INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-855]

Certain Sintered Rare Earth Magnets, Methods of Making Same and Products Containing Same; Commission Determination Not to Review an Initial Determination Granting an Unopposed Motion by Complainants; Termination of the Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge's ("ALJ") initial determination ("ID") (Order No. 130) granting complainants' unopposed motion to terminate the investigation as to remaining respondents Beats Electronics, LLC of Santa Monica, California ("Beat"); Bosch Security Systems, Inc. of Burnsville, Minnesota ("Bosch"); and Callaway Golf Co. of Carlsbad, California ("Callaway") based upon withdrawal of the complaint, and terminating the investigation in its entirety.

FOR FURTHER INFORMATION CONTACT:

Panyin A. Hughes, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205-3042. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired

persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on September 21, 2012, based on a complaint filed by Hitachi Metals, Ltd. of Tokyo, Japan and Hitachi Metals North Carolina, Ltd. of China Grove, North Carolina (collectively, "Hitachi Metals"). 77 FR 58578 (Sept. 21, 2012). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain sintered rare earth magnets, methods of making same and products containing same by reason of infringement of certain claims of United States Patent Nos. 6,461,565; 6,491,765; 6,527,874; and 6,537,385. The notice of investigation named several entities as respondents but only Beat, Bosch, and Callaway remain in the investigation.

On June 4, 2013, Hitachi Metals filed an unopposed motion to terminate the investigation as to respondents Beat, Bosch, and Callaway. Because Beat, Bosch, and Callaway are the only remaining respondents in the investigation, Hitachi Metals also moved for termination of the investigation in its entirety. On June 5, 2013, the Commission investigative attorney filed a response in support of the motion. No other responses to the motion were filed.

On June 13, 2013, the ALJ issued the subject ID, granting the motion and terminating the investigation in its entirety. The ALJ found that the motion complied with the requirements of Commission Rule 210.21(a) (19 CFR 210.21(a)) and that no extraordinary circumstances prohibited granting the motion. None of the parties petitioned for review of the ID.

The Commission has determined not to review the ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in section 210.42 of the Commission's Rules of Practice and Procedure (19 CFR 210.42).

Issued: July 12, 2013.

By order of the Commission.

Lisa R. Barton,

Acting Secretary to the Commission.

DEPARTMENT OF JUSTICE

[OMB Number 1105-0086]

Agency Information Collection Activities; Proposed Renewal of Previously Approved Collection; Comments Requested: Attorney Student Loan Repayment Program Electronic Forms

ACTION: 60-Day Notice.

The Department of Justice (DOJ), Justice Management Division, Office of Attorney Recruitment and Management (OARM), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for 60 days until September 16, 2013. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the item(s) contained in the notice, especially regarding the estimated public burden and associated response time, should be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention: Department of Justice Desk Officer, Washington, DC, 20530.

Additionally, comments may be submitted to OMB via facsimile to 202-395-7285. Comments may also be submitted to the Department Clearance Officer, United States Department of Justice, Suite 1600, 601 D Street NW., Washington, DC 20530. Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other

technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of information collection:* Renewal of a Currently Approved Collection.

(2) *The title of the collection:* Applications for the Attorney Student Loan Repayment Program.

(3) *The agency form number, if any, and the applicable component of the department sponsoring the collection:* Form Number: 1105-0086. Office of Attorney Recruitment and Management, Justice Management Division, U.S. Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Individuals or households. Other: None.

The Department of Justice Attorney Student Loan Repayment Program (ASLRP) is an agency recruitment and retention incentive program based on 5 U.S.C. 5379, as amended, and 5 CFR part 537. The Department selects participants during an annual open season each spring. Any one currently employed as an attorney or hired to serve in an attorney position within the Department may request consideration for the ASLRP. The Department selects new attorneys each year for participation on a competitive basis and renews current beneficiaries who remain qualified for these benefits, subject to availability of funds. There are two types of application forms—one is for new requests, and the other for renewal requests. In addition, there is a three year service agreement form.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* The Department anticipates that on a yearly basis, about 225 respondents will complete the application for a new request. In addition, each year the Department expects to receive approximately 175 applications from attorneys and law clerks requesting renewal of the benefits they received in previous years. It is estimated that each new application will take one (1) hour to complete, and each renewal application approximately 15 minutes to complete.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual public burden associated with this collection is 269 hours.

Notice Pursuant to the National Cooperative Research and Production Act of 1993—American Massage Therapy Association

Notice is hereby given that, on June 24, 2013, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), American Massage Therapy Association (“AMTA”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the name and principal place of business of the standards development organization and (2) the nature and scope of its standards development activities. The notifications were filed for the purpose of invoking the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the name and principal place of business of the standards development organization is American Massage Therapy Association, Evanston, IL. The nature and scope of AMTA’s standards development activities are to develop, plan, establish, coordinate, and publish voluntary consensus standards applicable to the field of massage therapy.

Specifically, AMTA develops plans, establishes, coordinates, and publishes voluntary consensus standards in the form of basic standards for the entry-level curriculum necessary for safe and competent practice in an early massage career and the number of hours required to teach the essential components of the entry-level curriculum. AMTA develops and publishes these standards in cooperation with the Alliance for Massage Therapy Education, Associated Bodywork and Massage Professionals, the Commission on Massage Therapy Accreditation, The Federation of State Massage Therapy Boards, the Massage Therapy Foundation, and the National

Certification Board for Therapeutic Massage and Bodywork. Through its standards development activities, AMTA seeks to ensure the highest quality of training and education in massage therapy. AMTA’s standards development activities are ongoing in nature, and existing standards may be update and/or amended from time to time.
