that an expanded amenity fee be considered by a Recreation Resource Advisory Council (RAC). The Roswell Field Office has complied with the REA by presenting the Business Plan to the Pecos District RAC for consideration. The final Business Plan decision process will be made after the six month public comment period. Section 3(g) of REA provides for levy of an “expanded amenity recreation fee” at developed campgrounds characterized by nine standards of available facilities. Having all nine required amenities, the Rob Jaguars Camping Area meets the Congressional criteria for an expanded amenity fee site. While overnight camping would remain free of charge, the use of the amenities at the campground would be available for an expanded amenity fee. The proposed fees are for electric hookup, water hookup, reservation of the group shelter for exclusive use, and use of the dump station. The collected fees would be used for onsite maintenance, improvements, and incidental expenses associated with the volunteer program, such as meals and transportation to and from the worksite. Possible improvements include additional water and electrical stations, fire rings, picnic tables, restrooms, cook grills, and equestrian facilities. The amenity fees are scheduled to be implemented after the December 15, 2013, deadline for public comment.

Notice of Realty Action: Direct Sale of Public Land (N–91073) for Affordable Housing Purposes in Las Vegas, Clark County, NV

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Realty Action.

SUMMARY: The Bureau of Land Management (BLM) proposes to sell a 5-acre public land parcel located in the southern portion of the Las Vegas Valley in Clark County, Nevada, under the authorities of Sections 203 of the Federal Land Policy and Management Act of 1976 (FLPMA), as amended, and the BLM land sale conveyance regulations. In compliance with Section 7b of the Southern Nevada Public Land Management Act of 1998 (SNPLMA), the BLM proposes that the parcel be sold by direct sale to the Nevada Housing Division, a division of the State of Nevada, Department of Business and Industry, at a discounted rate based upon the appraised fair market value (FMV).

DATES: Comments regarding the proposed sale must be received by the BLM on or before September 16, 2013. The sale would not be held prior to September 30, 2013.

ADDRESSES: Written comments concerning the proposed sale are to be sent to the BLM Las Vegas Field Office, Assistant Field Manager, Division of Lands, 4701 N. Torrey Pines Drive, Las Vegas, NV 89130.

SUPPLEMENTARY INFORMATION: The Nevada Housing Division submitted a sale nomination application to the BLM for the proposed affordable housing project called the Agate Avenue Senior Apartments. In response, the BLM proposes to sell a 5-acre parcel of public land located in the southern portion of the Las Vegas Valley in Clark County, Nevada, further described as:

**Mount Diablo Meridian**

T. 22 S., R. 61 E., Sec. 20, Lot 25.

The parcel is located as a portion of Clark County Assessor Parcel Number 177–20–601–003. A map delineating the parcel proposed for sale to the Nevada Housing Division is available for public review at the BLM Las Vegas Field Office or at the Web site http://www.blm.gov/nv/st/en/snpbla/affordable_housing.html. The parcel is located at the intersection of Agate Avenue and Kimo Street within the Las Vegas Boulevard and Interstate 15 corridor south of Blue Diamond Road. The southern and eastern boundaries of the parcel abut developed residential and commercial properties and the northern and western boundaries abut BLM-managed public land. Access is provided by Agate Avenue located along the northern boundary of the parcel.

The parcel would be sold using the direct sale procedures, and under such terms, covenants, or conditions as determined necessary for affordable housing purposes by the BLM authorized officer pursuant to SNPLMA Section 7(b), Public Law 105–263, 112 Stat. 2343, as amended, and the Nevada Guidance Policy and Procedures for Affordable Housing Disposals (Nevada Guidance) approved on August 8, 2006. The BLM, in consultation with the Department of Housing and Urban Development (HUD), may make BLM-managed public lands available for affordable housing purposes in the State of Nevada at less than the appraised FMV. The amount administratively discounted from the FMV is calculated according to the Nevada Guidance provisions. Under Section 7(b) of the SNPLMA, housing is “affordable housing” if it serves low-income families as defined in Section 104 of the Cranston-Gonzales National Affordable Housing Act, 42 U.S.C. 12704. In the Cranston-Gonzales Act, the term “low-income families” means families whose incomes do not exceed 80 percent of the median income for the area as determined by HUD, or as otherwise adjusted by statute. The State of Nevada’s proposed project would use 100 percent of the parcel to serve senior citizens, including seniors with special needs, with income at or below 60 percent of the area median income, which represents extremely low income based on the Nevada Guidance. The appraised FMV for the 5-acre parcel is $1,040,000. Under the Nevada Guidance, and after consultation with HUD, the BLM authorized officer has determined that discount percentages for the respective median income category would be administratively applied to the FMV to establish the price of the public land to be sold under these provisions. The FMV for this property would be 95 percent discounted consistent with the Nevada Guidance resulting in a federally approved sale price of $52,000, so long as the property is used for affordable housing purposes consistent with the covenants, terms and conditions described in the patent.

Consistent with the Nevada Guidance, the preferred method of sale is direct sale. Such method is appropriate under regulation when “A tract is identified as the property is used for affordable housing purposes to be made available only to State or local government entities, including local public housing authorities. The direct sale method is
