DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Water Act

On July 1, 2013, the Department of Justice lodged a proposed consent decree with the United States District Court for the District of Kansas in the lawsuit entitled United States v. Kansas Department of Transportation, Civil Action No. 13–cv–04069.

The consent decree resolves the United States’ complaint for civil penalties and injunctive relief against the Kansas Department of Transportation (“KDOT”) relating to four separate road-building projects. The complaint alleged violations of Section 301(a) and 402 of the Clean Water Act (“CWA”), which prohibits the discharge of pollutants to waters of the United States unless authorized by an NPDES permit. Under the terms of the settlement, KDOT will pay a civil penalty of $477,500 to the United States. KDOT will also implement a variety of injunctive relief measures, which are above and beyond what is required by their NPDES construction storm water permit regarding personnel, training, maintenance, and contract specifications.
