

such procedures, and will maintain and preserve for a period of not less than six years from the end of the fiscal year in which any purchase in an Affiliated Underwriting occurred, the first two years in an easily accessible place, a written record of each purchase of securities in Affiliated Underwritings, once an investment by an Acquiring Fund in the securities of the Fund exceeds the limit of section 12(d)(1)(A)(i) of the Act, setting forth from whom the securities were acquired, the identity of the underwriting syndicate's members, the terms of the purchase, and the information or materials upon which the determinations of the Board were made.

14. Before investing in Shares of a Fund in excess of the limits in section 12(d)(1)(A), each Acquiring Fund and the Fund will execute an Acquiring Fund Agreement stating, without limitation, that their boards of directors or boards of trustees and their investment adviser(s), or their Sponsors or trustees ("Trustee"), as applicable, understand the terms and conditions of the Order, and agree to fulfill their responsibilities under the Order. At the time of its investment in Shares of a Fund in excess of the limit in section 12(d)(1)(A)(i), an Acquiring Fund will notify the Fund of the investment. At such time, the Acquiring Fund will also transmit to the Fund a list of the names of each Acquiring Fund Affiliate and Underwriting Affiliate. The Acquiring Fund will notify the Fund of any changes to the list of the names as soon as reasonably practicable after a change occurs. The Fund and the Acquiring Fund will maintain and preserve a copy of the Order, the Acquiring Fund Agreement, and the list with any updated information for the duration of the investment and for a period of not less than six years thereafter, the first two years in an easily accessible place.

15. The Acquiring Fund Advisor, Trustee or Sponsor, as applicable, will waive fees otherwise payable to it by the Acquiring Fund in an amount at least equal to any compensation (including fees received pursuant to any plan adopted under Rule 12b-1 under the Act) received from the Fund by the Acquiring Fund Advisor, Trustee or Sponsor, or an affiliated person of the Acquiring Fund Advisor, Trustee or Sponsor, other than any advisory fees paid to the Acquiring Fund Advisor, Trustee, or Sponsor, or its affiliated person by the Fund, in connection with the investment by the Acquiring Fund in the Fund. Any Acquiring Fund Sub-Advisor will waive fees otherwise payable to the Acquiring Fund Sub-

Advisor, directly or indirectly, by the Acquiring Management Company in an amount at least equal to any compensation received from a Fund by the Acquiring Fund Sub-Advisor, or an affiliated person of the Acquiring Fund Sub-Advisor, other than any advisory fees paid to the Acquiring Fund Sub-Advisor or its affiliated person by the Fund, in connection with any investment by the Acquiring Management Company in the Fund made at the direction of the Acquiring Fund Sub-Advisor. In the event that the Acquiring Fund Sub-Advisor waives fees, the benefit of the waiver will be passed through to the Acquiring Management Company.

16. Any sales charges and/or service fees charged with respect to shares of an Acquiring Fund will not exceed the limits applicable to a fund of funds as set forth in NASD Conduct Rule 2830.

17. No Fund relying on the 12(d)(1) Relief will acquire securities of any other investment company or company relying on section 3(c)(1) or 3(c)(7) of the Act in excess of the limits contained in section 12(d)(1)(A) of the Act, except to the extent permitted by exemptive relief from the Commission permitting the Fund to purchase shares of other investment companies for short-term cash management purposes.

18. Before approving any advisory contract under section 15 of the Act, the board of trustees or directors of each Acquiring Management Company, including a majority of the Independent Trustees, will find that the advisory fees charged under such advisory contract are based on services provided that will be in addition to, rather than duplicative of, the services provided under the advisory contract(s) of any Fund in which the Acquiring Management Company may invest. These findings and their basis will be recorded fully in the minute books of the appropriate Acquiring Management Company.

For the Commission, by the Division of Investment Management, under delegated authority.

Applicants' Representations

1. The Trust, a Delaware statutory trust, is registered under the Act as an open-end management investment company. The Trust is organized as a series trust and currently consists of one series, which will be advised by the Adviser.¹ The Adviser is a limited liability company organized under Missouri law. The Adviser is, and any future Adviser will be, registered as an investment adviser under the Investment Advisers Act of 1940 ("Advisers Act"). The Adviser will serve as the investment adviser to the Funds pursuant to an investment advisory agreement with the Trust or Fund (the "Advisory Agreement").² Each Advisory Agreement was approved or will be approved by the Fund's board of trustees (the "Board"), including a majority of the trustees who are not "interested persons," as defined in section 2(a)(19) of the Act, of the Trust, the Fund, or the Adviser ("Independent Trustees"), and by the Fund's shareholder(s) in the manner required by sections 15(a) and 15(c) of the Act and rule 18f-2 under the Act. The terms of each Advisory Agreement will comply with section 15(a) of the Act.

2. Under the terms of each Advisory Agreement, the Adviser will provide the Funds with overall management services and will continuously review, supervise and administer each Fund's investment program, subject to the

¹ Applicants request relief with respect to any existing and any future series of the Trust or any other registered open-end management company that: (a) Is advised by the Adviser or a person controlling, controlled by, or under common control with the Adviser or its successor (each, also an "Adviser"); (b) uses the manager of managers structure described in the application; and (c) complies with the terms and conditions of the requested order (any such series, a "Fund" and collectively, the "Funds"). The only existing registered open-end management investment company that currently intends to rely on the requested order is named as an Applicant, and the only series that currently intends to rely on the requested order as a Fund is the Bridge Builder Bond Fund. For purposes of the requested order, "successor" is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization. If the name of any Fund contains the name of a Sub-Adviser (as defined below), that name will be preceded by the name of the Adviser.

² "Advisory Agreement" includes advisory agreements with an Adviser for the Bridge Builder Bond Fund and any future Funds.

supervision of, and policies established by the Board. For the investment management services it will provide to each Fund the Adviser will receive the fee specified in the Advisory Agreement from such Fund, based on the average daily net assets of the Fund. The Advisory Agreement permits the Adviser, subject to the approval of the Board, to delegate certain responsibilities to one or more sub-advisers ("Sub-Advisers") to provide investment advisory services to the Funds. As of the date of the amended application, the Adviser had not entered into sub-advisory agreements with any Sub-Advisers ("Sub-Advisory Agreements"). Each Sub-Adviser will be an investment adviser as defined in section 2(a)(20) of the Act and, if required, registered with the Commission as an "investment adviser" under the Advisers Act. The Adviser evaluates, allocates assets to and oversees the Sub-Advisers, and makes recommendations about their hiring, termination and replacement to the Board, at all times subject to the authority of the Board. The Adviser will compensate the Sub-Advisers out of the advisory fee paid by a Fund to the Adviser under the Advisory Agreement.

3. Applicants request an order to permit the Adviser, subject to Board approval, to select certain Sub-Advisers to manage all or a portion of the assets of a Fund or Funds pursuant to a Sub-Advisory Agreement and materially amend existing Sub-Advisory Agreements without obtaining shareholder approval. The requested relief will not extend to any Sub-Adviser that is an affiliated person, as defined in section 2(a)(3) of the Act, of the Trust, a Fund, or the Adviser, other than by reason of serving as a sub-adviser to one or more of the Funds ("Affiliated Sub-Adviser").

4. Applicants also request an order exempting the Funds from certain disclosure provisions described below that may require the Applicants to disclose fees paid by the Adviser or a Fund to each Sub-Adviser. Applicants seek an order to permit a Fund to disclose (as both a dollar amount and a percentage of the Fund's net assets): (a) The aggregate fees paid to the Adviser and any Affiliated Sub-Adviser; and (b) the aggregate fees paid to Sub-Advisers other than Affiliated Sub-Advisers (collectively, "Aggregate Fee Disclosure"). Any Fund that employs an Affiliated Sub-Adviser will provide separate disclosure of any fees paid to the Affiliated Sub-Adviser.

Applicants' Legal Analysis

1. Section 15(a) of the Act provides, in relevant part, that is unlawful for any person to act as an investment adviser to a registered investment company except pursuant to a written contract that has been approved by a vote of a majority of the company's outstanding voting securities. Rule 18f-2 under the Act provides that each series or class of stock in a series investment company affected by a matter must approve that matter if the Act requires shareholder approval.

2. Form N-1A is the registration statement used by open-end investment companies. Item 19(a)(3) of Form N-1A requires disclosure of the method and amount of the investment adviser's compensation.

3. Rule 20a-1 under the Act requires proxies solicited with respect to a registered investment company to comply with Schedule 14A under the Securities Exchange Act of 1934 ("1934 Act"). Items 22(c)(1)(ii), 22(c)(1)(iii), 22(c)(8) and 22(c)(9) of Schedule 14A, taken together, require a proxy statement for a shareholder meeting at which the advisory contract will be voted upon to include the "rate of compensation of the investment adviser," the "aggregate amount of the investment adviser's fees," a description of the "terms of the contract to be acted upon," and, if a change in the advisory fee is proposed, the existing and proposed fees and the difference between the two fees.

4. Regulation S-X sets forth the requirements for financial statements required to be included as part of a registered investment company's registration statement and shareholder reports filed with the Commission. Sections 6-07(2)(a), (b), and (c) of Regulation S-X require a registered investment company to include in its financial statement information about investment advisory fees.

5. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provisions of the Act, or from any rule thereunder, if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Applicants state that the requested relief meets this standard for the reasons discussed below.

6. Applicants assert that the shareholders expect the Adviser, subject to the review and approval of the Board, to select the Sub-Advisers who are best

sued to achieve the Fund's investment objectives. Applicants assert that, from the perspective of the shareholder, the role of the Sub-Advisers is substantially equivalent to that of the individual portfolio managers employed by traditional investment company advisory firms. Applicants state that requiring shareholder approval of each Sub-Advisory Agreement would impose unnecessary delays and expenses on the Funds and may preclude the Funds from acting promptly when the Adviser and Board consider it appropriate to hire Sub-Advisers or amend Sub-Advisory Agreements. Applicants note that the Advisory Agreements and any Sub-Advisory Agreements with Affiliated Sub-Advisers will remain subject to the shareholder approval requirements of section 15(a) of the Act and rule 18f-2 under the Act.

7. If a new Sub-Adviser is retained in reliance on the requested order, the applicable Fund will inform its shareholders of the hiring of a new Sub-Adviser pursuant to the following procedures ("Modified Notice and Access Procedures"): (a) Within 90 days after a new Sub-Adviser is hired for the Fund, the Fund will send its shareholders either a Multi-manager Notice or a Multi-manager Notice and Multi-manager Information Statement;³ and (b) the Fund will make the Multi-manager Information Statement available on the Web site identified in the Multi-manager Notice no later than when the Multi-manager Notice (or Multi-manager Notice and Multi-manager Information Statement) is first sent to shareholders, and will maintain it on that Web site for at least 90 days. Applicants assert that a proxy solicitation to approve the appointment of new Sub-Advisers would provide no more meaningful information to shareholders than the proposed Multi-

manager Information Statement. Moreover, as indicated above, the applicable Board would comply with the requirements of sections 15(a) and 15(c) of the Act before entering into or amending Sub-Advisory Agreements.

8. Applicants assert that the requested disclosure relief will benefit shareholders of the Funds because it will improve the Adviser's ability to negotiate the fees paid to Sub-Advisers. Applicants state that the Adviser may be able to negotiate rates that are below a Sub-Adviser's "posted" amounts if the Adviser is not required to disclose the Sub-Advisers' fees to the public.

Applicants' Conditions

Applicants agree that any order granting the requested relief will be subject to the following conditions:

1. Before a Fund may rely on the order requested in the application, the operation of the Fund in the manner described in the application will be approved by a majority of the Fund's outstanding voting securities, as defined in the Act, or, in the case of a Fund whose public shareholders purchase shares on the basis of a prospectus containing the disclosure contemplated by condition 2 below, by the sole initial shareholder before offering the Fund's shares to the public.

2. The prospectus for each Fund will disclose the existence, substance, and effect of any order granted pursuant to the application. Each Fund will hold itself out to the public as employing the manager of managers structure described in the application. The prospectus will prominently disclose that the Adviser has ultimate responsibility (subject to oversight by the Board) to oversee the Sub-Advisers and recommend their hiring, termination, and replacement.

3. Funds will inform shareholders of the hiring of a new Sub-Adviser (other than an Affiliated Sub-Adviser) within 90 days after the hiring of that new Sub-Adviser pursuant to the Modified Notice and Access Procedures.

4. The Adviser will not enter into a Sub-Advisory Agreement with any Affiliated Sub-Adviser without that agreement, including the compensation to be paid thereunder, being approved by the shareholders of the applicable Fund.

5. At all times, at least a majority of the Board will be Independent Trustees, and the nomination and selection of new or additional Independent Trustees will be placed within the discretion of the then-existing Independent Trustees.

6. When a Sub-Adviser change is proposed for a Fund with an Affiliated Sub-Adviser, the Board, including a

majority of the Independent Trustees, will make a separate finding, reflected in the applicable Board minutes, that such change is in the best interests of the Fund and its shareholders and does not involve a conflict of interest from which the Adviser or the Affiliated Sub-Adviser derives an inappropriate advantage.

7. Independent legal counsel, as defined in rule 0-1(a)(6) under the Act, will be engaged to represent the Independent Trustees. The selection of such counsel will be within the discretion of the then existing Independent Trustees.

8. Each Adviser will provide the Board, no less frequently than quarterly, with information about the profitability of the Adviser on a per-Fund basis. The information will reflect the impact on profitability of the hiring or termination of any Sub-Adviser during the applicable quarter.

9. Whenever a Sub-Adviser is hired or terminated, the Adviser will provide the Board with information showing the expected impact on the profitability of the Adviser.

10. The Adviser will provide general management services to a Fund, including overall supervisory responsibility for the general management and investment of the Fund's assets and, subject to review and approval of the Board, will (i) set a Fund's overall investment strategies; (ii) evaluate, select and recommend Sub-Advisers to manage all or part of a Fund's assets; (iii) when appropriate, allocate and reallocate a Fund's assets among multiple Sub-Advisers; (iv) monitor and evaluate the performance of Sub-Advisers; and (v) implement procedures reasonably designed to ensure that the Sub-Advisers comply with a Fund's investment objective, policies and restrictions.

11. No trustee or officer of the Trust, or of a Fund, or director or officer of the Adviser, will own directly or indirectly (other than through a pooled investment vehicle that is not controlled by such person) any interest in a Sub-Adviser, except for (i) ownership of interests in the Adviser or any entity that controls, is controlled by, or is under common control with the Adviser; or (ii) ownership of less than 1% of the outstanding securities of any class of equity or debt of a publicly traded company that is either a Sub-Adviser or an entity that controls, is controlled by, or is under common control with a Sub-Adviser.

12. Each Fund will disclose in its registration statement the Aggregate Fee Disclosure.

³ A "Multi-manager Notice" will be modeled on a Notice of Internet Availability as defined in rule 14a-16 under the Exchange Act, and specifically will, among other things: (a) Summarize the relevant information regarding the new Sub-Adviser; (b) inform shareholders that the Multi-manager Information Statement is available on a Web site; (c) provide the Web site address; (d) state the time period during which the Multi-manager Information Statement will remain available on that Web site; (e) provide instructions for accessing and printing the Multi-manager Information Statement; and (f) instruct the shareholder that a paper or email copy of the Multi-manager Information Statement may be obtained, without charge, by contacting the Fund.

A "Multi-manager Information Statement" will meet the requirements of Regulation 14C, Schedule 14C and Item 22 of Schedule 14A under the Exchange Act for an information statement, except as modified by the requested order to permit Aggregate Fee Disclosure. Multi-manager Information Statements will be filed electronically with the Commission via the EDGAR system.

13. In the event the Commission adopts a rule under the Act providing substantially similar relief to that in the order requested in the application, the requested order will expire on the effective date of that rule.

For the Commission, by the Division of Investment Management, under delegated authority.

Deputy Secretary.

[Release No. 34-69955; File No. SR-OCC-2013-804]

Self-Regulatory Organizations; The Options Clearing Corporation; Notice of Filing of an Advance Notice in Connection With a Proposed Change to its Operations in the Form of a Private Offering by OCC of Senior Unsecured Debt Securities

July 10, 2013.

Pursuant to Section 806(e)(1) of the Payment, Clearing, and Settlement Supervision Act of 2010 ("Clearing Supervision Act")¹ and Rule 19b-4(n)(1)(i)² of the Securities Exchange Act of 1934 ("Exchange Act") notice is hereby given that on June 10, 2013, The Options Clearing Corporation ("OCC") filed with the Securities and Exchange Commission ("Commission") the advance notice as described in Items I and II below, which Items have been substantially prepared by OCC.³ The Commission is publishing this notice to solicit comments on the advance notice from interested persons.

I. Clearing Agency's Statement of the Terms of Substance of the Advance Notice

OCC is proposing to change its operations in the form of a private offering of senior unsecured debt securities ("Offering").

II. Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Advance Notice

In its filing with the Commission, OCC included statements concerning the purpose of and basis for the advance notice and discussed any comments it received on the advance notice. The text of these statements may be examined at the places specified in Item IV below. The clearing agency has prepared summaries, set forth in section A below, of the most significant aspects of such statements.⁴

(A) Advance Notices Filed Pursuant to Section 806(e) of the Clearing Supervision Act

Description of Change

OCC states that the proposed Offering would provide OCC with access to additional liquidity for working capital

needs and general corporate purposes. The aggregate principal amount of the senior unsecured debt securities placed in the Offering is expected to be up to \$100 million. The proceeds of the Offering would be among the financial resources used to satisfy the requirements applicable to OCC under CFTC regulations.

Among other things, OCC states that CFTC regulation Section 39.11(a)(2)⁵ requires a derivatives clearing organization ("DCO") to hold an amount of financial resources that, at a minimum, exceeds the total amount that would enable the DCO to cover its operating costs for a period of at least one year, calculated on a rolling basis. In turn, CFTC regulation Section 39.11(e)(2)⁶ provides that these financial resources must include unencumbered, liquid financial assets (*i.e.*, cash and/or highly liquid securities), equal to at least six months' operating costs. OCC states that the Offering is intended to contribute to OCC's compliance with the financial resources requirement under CFTC regulation Section 39.11(a)(2)⁷ and the liquidity requirements prescribed by CFTC regulation Section 39.11(e)(2).⁸ OCC states that the proceeds of the offering would be invested in instruments such as reverse repurchase agreements in which working capital may be invested under OCC's By-Laws.

Under the proposal, OCC would issue senior unsecured debt securities through the Offering, which would be structured as a private placement for which a broker-dealer registered with the Securities and Exchange Commission under the Exchange Act would act as the exclusive placement agent. Under the terms of the Offering, OCC would be required to use any capital raised to finance its working capital needs or for general corporate purposes.

According to OCC, one of the conditions of OCC's proposed Offering is the execution of definitive agreements. These agreements are expected to include a number of conditions related to OCC's performance under such agreements including, without limitation, certain covenants and default provisions.

OCC states that the Offering would involve a variety of customary fees and expenses payable by OCC to the placement agent and the noteholders, including but not limited to: (1) A placement agent fee calculated as a
