We selected eight states to participate in this demonstration: Maine, Vermont, Rhode Island, New York, Pennsylvania, North Carolina, Michigan, and Minnesota.

We are proposing to conduct this provider survey to understand how participating practices' structures and functions vary, particularly with respect

to their adoption of different components of the PCMH model of care. Researchers evaluating the MAPCP Demonstration plan to combine these survey data with claims data to conduct statistical analyses that identify which particular medical home care processes are associated with the largest gains in health care quality and reductions in health care cost trends. *Form Number:* CMS–10485 (OCN: 0938–NEW); *Frequency:* Annually; *Affected Public:* Individuals and households; *Number of Respondents:* 5,799; *Total Annual Responses:* 5,799; *Total Annual Hours:* 1,450. **SUPPLEMENTARY INFORMATION:** Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* Extension of a currently

approved collection; *Title of Information Collection:* Medicaid Managed Care Regulations; *Use:* The information collection requirements contained in this information collection request implement regulations that allow states greater flexibility to implement mandatory managed care programs, implement new beneficiary protections, and eliminate certain requirements viewed by state agencies as impediments to the growth of managed care programs. Information collected includes information about managed care programs, grievances and appeals, enrollment broker contracts, and managed care organizational capacity to provide health care services. Medicaid enrollees use the information collected and reported to make informed choices regarding health care, including how to access health care services and the grievance and appeal system. States use the information collected and reported as part of its contracting process with managed care entities, as well as its compliance oversight role. We use the information collected and reported in an oversight role of state Medicaid managed care programs. *Form Number:* CMS-10108 (OCN: 0938-0920); *Frequency:* Occasionally; *Affected Public:* Individuals or households, Private sector (business or other for-profit and not-for-profit institutions), and State, local or Tribal Government; *Number of Respondents:* 1,640,223; *Total Annual Responses:* 5,217,333; *Total Annual Hours:* 5,872,255. (For policy questions regarding this collection contact Amy Gentile at 410-786-3499.)

2. *Type of Information Collection Request:* Reinstatement with change of a previously approved collection; *Title of Information Collection:* Federal Reimbursement of Emergency Health Services Furnished to Undocumented Aliens, Section 1011 of the Medicare Prescription Drug, Improvement and Modernization Act of 2003 (MMA); *Use:* Section 1011 of the Medicare Prescription Drug, Improvement and Modernization Act of 2003 (MMA) provides that the Secretary will establish a process (i.e., enrollment and claims payment) for eligible providers to request payment. The Secretary must directly pay hospitals, physicians and ambulance providers (including Indian Health Service, Indian Tribe and Tribal organizations) for their otherwise unreimbursed costs of providing services required by section 1867 of the Social

Security Act and related hospital inpatient, outpatient and ambulance services. We will use the application information to administer this health services program and establish an audit process. *Form Number:* CMS-10115 (OCN: 0938-0929); *Frequency:* Once and occasionally; *Affected Public:* Private sector (business or other for-profit and not-for-profit institutions); *Number of Respondents:* 10,000; *Total Annual Responses:* 10,000; *Total Annual Hours:* 5,000. (For policy questions regarding this collection contact Fred Rooke at 404-562-7502.)

3. *Type of Information Collection Request:* Reinstatement without change of a previously approved collection; *Title of Information Collection:* Federal Reimbursement of Emergency Health Services Furnished to Undocumented Aliens, Section 1011 of the Medicare Prescription Drug, Improvement and Modernization Act of 2003 (MMA); "Section 1011 Provider Payment Determination" and "Request for Section 1011 Hospital On-Call Payments to Physicians" Forms; *Use:* Section 1011 of the MMA requires that the Secretary establish a process under which eligible providers (certain hospitals, physicians and ambulance providers) may request payment for (claim) their otherwise unreimbursed costs of providing eligible services. The Secretary must make quarterly payments directly to such providers. The Secretary must also implement measures to ensure that inappropriate, excessive, or fraudulent payments are not made under Section 1011, including certification by providers of the veracity of their requests for payment. Both forms have been established to address the statutory requirements outlined above. *Form Number:* CMS-10130 (OCN: 0938-0952); *Frequency:* Occasionally; *Affected Public:* Private sector (business or other for-profit and not-for-profit institutions); *Number of Respondents:* 12,037; *Total Annual Responses:* 300,148; *Total Annual Hours:* 75,037.
