SUPPLEMENTARY INFORMATION: The Commission proposes to revise two existing systems of records, "Freedom of Information and Privacy Act Requests (SEC-24)" and "Backup Care Employee and Family Records (SEC-66)".

The Freedom of Information and Privacy Act Requests (SEC-24) system of records consists of records used by Commission staff to process FOIA and Privacy Act requests and appeals, and to prepare reports to the Department of Justice, the Office of Management and Budget, and other oversight entities on the Commission's FOIA and PA activities. A substantive change to SEC-24 has been incorporated to expand routine use No. 15 to include the National Archives and Records Administration, Office of Government Information Services (OGIS) second statutory mission of reviewing administrative agency policies, procedures and compliance with FOIA.

The Backup Care Employee and Family Records (SEC-66) system of records contains records of current SEC employees who voluntarily sign up for backup care benefits and their family members for whom care is needed. A substantive change to SEC-66 has been made to the Categories of Records, deleting "physician's medical form" and "medical identification number", and updating other types of records maintained in the system.

The Commission has submitted a report of the amended systems of records to the appropriate Congressional Committees and to the Director of the Office of Management and Budget ("OMB") as required by 5 U.S.C. 552a(r) (Privacy Act of 1974) and guidelines issued by OMB on December 12, 2000 (65 FR 77677).
