

completion of an interview with CBP. The vetting criteria have been mutually agreed upon by both agencies and are consistent with applicable domestic laws and policies. CBP will notify the applicants regarding whether or not they have been accepted into Global Entry.

Although CBP is expanding Global Entry to permit a limited number of citizens of the United Kingdom to apply for Global Entry at this time to allow for the development of the program's infrastructure, CBP expects to be able to expand eligibility to apply for Global Entry to include all British citizens in the near future. CBP will announce such expansion by notice in the **Federal Register** and on <http://www.globalentry.gov>.

U.S. Citizens' Participation in the United Kingdom's Trusted Traveler Program

Consistent with the Joint Statement, U.S. citizens who participate in Global Entry or U.S. citizens who can utilize Global Entry kiosks as NEXUS or SENTRI participants will have the option to apply for participation in the United Kingdom's trusted traveler program, once such a program is established. Once the program is established, CBP plans to announce it on CBP's Web site at <http://www.globalentry.gov>.

General Eligibility To Participate In Global Entry

For all Global Entry applicants, including applicants from the Republic of Korea, the Federal Republic of Germany, the State of Qatar, and the United Kingdom, the following general eligibility standards apply. An individual who is inadmissible to the United States under U.S. immigration law is ineligible to participate in Global Entry. Applications from such individuals will automatically be rejected. Applications for Global Entry may also be rejected if the applicant has ever been convicted of a criminal offense, or if the individual has ever been found in violation of customs or immigration laws, or of any criminal law. Additionally, an applicant will not be accepted for participation in Global Entry if CBP determines that the applicant presents a potential risk of terrorism, or criminality (including smuggling), or if CBP cannot sufficiently determine that the applicant meets all the program eligibility criteria. The eligibility criteria are set forth in more detail in the Global Entry final rule and 8 CFR 235.12. See also <http://www.globalentry.gov>.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5681-N-32]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in

the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Office of Enterprise Support Programs, Program Support Center, HHS, Room 12-07, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of

publication in the **Federal Register**, the landholding agency, and the property number.
