A. Overview of Information Collection

Title of Information Collection: Training Evaluation Form.

OMB Approval Number: 2577-0271.

Type of Request: Extension of currently approved collection.

Form Number: HUD 50945.

Executive departments and agencies (agencies) must continuously evaluate their performance in meeting this standard and work to improve it. Executive Order 12862 (Setting Customer Service Standards), issued on September 11, 1993, requires agencies that provide significant services directly to the public to identify and survey their customers, establish service standards and track performance against those standards, and benchmark customer service performance against the best in business.

To that end, the Office of Public and Indian Housing (PIH) will use a standardized training assessment instrument to evaluate learners' reactions to training or technical assistance programs. With the information collected PIH will measure, evaluate, and compare the performance of its various training programs over time. The design of this form follows
