

DEPARTMENT OF LABOR**Office of Workers' Compensation Programs****Division of Federal Employees' Compensation; Proposed Extension of Existing Collection; Comment Request****ACTION:** Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Office of Workers' Compensation Programs is soliciting comments concerning the proposed collection: Notice of Law Enforcement Officer's Injury or Occupational Disease (CA-721) and Notice of Law Enforcement Officer's Death (CA-722). A copy of the proposed information collection request can be obtained by contacting the office listed below in the addresses section of this Notice.

DATES: Written comments must be submitted to the office listed in the addresses section below on or before September 3, 2013.

ADDRESSES: Mr. Vincent Alvarez, U.S. Department of Labor, 200 Constitution Ave. NW., Room S-3201, Washington, DC 20210, telephone (202) 693-0372, fax (202) 693-1447, Email alvarez.vincent@dol.gov. Please use only one method of transmission for comments (mail, fax, or Email).

SUPPLEMENTARY INFORMATION:**I. Background**

The Federal Employees' Compensation Act (FECA) provides, under 5 U.S.C. 8191, et seq. and 20 CFR 10.735, that non-Federal law enforcement officers injured or killed under certain circumstances are entitled to the benefits of the Act, to the same extent as if they were employees of the Federal Government. The CA-721 and CA-722 are used by non-Federal law enforcement officers and their survivors to claim compensation under the FECA. Form CA-721 is used for claims for

injury. Form CA-722 is used for claims for death. This information collection is currently approved for use through August 31, 2013.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- * Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- * Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- * Enhance the quality, utility and clarity of the information to be collected; and

- * Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions

The Department of Labor seeks the extension of approval to collect this information to determine eligibility for benefits.

SUPPLEMENTARY INFORMATION:**I. Background**

The Office of Workers' Compensation Programs (OWCP) is the primary agency

responsible for the administration of the Energy Employees Occupational Illness Compensation Program Act of 2000, as amended (EEOICPA or Act), 42 U.S.C. 7384 *et seq.* The Act provides for timely payment of compensation to covered employees and, where applicable, survivors of such employees, who sustained either "occupational illnesses" or "covered illnesses" incurred in the performance of duty for the Department of Energy and certain of its contractors and subcontractors. The Act sets forth eligibility criteria for claimants for compensation under Part B and Part E of the Act, and outlines the various elements of compensation payable from the Fund established by the Act. The information collections in this ICR collect demographic, factual and medical information needed to determine entitlement to benefits under the EEOICPA. This information collection is currently approved for use through October 31, 2013.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- * evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- * evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- * enhance the quality, utility and clarity of the information to be collected; and

- * minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions

The Department of Labor seeks approval for the revision of this information collection in order to carry out its responsibility to determine a claimant's eligibility for compensation under the EEOICPA.

SUPPLEMENTARY INFORMATION:

I. Background

The Office of Workers' Compensation Programs (OWCP) is the federal agency responsible for administration of the War Hazards Compensation Act (WHCA), 42 U.S.C. 1701 *et seq.* Under section 1704(a) of the WHCA, an insurance carrier or self-insured who has paid workers' compensation benefits to or on account of any person for a war-risk hazard may seek reimbursement for benefits paid (plus expenses) out of the Employment Compensation Fund for the Federal Employees' Compensation Act (FECA) at 5 U.S.C. 8147. Form CA-278 is used by insurance carriers and the self-insured to request reimbursement. The information collected is used by OWCP staff to process requests for reimbursement of WHCA benefit payments and claims expense that are submitted by insurance carriers and self-insureds. The information is also used by OWCP to decide whether it should opt to pay ongoing WHCA benefits directly to the injured worker. This information collection is currently approved for use through October 31, 2013.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- * Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- * evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- * enhance the quality, utility and clarity of the information to be collected; and

- * minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other
