Company	Weighted-average dumping margin (percent)
Elite Poly and Packaging Co., Ltd.	4.69
Multibax Public Company Limited	4.69

Assessment Rates

The Department will instruct U.S. Customs and Border Protection (CBP) to apply an *ad valorem* assessment rate of 122.88 percent to all entries of subject merchandise during the POR which were produced and/or exported by Trinity Pac.

For the companies which were not selected for individual examination and for which we did not determine that there were no shipments, we will instruct CBP to apply an *ad valorem* assessment rate of 4.69 rate to all entries of subject merchandise produced and/or exported by such firms.

Consistent with the *Assessment Policy Notice*,⁷ because TPN had no shipments of subject merchandise to the United States during the POR, we will instruct CBP to liquidate any applicable entries of subject merchandise at the all-others rate of 4.69 percent if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of PRCBs from Thailand entered, or withdrawn from warehouse, for consumption on or after

the date of publication, as provided by section 751(a)(2) of the Act: (1) The cash deposit rates for the reviewed companies, with the exception of TPN FlexPac Co., Ltd., will be the weighted-average dumping margins established in the final results of this review; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific weighted-average dumping margin published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation but the manufacturer is, the cash deposit rate will be the weighted-average dumping margin established for the manufacturer of the merchandise for the most recently completed segment of this proceeding; (4) if neither the exporter nor the manufacturer has its own rate, the cash deposit rate will be 4.69 percent, the all-others rate established in *Section 129 Determination*. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notifications

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

The Department is issuing and publishing these final results of administrative review in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
