can keep accurate records, because other people may have the same name and birth date. In addition, we use your SSN when we make requests for information about you from law enforcement and other regulatory agency databases. Furnishing the information requested is voluntary; however, your failure to provide any of the information requested may result in disapproval of your request for access to the Board's premises. You may be subject to a fine or imprisonment under 18 U.S.C. 1001 for any false statements you make in your request to enter the Board's premises.

MATTERS TO BE CONSIDERED

Discussion Agenda:

1. Final interagency rulemaking: strengthening and harmonizing the regulatory capital framework for banking organizations, including implementation of Basel III.

2. Proposed rulemaking: changes to conform the market risk capital rule to the final Basel III rule.

Notes: 1. The staff memo to the Board will be made available to the public on the day of the meeting in paper and the background material will be made available on a compact disc (CD). If you require a paper copy of the entire document, please call Penelope Beattie on 202-452-3982. The documentation will not be available until about 20 minutes before the start of the meeting.

2. This meeting will be recorded for the benefit of those unable to attend. The webcast recording and a transcript of the meeting will be available after the meeting on the Board's public Web site <http://www.federalreserve.gov/aboutthefed/boardmeetings/> or if you prefer, a CD recording of the meeting will be available for listening in the Board's Freedom of Information Office, and copies can be ordered for \$4 per disc by calling 202-452-3684 or by writing to: Freedom of Information Office,

Board of Governors of the Federal Reserve System, Washington, DC 20551.

FOR MORE INFORMATION PLEASE CONTACT:

Michelle Smith, Director, or Dave Skidmore, Assistant to the Board, Office of Board Members at 202-452-2955.

SUPPLEMENTARY INFORMATION: You may access the Board's public Web site at www.federalreserve.gov for an electronic announcement. (The Web site

also includes procedural and other information about the open meeting.)

Dated: June 27, 2013.

Robert deV. Frierson,

Secretary of the Board.

BILLING CODE 6210-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

[30Day-13-0733]

Agency Forms Undergoing Paperwork Reduction Act Review

The Centers for Disease Control and Prevention (CDC) publishes a list of information collection requests under review by the Office of Management and Budget (OMB) in compliance with the Paperwork Reduction Act (44 U.S.C. chapter 35). To request a copy of these requests, call (404) 639-7570 or send an email to omb@cdc.gov. Send written comments to CDC Desk Officer, Office of Management and Budget, Washington, DC 20503 or by fax to (202) 395-5806. Written comments should be received within 30 days of this notice.

Proposed Project

CDC Early Hearing Detection and Intervention Hearing Screening and Follow-up Survey (OMB No. 0920-0733, Expiration 06/30/2013)—Reinstatement with Change—National Center on Birth Defects and Developmental Disabilities (NCBDDD), Centers for Disease Control and Prevention (CDC).

Background and Brief Description

The National Center on Birth Defects and Developmental Disabilities at CDC promotes the health of babies, children, and adults with disabilities. As part of these efforts the Center is actively involved in addressing hearing loss (HL) among newborns and infants. HL is a

common birth defect that affects approximately 12,000 infants each year and, when left undetected, can result in developmental delays. As awareness about infant HL increases, so does the demand for accurate information about rates of screening, referral, loss to follow-up, and prevalence. This information is important for helping to ensure infants and children are receiving recommended screening and follow-up services, documenting the occurrence of differing degrees of HL among infants, and assessing progress towards national goals. These data will also assist state Early Hearing Detection and Intervention (EHDI) programs with quality improvement activities and provide information that will be helpful in assessing the impact of federal initiatives. The public will be able to access this information via the CDC EHDI Web site (www.cdc.gov/ncbddd/hearingloss/ehdi-data.html).

Given the lack of a standardized and readily accessible source of data, the CDC EHDI program developed a survey to be used annually that utilizes uniform definitions to collect aggregate, standardized EHDI data from states and territories. The request to complete this survey is planned to be disseminated to respondents via an email, which will include a summary of the request and other relevant information. Minor changes to this survey, based on respondent feedback, are planned in order to make the survey easier to complete and further improve data quality. These changes include splitting the previously combined question about the number of infants that were non-residents or moved out of jurisdiction into two separate questions and adding new questions. These include questions about how many infants were in a neonatal intensive care unit for more than 5 days, transferred without any documentation of a hearing screening, unable to be screened or receive diagnostic testing due to a medical reason, number of cases where a primary care physician did not refer an

infant for diagnostic testing, and cases of permanent hearing loss among non-resident infants. The table for reporting type and severity of hearing loss data has also been updated so this data can be reported using either the classification system from the American Speech and Hearing Association or the current system from the Directors of Speech and Language Programs in State Health and Welfare Agencies.

A total of 59 respondents will be asked to complete the updated data request each year during the 3-year requested data collection approval timeframe. Based on findings from the previous information collection, it is estimated that the burden for individuals to read through the survey and decide whether or not to complete it is 10 minutes per person. The 10 minute calculation was based on feedback received in pre-tests with 5 individuals and confirmed by the experience with the survey since the original Office of Management and Budget (OMB) approval.

It is expected that 55 of the 59 potential respondents will complete the survey and therefore incur an additional burden of up to 4 hours per respondent. However, based on feedback from consulted experts about the length of time required to complete the original information collection, it is anticipated that it will only take some respondents a few minutes to complete the revised data request. This is because jurisdictions often have already gathered and compiled the requested data for their own internal uses. Nevertheless, the more conservative time estimate of 4 hours per response from each of the 55 anticipated participants is shown in the table below. This estimate is identical to the time estimate for the reinstated OMB approved estimate from 2010; the only change is the estimated number of respondents. There are no costs to the respondents other than their time. The estimated annualized burden is 230 hours.

ESTIMATED ANNUALIZED BURDEN HOURS

Respondents	Form name	Number of respondents	Number of responses per respondent	Average burden per response (in hours)
State and territory EHDI Program Coordinators ...	Survey Directions	59	1	10/60
State and territory EHDI Program Coordinators ...	Survey	55	1	4
