#### A. Overview of Information Collection

*Title of Information Collection:* Training Evaluation Form.

*OMB Approval Number:* 2577-0271.

*Type of Request:* Extension of currently approved collection.

*Form Number:* HUD 50945.

*Description of the need for the information and proposed use:* Executive Order 13571, "Streamlining Service Delivery and Improving Customer Service" states "The public deserves competent, efficient, and responsive service from the Federal Government. Executive departments and agencies (agencies) must continuously evaluate their performance in meeting this standard and work to improve it. Executive Order 12862 (Setting Customer Service Standards), issued on September 11, 1993, requires agencies that provide significant services directly to the public to identify and survey their customers, establish service standards and track performance against those standards, and benchmark customer service performance against the best in business.

To that end, the Office of Public and Indian Housing (PIH) will use a standardized training assessment instrument to evaluate learners' reactions to training or technical assistance programs. With the information collected PIH will measure, evaluate, and compare the performance of its various training programs over time. The design of this form follows

industry-accepted best practices, allowing additional comparisons to other training programs in business and government.

Examples of how the Training Evaluation Form is currently being used and will be used are: On-site Core Curriculum training in Financial Management and Governance training at in 22 locations in FY 2013. This training will be web-based in the future. To inspect HUD insured and assisted properties, prospective contract inspectors are required to successfully complete HUD Uniform Physical Condition Standards (UPCS) inspection

training. The training consists of prerequisite computer-based component followed by an instructor led component. To become familiar with the UPCS inspection process and requirements, thereby facilitating and enhancing maintenance of properties and preparation for upcoming contract inspections, public housing agency (PHA) employees and multifamily property owners and agents (POAs) are able to take a computer-based UPCS training.

PIH proposes to use the training form in the future for all other training offered to PIH program participants and

stakeholders on major regulatory changes, such as was done for asset management in 2010 and 2011. These sessions may be held as technical assistance seminars, conferences, or briefings.

And, PIH anticipates launching a Web site dedicated to providing links to existing HUD web-based learning materials.

*Respondents* (i.e., affected public): The training evaluation form will be completed by members of the public and individuals at state and local government entities who participate in a HUD training course.

**I. Abstract**

This notice is for renewal of information collection.

The Office of Management and Budget (OMB) regulations at 5 CFR part 1320, which implement the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 *et seq.*, require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8 (d)).

Public Law 88-459 authorizes Federal agencies to provide housing for Government employees under specified circumstances. In compliance with OMB Circular A-45 (Revised), Rental and Construction of Government Quarters, a review of private rental market housing rates is required at least once every 5 years to ensure that the rental, utility charges, and charges for related services to occupants of Government Furnished Housing (GFH) are comparable to corresponding charges in the private sector. To avoid unnecessary duplication and inconsistent rental rates, the Department of the Interior, Office of the Secretary, Interior Business Center, conducts housing surveys in support of employee housing management programs for the Departments of the Interior (DOI), Agriculture, Commerce, Homeland Security, Justice, Transportation, Health and Human Services, and Veterans Affairs. In this survey, two collection forms are used: OS-2000, covering
