

Act and the Federal Advisory Committee Act of 1972, the U.S. Department of the Interior, Bureau of Land Management (BLM) Central California Resource Advisory Council (RAC) will meet as indicated below.

DATES: A meeting will be held Wednesday, Aug. 21, from 10 a.m. to 1 p.m., by video teleconference to discuss renewable energy projects. Members of the public are welcome to attend.

Time for public comment is reserved from noon to 12:15 p.m. Members of the public can attend at the following locations: BLM Bakersfield Field Office, 3801 Pegasus Drive, Bakersfield; Hollister Field Office, 20 Hamilton Court, Hollister; Bishop Field Office, 351 Pacu Lane, Bishop; Ukiah Field Office, 2550 N. State St., Ukiah; California State Office, 2800 Cottage Way, Sacramento.

FOR FURTHER INFORMATION CONTACT: BLM Central California District Manager Este Stifel, (916) 978-4626; or BLM Public Affairs Officer David Christy, (916) 941-3146.

SUPPLEMENTARY INFORMATION: The 12-member council advises the Secretary of the Interior, through the BLM, on a variety of planning and management issues associated with public land management in Central California. At this meeting, agenda topics will include an update on renewable energy projects. Additional ongoing business will be discussed by the council. All meetings are open to the public. Members of the public may present written comments to the council. Each formal council meeting will have time allocated for public comments. Depending on the number of persons wishing to speak, and the time available, the time for individual comments may be limited. Individuals who plan to attend and need special assistance, such as sign language interpretation and other reasonable accommodations, should contact the BLM as provided above.

Dated: July 22, 2013.

David Christy,
Public Affairs Officer.

DEPARTMENT OF THE INTERIOR

National Park Service

[NPS-NER-NEO-13240; PPNEGATE00/PMP00UP05.YP0000]

General Management Plan, Draft Environmental Impact Statement, Gateway National Recreation Area, New Jersey and New York

AGENCY: National Park Service, Interior.

ACTION: Notice of Availability.

SUMMARY: Pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4332(2)(C), the National Park Service (NPS) is releasing a Draft Environmental Impact Statement (DEIS) for the General Management Plan (GMP), Gateway National Recreation Area (Gateway), New York. The draft describes and analyzes several alternatives to guide the management of the site over the next 20 years. The NPS preferred alternative incorporates various management prescriptions to ensure access to and protection and enjoyment of Gateway's resources.

DATES: We will accept comments for a period of 60 days following publication of the Environmental Protection Agency's notice of availability in the **Federal Register**. We will announce the dates, times, and locations of public meetings on the DEIS/GMP through the park's Web page (<http://www.nps.gov/gate>) and the NPS Planning, Environment, and Public Comment (PEPC) Web site (<http://www.parkplanning.nps.gov/projectHome.cfm?projectID=16091>) and media outlets.

ADDRESSES: Electronic copies of the DEIS/GMP will be available for public review at <http://www.parkplanning.nps.gov/projectHome.cfm?projectID=16091>. A limited number of printed copies will be available upon request by contacting the Superintendent's office.

FOR FURTHER INFORMATION CONTACT: Acting Superintendent Suzanne McCarthy, Gateway National Recreation Area, 210 New York Avenue, Staten Island, New York 10305 or telephone at (718) 354-4663.

SUPPLEMENTARY INFORMATION: The document describes the no-action alternative and two action alternatives for future management of Gateway, the environment that would be affected by the alternative management actions, and the environmental consequences of implementing the alternatives.

Alternative A is a continuation of current management and trends. The park's enabling legislation and current

GMP would continue to guide park management. Gateway would manage park resources and visitor use as it does today, with no major change in direction.

Alternative B is the NPS Preferred Alternative. This alternative provides the widest range of activities and most recreation opportunities in dispersed locations throughout the park. New connections would be forged with park lands and communities adjacent to Gateway and nearby. This alternative offers the most instructional programming and skills development and draws people into the park to increase awareness and enjoyment of Gateway's historic resources and the natural environment. Alternative C provides the most opportunities for independent exploration and experiences that immerse visitors into natural areas, historic sites, and landscapes. This alternative increases the visibility, enjoyment, and protection of coastal resources and highlights preservation efforts as part of interpretation and education activities and promotes hands-on learning and outdoor skills.

Before including your address, phone number, email address, or other personal identifying information in your comment, please be aware that your entire comment -including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: July 31, 2013.

Gay Vietzke,

Acting Regional Director, Northeast Region,
National Park Service.
