SUPPLEMENTARY INFORMATION:

I. Background

The ONRR is proposing to amend its appeal regulations. On May 13, 1999, the Department of the Interior (Department) published in the **Federal Register** (64 FR 26240) a final rule governing the appeal of the former Minerals Management Service's (MMS) Minerals Revenue Management (MRM) orders. In this proposed rule, ONRR is clarifying the appeal regulations by removing ambiguity regarding the ONRR definition of an *Order*, the timing of appeals of orders to perform restructured accounting, and the finality of orders that have not been paid or appealed.

II. Reorganization of Title 30 CFR

On May 19, 2010, the Secretary of the Department of the Interior (Secretary) separated the responsibilities previously performed by the former MMS and reassigned those responsibilities to three separate organizations. As part of this reorganization, the Secretary renamed MMS's MRM the Office of Natural Resources Revenue and directed that ONRR transition from the Office of the Assistant Secretary for Land and Minerals Management to the Office of the Assistant Secretary for Policy, Management and Budget (PMB). This change required the reorganization of title 30, *Code of Federal Regulations* (30 CFR). In response, ONRR published a direct final rule on October 4, 2010 (75 FR 61051), to establish a new chapter XII in 30 CFR; to remove certain regulations from chapter II; and to recodify these regulations in the new chapter XII. Therefore, all references to ONRR in this proposed rule include its predecessor MRM, and all references to 30 CFR part 1290 in this proposed rule include former 30 CFR part 290, subpart B.

III. Explanation of Proposed Amendments

This rule would make technical clarifications to 30 CFR part 1290 and 43 CFR part 4, subpart J. Title 30 CFR part 1290 pertains to appeals of ONRR orders to report or pay royalties and other payments due under leases subject to part 1290. Title 43 CFR part 4, subpart J, contains OHA's special rules applicable to appeals concerning Federal oil and gas royalties and other related matters. This rule also would make technical corrections to position titles, agency names, acronyms, and cross references within the regulations and would delete regulatory provisions no longer needed.

Specifically, the rule proposes to amend existing appeal regulations in titles 30 and 43 to clarify which ONRR correspondence are appealable orders. This proposed amendment would apply to orders involving all Federal and Indian mineral leases. The ONRR has received appeals filed in response to "Dear Payor," "Dear Operator," and "Dear Reporter" letters. These letters contain policy and guidance that do not contain mandatory or ordering language, and, thus, are not ONRR orders. Therefore, those letters are not appealable. The Interior Board of Land Appeals (IBLA) addressed this issue in *Devon Energy*, 171 IBLA 43 (2007). In *Devon*, the IBLA held that, under ONRR's appeal regulations, "Dear Payor/Operator/Reporter" letters sent to all lessees are not appealable orders under 30 CFR part 1290. Therefore, the proposed amendment to the regulations in titles 30 and 43 would specify that "Dear Payor/Operator/Reporter" letters and any ONRR instructions or guidance do not constitute appealable orders. This proposed rule would eliminate confusion for the recipients of the ONRR letters and reduce the number of ineligible appeals.

Likewise, the IBLA has held that correspondence from ONRR that does not contain a notice of the right to appeal is not an appealable order under 30 CFR part 1290. *Xanadu Exploration Company*, 157 IBLA 183, 186 (2002). Therefore, the proposed amendments to the regulations also would specify that any ONRR correspondence that does not contain the right to appeal in writing does not constitute an appealable order consistent with the *Xanadu* decision. This amendment also would eliminate confusion for the recipients of "Dear Payor/Operator/Reporter" letters that do not contain an explicit right to appeal.

In addition, the rule proposes to update 30 CFR part 1290 to reflect the 60-day period within which a party may appeal an order to perform a restructured accounting involving only Federal oil and gas leases under the Royalty Simplification and Fairness Act of 1996 (RSFA), codified at 30 U.S.C. 1724(d)(4)(B)(ii)(V).

Generally, under the proposed rule, you would appeal an Order to Perform a Restructured Accounting to the ONRR Director. This would include requiring you to appeal an Order to Perform a Restructured Accounting that a delegated State issues to the ONRR Director under proposed § 1290.105(a)(1)(ii). This would give the ONRR Director an opportunity to review such orders and issue a decision before it proceeds to the IBLA.
