### Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the Federal Register and on

the Department's Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

| TA-W number  | Subject firm              | Location   | Impact date |
|--------------|---------------------------|------------|-------------|
| 82,845 ..... | Keithley Instrument ..... | Solon, OH. |             |

The following determinations terminating investigations were issued because the petitioning groups of

workers are covered by active certifications. Consequently, further investigation in these cases would serve

no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

| TA-W number  | Subject firm                             | Location     | Impact date |
|--------------|--|--------------|-------------|
| 82,575 ..... | CompuCom Systems, Inc. ....              | Houston, TX. |             |

| 82,840 ..... | The Berry Company, LLC .....             | Dayton, OH.  |             |

I hereby certify that the aforementioned determinations were issued during the period of July 1, 2013 through July 5, 2013. These determinations are available on the Department's Web site [tradeact/taa/taa\\_search\\_form.cfm](http://tradeact/taa/taa_search_form.cfm) under the searchable listing of determinations or by calling the Office of Trade Adjustment Assistance toll free at 888-365-6822.
