

SUPPLEMENTARY INFORMATION:**A. What should I consider as I prepare my comments for the EPA?**

1. *Submitting Confidential Business Information (CBI)*. Do not submit this information to the EPA through www.regulations.gov or email. Clearly mark all of the information that you claim to be CBI. For CBI information in a disk or CD ROM that you mail to the EPA, mark the outside of the disk or CD ROM as CBI and then identify electronically within the disk or CD ROM the specific information that is claimed as CBI. In addition to one complete version of the comment that includes information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket. Information marked as CBI will not be disclosed except in accordance with procedures set forth in 40 CFR part 2.

2. *Tips for Preparing Your Comments*. When submitting comments, remember to:

- Identify the rulemaking by docket number, subject heading, **Federal Register** date and page number.
- Follow directions—the EPA may ask you to respond to specific questions or organize comments by referencing the chapter number.
- Explain why you agree or disagree; suggest alternatives and substitute language for your requested changes.
- Describe any assumptions and provide any technical information and/or data that you used.
- If you estimate potential costs or burdens, explain how you arrived at your estimate in sufficient detail to allow it to be reproduced.
- Illustrate your concerns with specific examples and suggest alternatives.
- Explain your views as clearly as possible, avoiding the use of profanity or personal threats.
- Make sure to submit your comments by the comment period deadline identified.

B. How can I get copies of this document, the proposed rule and other related information?

The EPA has established a docket for this action under Docket ID No. EPA–HQ–OAR–2007–0268. The EPA has also developed a Web site for the proposed PAGs updates at: <http://www.epa.gov/radiation/rert/pags.html>. Please refer to the original **Federal Register** notice on the proposed guidance for detailed information on accessing information related to the proposal.

In response to requests for an extension, we are extending the public comment period for the PAGs updates through September 16, 2013. This extension will provide the public additional time to provide comment on the proposed guidance.

Dated: July 8, 2013.

Gina McCarthy,

Assistant Administrator, Office of Air and Radiation.

AGENCY: Export-Import Bank of the United States.

ACTION: Notice.

SUMMARY: This Notice is to inform the public, in accordance with Section 3(c)(10) of the Charter of the Export-Import Bank of the United States (“Ex-Im Bank”), that Ex-Im Bank has received an application for final commitment for a long-term loan or financial guarantee in excess of \$100 million (as calculated in accordance with Section 3(c)(10) of the Charter). Comments received within the comment period specified below will be presented to the Ex-Im Bank Board of Directors prior to final action on this Transaction.

Reference: AP087586XX.

Purpose and Use

Brief description of the purpose of the transaction:

A direct loan to an Israel-based company to support the procurement of U.S. manufactured solar arrays as well as U.S. launch services and launch insurance.

Brief non-proprietary description of the anticipated use of the items being exported:

The loan will enable the Israeli based company to finance the solar arrays, launch, and insurance in support of a manufactured satellite. The satellite is expected to provide additional capacity to broadcasting and telecommunications companies in the company’s existing customer base in Central and Eastern Europe, Africa, and the Middle East.

To the extent that Ex-Im Bank is reasonably aware, the item(s) being exported are not expected to produce exports or provide services in

competition with the exportation of goods or provision of services by a United States industry.
