Respondents are advised that DOE is under no obligation to acknowledge receipt of the information received or provide feedback to respondents with respect to any information submitted under this notice or through the webinar. Responses to this notice do not bind DOE to any further actions related to this topic. The DOE thanks you for your assistance and input.

Confidential Business Information: Pursuant to 10 CFR 1004.11, any person submitting information that he or she believes to be confidential and exempt by law from public disclosure should submit via email, postal mail, or hand delivery/courier two well-marked copies: One copy of the document marked "confidential" including all the information believed to be confidential, and one copy of the document marked "non-confidential" with the information believed to be confidential deleted. Submit these documents via email or postal mail. DOE will make its own determination about the confidential status of the information and treat it according to its determination.

Factors of interest to DOE when evaluating requests to treat submitted information as confidential include: (1) A description of the items; (2) whether and why such items are customarily treated as confidential within the industry; (3) whether the information is generally known by or available from other sources; (4) whether the information has previously been made available to others without obligation concerning its confidentiality; (5) an explanation of the competitive injury to the submitting person which would result from public disclosure; (6) when such information might lose its confidential character due to the passage of time; and (7) why disclosure of the information would be contrary to the public interest.

It is DOE's policy that all comments may be included in a public docket, without change and as received, including any personal information provided in the comments (except information deemed to be exempt from public disclosure).

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OPP-2005-0231; FRL-9384-5]

Metaldehyde; Amendment To Terminate Uses

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's order for the amendment to terminate uses, voluntarily requested by the registrant and accepted by the Agency, of a product containing metaldehyde, pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). This order follows a March 23,

2012 **Federal Register** Notice of Receipt of a Request from the registrant listed in Table 2 of Unit II. to voluntarily amend to terminate uses of this product registration. This is not the last product containing this pesticide registered for use in the United States. In the March 23, 2012 notice, EPA indicated that it would issue an order implementing the amendment to terminate uses, unless the Agency received substantive comments within the 180-day comment period that would merit its further review of these requests, or unless the registrant withdrew its request. The Agency received comments on the notice but none merited its further review of the requests. Further, the registrant did not withdraw its request. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested amendment to terminate uses. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

DATES: The amendment is effective July 3, 2013.

FOR FURTHER INFORMATION CONTACT: Jill Bloom, Pesticide Re-Evaluation Division (7508P), Office of Pesticide Programs, Environmental Protection Agency, 1200 Pennsylvania Ave. NW., Washington, DC 20460-0001; telephone number: (703) 308-8019; fax number: (703) 308-8005; email address: bloom.jill@epa.gov.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this action apply to me?

This action is directed to the public in general, and may be of interest to a

wide range of stakeholders including environmental, human health, and agricultural advocates; the chemical industry; pesticide users; and members of the public interested in the sale, distribution, or use of pesticides. Since others also may be interested, the Agency has not attempted to describe all the specific entities that may be affected by this action.

B. How can I get copies of this document and other related information?

The docket for this action, identified by docket identification (ID) number EPA-HQ-OPP-2005-0231, is available at <http://www.regulations.gov> or at the Office of Pesticide Programs Regulatory Public Docket (OPP Docket) in the Environmental Protection Agency Docket Center (EPA/DC), EPA West Bldg., Rm. 3334, 1301 Constitution Ave. NW., Washington, DC 20460-0001. The Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number for the Public Reading Room is (202) 566-1744, and the telephone number for the OPP Docket is (703) 305-5805. Please review the visitor instructions and additional information about the docket available at <http://www.epa.gov/dockets>.

II. What action is the agency taking?

This notice announces the amendment to terminate uses, as requested by the registrant of a product registered under FIFRA section 3. The EPA registration number and product name are shown in Table 1 of this unit.
