

confidentiality provisions that would impose obligations on a copyright owner with regard to what he or she is able to do with a statement of account received by a licensee. The Register's finding of the lack of CRJs' authority to impose such confidentiality requirements is consistent with court findings that statutory licenses must "be construed narrowly," especially as they apply against the rights of copyright owners. *See, e.g., Fame Publ'g Co. v. Alabama Custom Tape, Inc.*, 507 F.2d 667, 670 (5th Cir. 1975). Accordingly, the Register reads the statute as precluding the CRJs from adopting the confidentiality provisions, including in the context of a negotiated license agreement.

SUPPLEMENTARY INFORMATION:

I. Abstract and Request for Comments

NCUA is reinstating the information collection approved as OMB control number 3133-0134, under the Truth in Savings Act (TISA), 12 U.S.C. 4301 *et seq.* TISA requires depository institutions to disclose to consumers certain information, including interest rates, bonuses, and fees associated with their deposit accounts and accompanying services. Clear and uniform disclosures of the interest rates payable on deposit accounts and the fees assessable against them by depository institutions permits consumers to make meaningful decisions about their finances.

Under TISA, NCUA must promulgate regulations substantially similar to those issued by the Consumer Financial Protection Bureau, taking into account the nature of credit unions. *See* 12 U.S.C. 4311. NCUA's regulations governing all credit unions are found in 12 CFR Part 707. For the benefit of credit union members and consumers, NCUA regulations require credit unions to provide specific disclosures when an

account is opened, when a disclosed term changes or a term account is close to renewal, on periodic statements of account activity, in advertisements, and upon a member or potential member's request. See 12 CFR 707.4, 707.5, 707.6, 707.8. Credit unions are not required to report compliance with the statute and regulations to NCUA, but must retain evidence of compliance for two years after the disclosures are required. See 12 CFR 707.9(c).

The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.

AGENCY: National Credit Union Administration (NCUA).

ACTION: Request for comment.

SUMMARY: The NCUA intends to submit the following information collection to the Office of Management and Budget (OMB) for review and clearance under the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. Chapter 35). This information collection is published to obtain comments from the public. Part 712 of the National Credit Union Administration's (NCUA) regulations implements authority in the Federal Credit Union Act relating to federal credit union (FCU) lending or investment activity with credit union service organizations (CUSOs). The rule addresses NCUA's safety and soundness concerns for activities conducted by CUSOs and imposes certain recordkeeping obligations on FCUs that have relations with or conduct operations through CUSOs. The rule also imposes regulatory limits on the ability of FCUs to recapitalize their CUSOs in certain circumstances. Although the CUSO rule generally only applies to federal credit unions (FCUs), the rule extends to all federally insured credit unions the provisions ensuring that credit union regulators have access to books and records and that CUSOs are operated as separate legal entities; however, the rule also contains a procedure through which state regulators may seek an exemption from the access to records provisions for credit unions in their state. NCUA has no direct regulatory authority over CUSOs.

SUPPLEMENTARY INFORMATION:

I. Abstract and Request for Comments

NCUA is amending/reinstating the collection for 3133-0149.

Requirements in the rule are:

(i) The credit union must obtain a written agreement from the CUSO, before making a loan to or investment in the CUSO, that the CUSO will: Follow generally accepted accounting principles (GAAP); will prepare financial statements at least quarterly and obtain an annual opinion audit from a certified public accountant; and agree to provide access to its books and records to the NCUA;

(ii) The credit union must obtain a written legal opinion confirming the CUSO is established in a legally sufficient way to limit the credit union's exposure to loss of its loans or investments in the CUSO;

(iii) Any FCU that is less than adequately capitalized must seek NCUA approval before recapitalizing a CUSO that has become insolvent.

These requirements enable NCUA to monitor an FCU's involvement with its CUSO for safety and soundness purposes and help to assure that CUSOs are properly established and maintained in accordance with applicable state law.

The burden of this rule has decreased. The timeframe for credit unions to amend existing agreements with their CUSOs is over, thus eliminating the initial burden of the rule as approved in 2008.

The information collection requirements now are one-time obligations that help NCUA assure the continued safety and soundness of the industry. The rule also requires certain less than adequately capitalized FCUs to obtain NCUA's prior approval before recapitalizing an insolvent CUSO, helping
