SUPPLEMENTARY INFORMATION:

Title: Rural Housing Loans.

OMB Number: 0575-0078.

Expiration Date of Approval: September 30, 2013.

Type of Request: Extension of a currently approved information collection.

Abstract: The Rural Housing Service (RHS) is authorized under Section 517(d) of Title V of the Housing Act of 1949, as amended, to issue loan guarantees for the acquisition of new or existing dwellings and related facilities to provide decent, safe, and sanitary living conditions and other structures in rural areas by eligible recipients.

The Act also authorizes the Secretary to pay the holder of a guaranteed loan the difference between the rate of interest paid by the borrower and the market rate of interest.

The purpose of the program is to assist low and moderate income individuals and families acquire or construct a single family residence in a rural area with loans made by private lenders. Eligibility for this program includes low and moderate income families or persons whose income does not exceed 115 percent of the median income for the area, as determined by the Secretary.

The Guaranteed Rural Housing (GRH) program was authorized under the Cranston-Gonzalez National Affordable Housing Act, and the Agency issued a final rule implementing the GRH program on April 17, 1991, before departmental reorganization. The program began as a pilot program in 20 States on May 17, 1991. In 1992, the GRH program was offered on a nationwide basis. During the implementation process, the Agency looked for ways to improve the program and make it more user friendly.

The Agency recognized the need to make its program even more compatible with the existing structure of the mortgage lending community. On May 22, 1995, the Agency published a final rule incorporating the needed changes to encourage greater participation by lenders and the secondary market for mortgage loans.

The information requested by the Agency includes borrower financial information such as household income, assets and liabilities, and monthly expenses. All information collected is vital for the Agency to determine if borrowers qualify for and assure they receive all assistance for which they are eligible. Information requested on lenders is required to ensure lenders are eligible to participate in the GRH program. Lender requirements are in compliance with OMB Circular A-129.

Congress passed Public Law 111-212, Supplemental Disaster Relief and Summer Jobs Act of 2010 (H.R. 4899) which authorized the Agency to assess an annual fee in an effort to maintain a budget-neutral loan program. Effective in fiscal year 2011, the Agency began assessing an annual fee against newly closed guaranteed loans.

To support collection of the annual fee the program introduced an electronic method for lenders to pay the annual fee through the Guaranteed Annual Fee (GAF) system. This new Web-based system allows loan servicers to authorize pre-authorized debit (PAD) payments as well as review annual fee advance notice, billing, and payment reconciliation details for guaranteed loans that they service.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average .85 hours per response.

Respondents: Individuals or households and business or other for-profits.

Estimated Number of Respondents: 154,197.

Estimated Number of Responses per Respondent: 6.7.

Estimated Number of Responses: 1,030,338.

Estimated Total Annual Burden on Respondents: 881,261 hours.

Copies of this information collection can be obtained from Jeanne Jacobs, Regulations and Paperwork Management Branch, at (202) 692-0040.
