Great Lakes Pilotage Rates—2014 Annual Review and Adjustment

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes rate adjustments for pilotage services on the Great Lakes, which were last amended in February 2013. The proposed adjustments would establish new base rates and are made in accordance with a full ratemaking procedure. The proposed update reflects the Coast Guard exercising the discretion provided by Step 7 of the Appendix A methodology. The result is an upward adjustment to match the rate increase of the Canadian Great Lakes Pilotage Authority. We also propose adjusting weighting factors used to determine rates for vessels of different size, providing a procedure for temporary surcharges, and including dues paid to the American Pilots Association. This notice of proposed rulemaking promotes the Coast Guard’s strategic goal of maritime safety.

DATES: Comments and related material must either be submitted to our online docket via http://www.regulations.gov on or before October 7, 2013 or reach the Docket Management Facility by that date.

ADDRESSES: You may submit comments identified by docket number USCG–2013–0534 using any one of the following methods:

(2) Fax: 202–493–2251.

(4) Hand delivery: Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202–366–9329.

To avoid duplication, please use only one of these four methods. See the “Public Participation and Request for Comments” portion of the SUPPLEMENTARY INFORMATION section below for instructions on submitting comments.
