Summary of Information Collection

Respondents are Air Force retired members and certain Reserve members who have gained jobs with a foreign government and who must obtain approval of the Secretary of the Air Force and Secretary of State to do so. Information, in the form of a letter, includes a detailed description of duty, name of employer, Social Security Number, and statements specifying whether or not the employee will be compensated; declaring if the employee will be required or plans to obtain foreign citizenship; declaring that the member will not be required to execute an oath of allegiance to the foreign government; verifying that the member understands that the retired pay equivalent to the amount received from the foreign government may be withheld if he or she accepts employment with a foreign government before receiving approval. Reserve members only must include a request to be reassigned to Inactive Status List Reserve Section (Reserve Section Code RB). After verifying the status of the individual, the letter is forwarded to the Air Force Review Board for processing. If the signed letter is not included in the file, individuals reviewing the file cannot furnish the necessary information to the Secretary of the Air Force and Secretary of State on which a decision can be made. Requested information is necessary to maintain the integrity of the Request for Approval of Foreign Government Employment Program.
