

Rules and Regulations

Federal Register

Vol. 78, No. 130

Monday, July 8, 2013

This section of the FEDERAL REGISTER contains regulatory documents having general applicability and legal effect, most of which are keyed to and codified in the Code of Federal Regulations, which is published under 50 titles pursuant to 44 U.S.C. 1510.

The Code of Federal Regulations is sold by the Superintendent of Documents. Prices of new books are listed in the first FEDERAL REGISTER issue of each week.

Nutrition Standards in the National School Lunch and School Breakfast Programs; Approval of Information Collection Request

AGENCY: Food and Nutrition Service, USDA.

ACTION: Final rule; approval of information collection request.

SUMMARY: The Food and Nutrition Service published a final rule entitled “Nutrition Standards in the National School Lunch and School Breakfast Programs” on January 26, 2012. The Office of Management and Budget (OMB) cleared the associated information collection requirements (ICR) on February 1, 2013. This document announces approval of the ICR.

DATES: The ICR associated with the final rule published in the **Federal Register** on January 26, 2012 at 77 FR 4088 was approved by OMB on February 1, 2013, under OMB Control Number 0584–0006.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of this information collection should be directed to Jon Garcia, Program Analysis and Monitoring Branch, Child Nutrition Division, 3101 Park Center Drive, Alexandria, VA 22302.

SUPPLEMENTARY INFORMATION: The January 2012 final rule updates the meal patterns and nutrition standards for the National School Lunch and School Breakfast Programs to align them with the Dietary Guidelines for Americans. This rule requires most schools to

increase the availability of fruits, vegetables, whole grains, and fat-free and low-fat fluid milk in school meals; reduce the levels of sodium, saturated fat and trans fat in meals; and meet the nutrition needs of school children within their calorie requirements. These improvements to the school meal programs, largely based on recommendations made by the Institute of Medicine of the National Academies, are expected to enhance the diet and health of school children, and help mitigate the childhood obesity trend. The proposed rule took comments on the associated ICR until March 14, 2011. Compliance with provisions of this rule is effective from July 1, 2012. This document announces OMB’s approval of the ICR under OMB Control Number 0584–0006.

Dated: June 26, 2013.

Audrey Rowe,

Administrator, Food and Nutrition Service.

National School Lunch Program: Direct Certification Continuous Improvement Plans Required by the Healthy, Hunger-Free Kids Act of 2010; Approval of Information Collection Request

AGENCY: Food and Nutrition Service, USDA.

ACTION: Final rule; approval of information collection request

SUMMARY: The Food and Nutrition Service published a final rule entitled “National School Lunch Program: Direct Certification Continuous Improvement Plans Required by the Healthy, Hunger-Free Kids Act of 2010” on February 22, 2013. The Office of Management and Budget (OMB) cleared the associated information collection requirements (ICR) on April 10, 2013. This document announces approval of the ICR.

DATES: The ICR associated with the final rule published in the **Federal Register** on February 22, 2013 at 78 FR 12221 was approved by OMB on April 10,

2013, under OMB Control Number 0584–0577.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of this information collection should be directed to Jon Garcia, Program Analysis and Monitoring Branch, Child Nutrition Division, 3101 Park Center Drive, Alexandria, VA 22302.

SUPPLEMENTARY INFORMATION: The February 22, 2013 final rule amended the National School Lunch Program (NSLP) regulations to incorporate provisions of the Healthy, Hunger-Free Kids Act of 2010 designed to encourage States to improve direct certification efforts with the Supplemental Nutrition Assistance Program (SNAP). The provisions require State agencies to meet certain direct certification performance benchmarks and to develop and implement continuous improvement plans if they fail to do so. The final rule also amended NSLP and SNAP regulations to provide for the collection of data elements needed to compute each State’s direct certification performance rate to compare with the new benchmarks. Improved direct certification efforts will help increase program accuracy, reduce paperwork for States and households, and increase eligible children’s access to school meals. The proposed rule took comments on the associated ICR until April 2, 2012. This document announces OMB’s approval of the ICR under OMB Control Number 0584–0577.

Dated: June 26, 2013.
