Initiation of New Shipper Review

Pursuant to section 751(a)(2)(B) of the Act, 19 CFR 351.214(b), 19 CFR 351.214(d)(1), and the information on the record, the Department finds that Tainai meets the threshold requirements for initiation of an NSR for shipments of TRBs from the PRC produced and exported by Tainai. If the information supplied by Tainai cannot be verified using CBP import data, or is otherwise found to be incorrect or insufficient during the course of this proceeding, the Department may rescind the review or apply facts available pursuant to section 776 of the Act, depending on the facts on record.

The Department intends to issue the preliminary results of this NSR no later than 180 days from the date of initiation, and the final results no later than 270 days from the date of initiation, pursuant to section 751(a)(2)(B)(iv) of the Act.

It is the Department’s usual practice, in cases involving non-market economy countries, to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide evidence of de jure and de facto absence of government control over the company’s export activities. Accordingly, we will issue a questionnaire to Tainai, which will include a section requesting information concerning Tainai’s eligibility for a separate rate. The review will proceed if the response provides sufficient indication that Tainai is not subject to either de jure or de facto government control with respect to its export of subject merchandise.

We will instruct CBP to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for each entry of the subject merchandise from Tainai in accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e). The bonding privilege will only apply to entries of subject merchandise both produced and exported by Tainai.

To assist in its analysis of the bona fides of Tainai’s sales, upon initiation of this NSR, the Department will require Tainai to submit on an ongoing basis complete transaction information concerning any sales of subject merchandise to the United States that were made subsequent to the POR.

Interested parties requiring access to proprietary information in this NSR should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306. This initiation and notice are published in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: July 24, 2013.

Christian Marsh,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
