Federal Register

Vol. 78, No. 139

Friday, July 19, 2013

This section of the FEDERAL REGISTER contains documents other than rules or proposed rules that are applicable to the public. Notices of hearings and investigations, committee meetings, agency decisions and rulings, delegations of authority, filing of petitions and applications and agency statements of organization and functions are examples of documents appearing in this section.

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Marine Recreational Information Program Fishing Effort Survey.

OMB Control Number: 0648–0652.

Form Number(s): NA.

Type of Request: Regular submission (revision of a current information collection).

Number of Respondents: 153,000.

Average Hours per Response: 10 minutes.

Burden Hours: 25,500.

Needs and Uses: This request is for revision of a current information collection. The title will be changed from “Marine Recreational Information Program” to “Marine Recreational Information Program Fishing Effort Survey”.

Marine recreational anglers are surveyed to collect catch and effort data, fish biology data, and angler socioeconomic characteristics. These data are required to carry out provisions of the Magnuson-Stevens Fishery Conservation and Management Act (MSA, 16 U.S.C. 1801 et seq.), as amended, regarding conservation and management of fishery resources.

Marine recreational fishing effort data have traditionally been collected through the Coastal Household Telephone Survey, a random-digit-dial telephone survey of coastal county residences. Amendments to the MSA require the development of an improved data collection program for recreational fisheries. To meet these requirements,

the National Oceanic and Atmospheric Administration’s (NOAA) Fisheries has designed and tested new approaches for sampling and surveying recreational anglers. Revision: A mail survey that samples from residential address frames and collects information on the number of marine recreational anglers and the number of recreational fishing trips is currently being tested in MA, NY, NC and FL. The survey will be expanded to all Atlantic and Gulf coast states (except TX), HI and Puerto Rico.

Affected Public: Individuals or households.

Frequency: On occasion.

Respondent’s Obligation: Voluntary.

OMB Desk Officer:

OIRA_Submission@omb.eop.gov.

Copies of the above information collection proposal can be obtained by calling or writing Jennifer Jessup, Departmental Paperwork Clearance Officer, (202) 482–0336, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at *Jjessup@doc.gov*).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to

OIRA_Submission@omb.eop.gov.

Dated: July 15, 2013.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Southwest Region Permit Family of Forms.

OMB Control Number: 0648–0204.

Form Number(s): NA.

Type of Request: Regular submission (extension of a current information collection).

Number of Respondents: 1,761.

Average Hours per Response: Highly Migratory Species (HMS) permit renewals, 6 minutes; Coastal Pelagic Species (CPS) permit renewals, 15 minutes; CPS permit appeals, 2 hours; CPS transfers, 30 minutes; experimental fishing permits (EFPs), 1 hour.

Burden Hours: 135.

Needs and Uses: This request is for extension of a current information collection. Under the Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C. 1801 et seq., permits are required for persons to participate in Federally-managed fisheries off the West Coast. There are three types of permits: basic fishery permits for HMS, limited entry permits for CPS and EFPs. Appeals and certain waiver requests may also be submitted. Transfer applications may also be required.

The permit application forms provide basic information about permit holders and the vessels and gear being used. This information is important for understanding the nature of the fisheries and provides a link to participants. It also aids in enforcement of regulations.

Affected Public: Business or other for-profit organizations.

Frequency: Annually, biannually and on occasion.

Respondent’s Obligation: Mandatory.

OMB Desk Officer:

OIRA_Submission@omb.eop.gov.

Copies of the above information collection proposal can be obtained by calling or writing Jennifer Jessup, Departmental Paperwork Clearance Officer, (202) 482–0336, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at *Jjessup@doc.gov*).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to

OIRA_Submission@omb.eop.gov.

Dated: July 15, 2013.
