Public Interest**

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the presiding administrative law judge has issued a Final Initial Determination on Violation of Section 337 and Recommended Determination on Remedy and Bond in the above-captioned investigation. The Commission is soliciting comments from the public on public interest issues raised by the recommended relief, specifically that if the Commission were to find a violation of section 337, 19 U.S.C. 1337, that the Commission issue a limited exclusion order directed to respondents' infringing products (e.g., memory-card readers) and downstream

products that include such infringing products. The ALJ also recommended the issuance of cease and desist orders against certain respondents. This notice is soliciting public interest comments from the public only. Parties are to file public interest submissions pursuant to 19 CFR 210.50(a)(4).

FOR FURTHER INFORMATION CONTACT: Sidney A. Rosenzweig, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 708-2532. The public version of the complaint can be accessed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>, and will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205-2000.

General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that if the Commission finds a violation it shall exclude the articles concerned from the United States:

unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry.

19 U.S.C. 1337(d)(1). A similar provision applies to cease and desist orders. 19 U.S.C. 1337(f)(1).

The Commission is interested in further development of the record on the public interest in these investigations. Accordingly, members of the public are invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the administrative law judge's Recommended Determination on Remedy and Bond issued in this investigation on August 2, 2013. Comments should address whether issuance of a limited exclusion order and/or cease and desist orders in this investigation would affect the public health and welfare in the United States,

competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) Explain how the articles potentially subject to the recommended orders are used in the United States;
- (ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;
- (iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;
- (iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the recommended orders within a commercially reasonable time; and
- (v) explain how the limited exclusion order and/or cease and desist orders would impact consumers in the United States.

Written submissions must be filed no later than by close of business on Wednesday September 4, 2013.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit 8 true paper copies to the Office of the Secretary by noon the next day pursuant to section 210.4(f) of the Commission's Rules of Practice and Procedure (19 CFR 210.4(f)). Submissions should refer to the investigation number ("Inv. No. 337-TA-841") in a prominent place on the cover page and/or the first page. Any person desiring to submit a document to the Commission in confidence must request confidential treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6. Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On August 14, 2013, the Department of Justice lodged a proposed Ninth Amendment to the Consent Decree entered in *United States v. BP Exploration and Oil Co., et al.*, (Civil No. 2:96 CV 095 RL) with the United States District Court for the Northern District of Indiana.

The proposed Ninth Amendment transfers the Consent Decree's obligations for BP Products North America Inc.'s (hereinafter "BP Products") petroleum refinery located in Texas City, Texas (hereinafter, the "Texas City Refinery") from BP Products to Blanchard Refining Company LLC (hereinafter "Blanchard"), a wholly owned subsidiary of Marathon Petroleum Company LP.

The proposed Ninth Amendment also resolves alleged violations by BP Products at the Texas City Refinery of the Clean Air Act's Standards of Performance for New Stationary Sources: VOC Emissions for Petroleum Refinery Wastewater Systems, 40 CFR Part 60, Subpart QQQ and National Emissions Standard for Asbestos, 40 CFR Part 61, Subpart M.
