INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–855]

Certain Sintered Rare Earth Magnets, Methods of Making Same and Products Containing Same; Commission Determination Not to Review an Initial Determination Granting an Unopposed Motion by Complainants; Termination of the Investigation

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge’s (“ALJ”) initial determination (“ID”) (Order No. 130) granting respondents’ unopposed motion to terminate the investigation as to remaining respondents Beats Electronics, LLC of Santa Monica, California (“Beat”); Bosch Security Systems, Inc. of Burnsville, Minnesota (“Bosch”); and Callaway Golf Co. of Carlsbad, California (“Callaway”) based upon withdrawal of the complaint, and terminating the investigation in its entirety.

persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on September 21, 2012, based on a complaint filed by Hitachi Metals, Ltd. of Tokyo, Japan and Hitachi Metals North Carolina, Ltd. of China Grove, North Carolina (collectively, “Hitachi Metals”). 77 FR 58578 (Sept. 21, 2012). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain sintered rare earth magnets, methods of making same and products containing same by reason of infringement of certain claims of United States Patent Nos. 6,461,565; 6,491,765; 6,527,874; and 6,537,385. The notice of investigation named several entities as respondents but only Beat, Bosch, and Callaway remain in the investigation.

On June 4, 2013, Hitachi Metals filed an unopposed motion to terminate the investigation as to respondents Beat, Bosch, and Callaway. Because Beat, Bosch, and Callaway are the only remaining respondents in the investigation, Hitachi Metals also moved for termination of the investigation in its entirety. On June 5, 2013, the Commission investigative attorney filed a response in support of the motion. No other responses to the motion were filed.

On June 13, 2013, the ALJ issued the subject ID, granting the motion and terminating the investigation in its entirety. The ALJ found that the motion complied with the requirements of Commission Rule 210.21(a) (19 CFR 210.21(a)) and that no extraordinary circumstances prohibited granting the motion. None of the parties petitioned for review of the ID.

The Commission has determined not to review the ID.

Issued: July 12, 2013.

By order of the Commission.

Lisa R. Barton,

Acting Secretary to the Commission.

Notice Pursuant to the National Cooperative Research and Production Act of 1993—American Massage Therapy Association

Notice is hereby given that, on June 21, 2013, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 et seq. (“the Act”), American Massage Therapy Association (“AMTA”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the name and principal place of business of the standards development organization and (2) the nature and scope of its standards development activities. The notifications were filed for the purpose of invoking the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the name and principal place of business of the standards development organization is American Massage Therapy Association, Evanston, IL. The nature and scope of AMTA’s standards development activities are to develop, plan, establish, coordinate, and publish voluntary consensus standards applicable to the field of massage therapy.

Specifically, AMTA develops plans, establishes, coordinates, and publishes voluntary consensus standards in the form of basic standards for the entry-level curriculum necessary for safe and competent practice in an early massage career and the number of hours required to teach the essential components of the entry-level curriculum. AMTA develops and publishes these standards in cooperation with the Alliance for Massage Therapy Education, Associated Bodywork and Massage Professionals, the Commission on Massage Therapy Accreditation, The Federation of State Massage Therapy Boards, the Massage Therapy Foundation, and the National Certification Board for Therapeutic Massage and Bodywork. Through its standards development activities, AMTA seeks to ensure the highest quality of training and education in massage therapy. AMTA’s standards development activities are ongoing in nature, and existing standards may be update and/or amended from time to time.
