SUPPLEMENTARY INFORMATION:

Background

On March 4, 2013, we published an RFI in the *Federal Register* (78 FR 14084) to collect information about practices used by local educational agencies (LEAs) receiving Title III of the Elementary and Secondary Education Act, as amended (ESEA) funds to accurately identify Native American students in grades K–12 as English learners and to appropriately place these students in language instruction educational programs (LIEPs). The deadline for written submissions during the initial comment period was May 3, 2013. We are reopening the comment period for written submissions in response to the RFI notice through August 2, 2013. We are reopening the comment period to maximize opportunities for State educational agencies, LEAs, schools, tribes, and other interested entities to identify and share practices for accurately identifying Native American students who are English learners.
