SUPPLEMENTARY INFORMATION:

I. Abstract and request for comments

The FCU Act requires the NCUA Board to prepare bylaws for FCUs. 12 U.S.C. 1758. After consideration of public comment, the NCUA Board adopted the FCU Bylaws and incorporated them into NCUA's regulations at 12 CFR 701.2, and Appendix A to part 701, in 2007. Unless a federal credit union adopted its bylaws before November 30, 2007, it must adopt the 2007 bylaws. FCUs use the information they collect and maintain pursuant to their bylaws in their operations and to provide services to members. NCUA uses the information both to regulate the safety and soundness of FCUs and protect the National Credit Union Share Insurance Fund.

NCUA is issuing this notice and request for comment on the reinstatement and amendment of the previously approved information collection PRA number related to the FCU Bylaws, 3133-0052. Staff has incorporated into this collection other previously expired or combined information collections also related to the bylaws, including 3133-0057 and 3133-0081. The amount of burden hours is decreasing as a result of technology and the continuing trend of annual decreases in the number of FCUs.

NCUA staff reviewed each of the articles of the FCU Bylaws to identify all current information collection requirements. As a preliminary matter,

those persons choosing to organize a new FCU must comply with certain information collection requirements upon starting the FCU and first adopting these bylaws. Over the past three years, organizers have established an average of approximately two new FCUs each year. We estimate each new FCU must spend approximately 20 hours to initially comply with the bylaws' information collection requirements (ICR), for a total annual collection of 40 hours.

For current FCUs, it has been a usual and customary business practice, since their initial charter dates, to collect and maintain any information as specified in the bylaws. NCUA staff also reviewed each Article of the FCU Bylaws to estimate current annual burden hours for FCUs attached to each ICR, and we have listed these estimates below in the Data section.

NCUA does not believe that FCUs will incur any additional labor costs as a result of the bylaw requirements since these are in accordance with the FCUs' usual and customary business practices. The FCU bylaws address integral parts of an FCU's operations as member-owned, not-for-profit financial cooperatives. Since an FCU could not operate as federally chartered and insured credit union without complying with these collections, there is no additional labor cost burden.

The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of any methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.

NATIONAL CREDIT UNION ADMINISTRATION

Agency Information Collection Activities: Submission to OMB for Reinstatement, With Change, of a Previously Approved Collection; Comment Request

AGENCY: National Credit Union Administration (NCUA).

ACTION: Request for comment.

SUMMARY: The NCUA intends to submit the following information collection to the Office of Management and Budget (OMB) for review and clearance under the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. Chapter 35). This information collection is published to obtain comments from the public. Section 701.36 of the NCUA Rules and Regulations regulates ownership of fixed assets by federal credit unions. This rule ensures that federal credit unions do not undertake undue risk related to fixed assets. Specifically, section 701.36 limits the aggregate amount of fixed assets, defines the duration for which property can be held before it must be occupied or disposed and, defines prohibited transactions. This information collection enables NCUA to evaluate waiver requests of these limitations.

DATES: Comments will be accepted until September 27, 2013.

ADDRESSES: Interested parties are invited to submit written comments to the

SUPPLEMENTARY INFORMATION:

I. Abstract and Request for Comments

NCUA is reinstating and amending the collection for 3133-0040. 12 CFR 701.36 requires that a federal credit union with \$1 million or more in assets obtain the approval of the NCUA before investing in fixed assets in excess of 5% of shares and retained earnings. This section also requires that a federal credit union prepare a definitive plan for full use of premises acquired for future expansion if it has not fully occupied the premises within one year of acquisition, and that a federal credit union that has not at least partially occupied such premises within three years, six years for unimproved real property, obtain NCUA approval to continue without partial occupation. This section also requires a federal credit union that does not dispose of abandoned property within 5 years of abandonment obtain NCUA approval to continue to hold the property. Federal credit unions must also obtain NCUA approval prior to investing in property from a prohibited party. The rule requires federal credit unions to submit documentation in support any of the above requests. This information collection requirement is submitted for approval. The intent of the regulation and associated information collection is to prevent, or at least curb, excess investments in fixed assets and the related costs and expenses that may be beyond the financial capability of the credit union. Statistics indicate a correlation between high fixed asset investments and difficulty in achieving positive earnings. Further, the Federal Credit Union Act does not permit federal credit unions to own real estate for purposes other than for providing

financial services to members. NCUA uses the information collection to evaluate the impact a waiver approval may have on the safety and soundness of a federal credit union. The increase in burden hours is associated with the termination of the Regulatory Flexibility Program. This program exempted federal credit unions in certain standing from the 5 percent limitation on fixed assets. The end of the program has resulted in an increase in waiver requests. The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.
