Update address for AMS. Change “U.S. Grade A or U.S. Fancy” to “U.S. Grade A.” Change “U.S. Grade B or U.S. Extra Standard” to “U.S. Grade B.” Change references for “flavor” to “flavor and odor” to ensure that these requirements are consistent throughout the document.

The other grade standards identified in the original notice (75 FR 43141), namely frozen carrots, frozen whole kernel corn, frozen corn on the cob, frozen breaded onion rings, frozen peas, frozen peas and carrots, frozen French fried potatoes, frozen sweet peppers, frozen succotash, and frozen tomato juice and tomato juice from concentrate will be revised at a later date. AMS determined that these grade standards require additional revisions to take into account U.S. Food and Drug Administration’s Standards of Identity, new styles and pack types, and new commercially cultivated varieties (such as supersweet corn) which possess unique characteristics. AMS will seek additional guidance from the industry to

update these grade standards so that they reflect current marketing practices and serve the needs of the industry.

The revisions to these frozen vegetable grade standards made in this notice provide a common language for trade and better reflect the current marketing of frozen vegetables. The changes are made effective 30 days after the date of publication in the **Federal Register**.
