SUPPLEMENTARY INFORMATION: Section 1334 of the Patient Protection and Affordable Care Act, Public Law 111–148, as amended by the Health Care Education Reconciliation Act, Public Law 111–152 (together, “Affordable Care Act”), directed the Office of Personnel Management (OPM) to enter into contracts with health insurance issuers to offer coverage on Exchanges (also called “Marketplaces”) throughout the 50 States and the District of Columbia. OPM issued final regulations for the establishment of the Multi-State Plan Program (MSPP) on March 11, 2013. 78 FR 15560, which outlined an external review process that would be available to enrollees in Multi-State Plans (MSPs).

The regulations state that “OPM will conduct external review of adverse benefit determinations using a process similar to OPM review of disputed claims under [the Federal Employees Health Benefits Program]. . . .” A necessary part of conducting external review of adverse benefit determinations is accepting requests for external review from MSP enrollees who seek external review.

In general, after an issuer denies a claim, the enrollee whose claim is denied may ask the issuer to reconsider through a process called an internal appeal. If an issuer upholds a denial on internal appeal, the enrollee may seek external review of the denial. External review is a process that affords an enrollee in an MSP the right to have a denial of a claim appealed to an entity other than his or her health insurance issuer. The attached Model Notice of Final Internal Adverse Benefit Determination illustrates the content of the notice that an MSP issuer must provide to an MSP enrollee after denying a claim and upholding such denial upon internal appeal.

Affected Public: Individuals or Households.
Number of Respondents: 48,000.
On June 26, 2013, in United States v. Windsor, 570 U.S. (2013), the Supreme Court of the United States (Supreme Court) ruled that Section 3 of DOMA is unconstitutional. As a result of this decision, the U.S. Office of Personnel Management (OPM) is now able to extend benefits to Federal employees and annuitants who are legally married to spouses of the same sex, regardless of the employees’ or annuitants’ states of residency. Consistent with OPM’s long-standing policy of recognizing the legal foreign marriages of opposite-sex couples for purposes of retirement benefit programs that OPM administers, OPM will also recognize legal same-sex marriages granted in countries that authorize such marriages, regardless of the employees’ or annuitants’ states of residency, for purposes of these programs.

As OPM stated in its June 28, 2013 Memorandum for Heads of Executive Departments and Agencies, all retirees who are in legal same-sex marriages will have 2 years from the June 26, 2013 date of the Supreme Court’s decision (i.e., through June 26, 2015) to inform OPM that they have legal marriages that now qualify for recognition and to elect reductions in their CSRS or FERS retirement annuities to provide survivor benefits for their spouses, based on their recognized marital status. An annuitant should be aware that electing a survivor annuity will require a reduction of his/her annuity to provide the survivor annuity, or an adjustment of the amount of reduction currently being made to provide an insurable interest annuity to change the reduction amount to a survivor annuity reduction. Before an election is made, we strongly urge annuitants to carefully consider elections before submitting them to OPM.
