

A. Overview of Information Collection

Title of Information Collection: Environmental Compliance Recordkeeping Requirements.
OMB Approval Number: 2506–0087.
Type of Request: Revision of a currently approved collection.
Form Number: HUD–7015.15.
Description of the need for the information and proposed use: 24 CFR Part 58, “Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities” requires units of general local government receiving HUD assistance to

maintain a written environmental review record for all projects receiving HUD funding documenting compliance with the National Environmental Policy Act (NEPA), the regulations of the Council on Environmental Quality, related federal environmental laws, executive orders, and authorities, and Part 58 procedure. When the environmental review record is complete, HUD recipients use HUD–7015.15—“Request for Release of Funds and Certification” to certify their compliance with all applicable environmental laws and authorities.

HUD (or the State for certain State-administered HUD grant programs) approves the certification allowing for the conditionally awarded or formula-allocated funds to be released to the recipient. Various laws that authorize this procedure are listed in 24 CFR 58.1(b).

Respondents (i.e. affected public): The respondents are state and local governments receiving HUD funding who are required to submit HUD–7015.15.
