

completion and stimulation practices will include maps, findings, and synthesized sets of data that will inform the BLM's environmental analysis documents for subsequent oil and gas lease sales. It is anticipated that the information generated by this assessment will be used to inform the planning process.

During the scoping process for this EIS, the high degree of public attention to oil and gas development will provide the BLM with input regarding the suite of oil and gas leasing and development issues and geographic areas that are of most concern to the public. The scoping process will also provide input to assist the BLM in fully developing a range of potential RMP amendment alternatives to address leasing and development and well completion and stimulation practices of concern to the public. In conjunction with the independent science assessment, the BLM will use the results of scoping to refine the geographic scope of the potential plan amendment. In addition, information resulting from the planning and science review will further inform future oil and gas leasing decisions.

The purpose of the public scoping process is to determine relevant issues that will influence the scope of the environmental analysis, including alternatives, and guide the process for developing the EIS. Preliminary issues for oil and gas leasing and development to be addressed within the Hollister planning area have been identified by BLM personnel, Federal, State, and local agencies, and other stakeholders, and include: surface water, groundwater, and air quality; greenhouse gases and climate change; the environmental effects of chemicals, if any, used; the potential for induced seismicity; endangered and threatened species; public health and safety; and socioeconomics.

With respect to the potential RMP amendment, preliminary planning criteria include:

- The potential plan amendment will be completed in compliance with FLPMA, NEPA, and all other Federal laws, executive orders, and management policies for the BLM.
- The potential plan amendment will retain the existing resource condition goals and objectives in the Hollister RMP.
- The potential plan amendment will analyze impacts to areas that are currently open to leasing and will not consider opening areas to leasing that are currently closed.
- The potential plan amendment will recognize valid existing rights.

You may submit comments on issues and planning criteria in writing to the BLM at any public scoping meeting, or by using one of the methods listed in the "ADDRESSES" section above.

The BLM will follow NEPA public participation requirements to assist the agency in satisfying the public involvement requirements under Section 106 of the National Historic Preservation Act (NHPA) (16 U.S.C. 470(f)) pursuant to 36 CFR 800.2(d)(3). The information about historic and cultural resources within the area potentially affected by the proposed action will assist the BLM in identifying and evaluating impacts to such resources in the context of both NEPA and Section 106 of the NHPA.

The BLM will consult with Indian tribes on a government-to-government basis in accordance with Executive Order 13175 and other policies. Tribal concerns, including impacts on Indian trust assets and potential impacts to cultural resources, will be duly considered.

Federal, State, and local agencies, along with tribes and other stakeholders that may be interested in or affected by the proposed action that the BLM is evaluating, are invited to participate in the scoping process and, if eligible, may request or be requested by the BLM to participate in the development of the environmental analysis as a cooperating agency.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

## DEPARTMENT OF THE INTERIOR

### Bureau of Land Management

[LLCAD01000 L12200000.AL 0000]

#### Meeting of the California Desert District Advisory Council

**SUMMARY:** Notice is hereby given, in accordance with Public Laws 92-463 and 94-579, that the California Desert District Advisory Council (DAC) to the

Bureau of Land Management (BLM), U.S. Department of the Interior, will meet in formal session on Saturday, August 17, 2013, from 1 p.m. to 4:30 p.m. at the Riverside Marriott, 3400 Market Street, Riverside, CA 92501.

Pursuant to the Federal Lands Recreation Enhancement Act, the Council will meet to make recommendations on the Imperial Sand Dunes Recreation Area fee proposal.

**SUPPLEMENTARY INFORMATION:** All DAC meetings are open to the public. Council discussion is limited to Bureau of Land Management staff and council members. However, persons who wish to bring recreation fee matters to the attention of the council may file written statements with the council before or after the meeting. A public input session will be provided during the meeting and individuals who wish to address the council will have an opportunity at 2:00 p.m. Comments will be limited to three minutes per person. The council is authorized by the Federal Land Recreation Enhancement Act to make recommendations on BLM recreation fee proposals, which was signed into law by President Bush in December 2004.

Written comments may be filed in advance of the meeting for the California Desert District Advisory Council, c/o Bureau of Land Management, External Affairs, 22835 Calle San Juan de Los Lagos, Moreno Valley, CA 92553. Written comments also are accepted at the time of the meeting and, if copies are provided to the recorder, will be incorporated into the minutes.

**FOR FURTHER INFORMATION CONTACT:** David Briery, BLM California Desert District External Affairs, (951) 697-5220.

Dated: July 24, 2013.

**Timothy Wakefield,**

*Associate District Manager, California Desert District.*

### Bureau of Land Management

[LLCAC01000 L10100000.XZ0000 LXSI0VHD0000]

#### Notice of Public Video Teleconference of the Central California Resource Advisory Council

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of public meeting.

**SUMMARY:** In accordance with the Federal Land Policy and Management

Act and the Federal Advisory Committee Act of 1972, the U.S. Department of the Interior, Bureau of Land Management (BLM) Central California Resource Advisory Council (RAC) will meet as indicated below.

**DATES:** A meeting will be held Wednesday, Aug. 21, from 10 a.m. to 1 p.m., by video teleconference to discuss renewable energy projects. Members of the public are welcome to attend.

Time for public comment is reserved from noon to 12:15 p.m. Members of the public can attend at the following locations: BLM Bakersfield Field Office, 3801 Pegasus Drive, Bakersfield; Hollister Field Office, 20 Hamilton Court, Hollister; Bishop Field Office, 351 Pacu Lane, Bishop; Ukiah Field Office, 2550 N. State St., Ukiah; California State Office, 2800 Cottage Way, Sacramento.

**FOR FURTHER INFORMATION CONTACT:** BLM Central California District Manager Este Stifel, (916) 978-4626; or BLM Public Affairs Officer David Christy, (916) 941-3146.

**SUPPLEMENTARY INFORMATION:** The 12-member council advises the Secretary of the Interior, through the BLM, on a variety of planning and management issues associated with public land management in Central California. At this meeting, agenda topics will include an update on renewable energy projects. Additional ongoing business will be discussed by the council. All meetings are open to the public. Members of the public may present written comments to the council. Each formal council meeting will have time allocated for public comments. Depending on the number of persons wishing to speak, and the time available, the time for individual comments may be limited. Individuals who plan to attend and need special assistance, such as sign language interpretation and other reasonable accommodations, should contact the BLM as provided above.

Dated: July 22, 2013.

**David Christy,**  
Public Affairs Officer.

### National Park Service

[NPS-NER-NEO-13240; PPNEGATE00/PMP00UP05.YP0000]

#### General Management Plan, Draft Environmental Impact Statement, Gateway National Recreation Area, New Jersey and New York

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice of Availability.

**SUMMARY:** Pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4332(2)(C), the National Park Service (NPS) is releasing a Draft Environmental Impact Statement (DEIS) for the General Management Plan (GMP), Gateway National Recreation Area (Gateway), New York. The draft describes and analyzes several alternatives to guide the management of the site over the next 20 years. The NPS preferred alternative incorporates various management prescriptions to ensure access to and protection and enjoyment of Gateway's resources.

**DATES:** We will accept comments for a period of 60 days following publication of the Environmental Protection Agency's notice of availability in the **Federal Register**. We will announce the dates, times, and locations of public meetings on the DEIS/GMP through the park's Web page (<http://www.nps.gov/gate>) and the NPS Planning, Environment, and Public Comment (PEPC) Web site (<http://www.parkplanning.nps.gov/projectHome.cfm?projectID=16091>) and media outlets.

**ADDRESSES:** Electronic copies of the DEIS/GMP will be available for public review at <http://www.parkplanning.nps.gov/projectHome.cfm?projectID=16091>. A limited number of printed copies will be available upon request by contacting the Superintendent's office.

**FOR FURTHER INFORMATION CONTACT:** Acting Superintendent Suzanne McCarthy, Gateway National Recreation Area, 210 New York Avenue, Staten Island, New York 10305 or telephone at (718) 354-4663.

**SUPPLEMENTARY INFORMATION:** The document describes the no-action alternative and two action alternatives for future management of Gateway, the environment that would be affected by the alternative management actions, and the environmental consequences of implementing the alternatives.

Alternative A is a continuation of current management and trends. The park's enabling legislation and current

GMP would continue to guide park management. Gateway would manage park resources and visitor use as it does today, with no major change in direction.

Alternative B is the NPS Preferred Alternative. This alternative provides the widest range of activities and most recreation opportunities in dispersed locations throughout the park. New connections would be forged with park lands and communities adjacent to Gateway and nearby. This alternative offers the most instructional programming and skills development and draws people into the park to increase awareness and enjoyment of Gateway's historic resources and the natural environment. Alternative C provides the most opportunities for independent exploration and experiences that immerse visitors into natural areas, historic sites, and landscapes. This alternative increases the visibility, enjoyment, and protection of coastal resources and highlights preservation efforts as part of interpretation and education activities and promotes hands-on learning and outdoor skills.

Before including your address, phone number, email address, or other personal identifying information in your comment, please be aware that your entire comment -including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: July 31, 2013.

**Gay Vietzke,**

Acting Regional Director, Northeast Region,  
National Park Service.
