

Economic and Regulatory Impact

This final rule is technical in nature and does not increase regulatory burden. In accordance with the provisions of Executive Orders 13563 and 12866 and the Regulatory Flexibility Act (5 U.S.C. 601–612), the Office of Management and Budget has determined that it will have no major effect on the economy or federal expenditures. This rule is not economically significant under section 3(f) of Executive Order 12866 and is not being treated as a “significant regulatory action” under section 3(f). Accordingly, the rule has not been reviewed by the Office of Management and Budget.

The Secretary has determined that this final rule is not a “major rule” within the meaning of the statute providing for Congressional Review of Agency Rulemaking, 5 U.S.C. 801, and has determined that it does not meet the criteria for a significant regulatory action. In addition, under the Small Business Enforcement Act (SBEA) of 1996, if a rule has a significant economic effect on a substantial number of small businesses, the Secretary must specifically consider the economic effect of a rule on small business entities and analyze regulatory options that could lessen the impact of the rule. The Secretary has reviewed this exemption in accordance with the provisions of the SBEA and certifies that this exemption will not have a significant impact on a substantial number of small entities.

Similarly, it will not have effects on state, local, and tribal governments and on the private sector such as to require consultation under the Unfunded Mandates Reform Act of 1995.

Executive Order 13132 requires agencies to meet certain requirements when a rule has “federal implications,” and may have “substantial direct effects on the states, or on the relationship between the national government and the states, or on the distribution of power and responsibilities among the various levels of government.” The Secretary has reviewed this final rule in accordance with Executive Order 13132 regarding federalism, and has determined that it does not have substantial federalism implications or direct costs and implications for the state and local governments.

Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; 2013 Commercial Accountability Measure and Closure for South Atlantic Snowy Grouper

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS implements accountability measures (AMs) for commercial snowy grouper in the exclusive economic zone (EEZ) of the South Atlantic. Commercial landings for snowy grouper, as estimated by the Science and Research Director (SRD), are projected to reach the commercial annual catch limit (ACL) (commercial quota) on August 10, 2013. Therefore, NMFS closes the commercial sector for snowy grouper in the South Atlantic EEZ on August 10, 2013, and it will remain closed until the start of the next fishing season, January 1, 2014. This closure is necessary to protect the snowy grouper resource.

DATES: This rule is effective 12:01 a.m., local time, August 10, 2013, until 12:01 a.m., local time, January 1, 2014.

FOR FURTHER INFORMATION CONTACT: Catherine Hayslip, telephone: 727-824-

5305, email:

Catherine.Hayslip@noaa.gov.

SUPPLEMENTARY INFORMATION: The snapper-grouper fishery of the South Atlantic includes snowy grouper and is managed under the Fishery Management Plan for the Snapper-Grouper Fishery of the South Atlantic Region (FMP). The FMP was prepared by the South Atlantic Fishery Management Council and is implemented under the authority of the Magnuson-Stevens Fishery Conservation and Management Act by regulations at 50 CFR part 622.

The commercial ACL (equivalent to the commercial quota) for snowy grouper in the South Atlantic is 82,900 lb (37,603 kg), gutted weight, for the current fishing year, January 1 through December 31, 2013, as specified in 50 CFR 622.190(a)(1).

Under 50 CFR 622.193(b)(1), NMFS is required to close the commercial sector for snowy grouper when the commercial ACL (commercial quota) is reached, or is projected to be reached, by filing a notification to that effect with the Office of the Federal Register. NMFS has determined that the commercial ACL for South Atlantic snowy grouper will have been reached by August 10, 2013. Accordingly, the commercial sector for South Atlantic snowy grouper is closed effective 12:01 a.m., local time, August 10, 2013, until 12:01 a.m., local time, January 1, 2014.

The operator of a vessel with a valid commercial vessel permit for South Atlantic snapper-grouper having snowy grouper onboard must have landed and bartered, traded, or sold such snowy grouper prior to 12:01 a.m., local time, August 10, 2013. NMFS implemented a closure of the recreational sector for snowy grouper in the South Atlantic on May 31, 2013 (78 FR 30779, May 23, 2013). During the recreational closure, and thus, during this commercial closure, the bag and possession limit for snowy grouper in or from the South Atlantic EEZ is zero. Also during the commercial closure, the sale or purchase of snowy grouper taken from the EEZ is prohibited. The prohibition on sale or purchase does not apply to the sale or purchase of snowy grouper that were harvested, landed ashore, and sold prior to 12:01 a.m., local time, August 10, 2013, and were held in cold storage by a dealer or processor.

For a person on board a vessel for which a Federal commercial or charter vessel/headboat permit for the South Atlantic snapper-grouper fishery has been issued, the bag and possession limit and the sale and purchase provisions of the commercial closure for
