DEPARTMENT OF LABOR

Employment and Training Administration

Announcement Regarding a Change in Eligibility for Unemployment Insurance (UI) Claimants in Louisiana, Maine, New Jersey, West Virginia and the Virgin Islands in the Emergency Unemployment Compensation 2008 (EUC08) Program

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

SUMMARY: The U.S. Department of Labor (Department) produces trigger notices indicating which states qualify for EUC08 benefits, and provides the beginning and ending dates of payable periods for each qualifying state. The trigger notices covering state eligibility for this program can be found at: http://ows.doleta.gov/unemploy/claims_arch.asp.

The following changes have occurred since the publication of the last notice regarding states' EUC08 trigger status:

- Louisiana has triggered "on" to Tier 2 of EUC08 effective July 14, 2013.

Based on data released by the Bureau of Labor Statistics on June 21, 2013, the three month average, seasonally

adjusted total unemployment rate (TUR) in Louisiana was 6.5 percent, exceeding the 6.0 percent trigger rate threshold to trigger "on" to Tier 2 of EUC08.

However, Louisiana was in a mandatory 13 week "off" period that started April 13, 2013, and did not conclude before July 13, 2013. As a result, Louisiana remained in an "off" period in Tier 2 of EUC08 through July 13, 2013, and triggered "on" to Tier 2 of EUC08 effective July 14, 2013. The week beginning July 14, 2013, was the first week in which EUC08 claimants in Louisiana who had exhausted Tier 1, and were otherwise eligible, could establish Tier 2 eligibility.

- Maine has triggered "off" Tier 3 of EUC08 effective July 13, 2013.

Based on data released by the Bureau of Labor Statistics on June 21, 2013, the three month average, seasonally adjusted TUR in Maine was 6.9 percent, falling below the 7.0 percent trigger rate threshold to remain "on" in Tier 3 of EUC08. The week ending July 13, 2013, was the last week in which EUC08 claimants in Maine who had exhausted Tier 2, and were otherwise eligible, could establish Tier 3 eligibility.

- New Jersey has triggered "off" Tier 4 of EUC08 effective July 13, 2013.

Based on data released by the Bureau of Labor Statistics on June 21, 2013, the three month average, seasonally adjusted TUR in New Jersey was 8.8 percent, falling below the 9.0 percent trigger rate threshold to remain "on" in Tier 4 of EUC08. The week ending July 13, 2013, was the last week in which EUC08 claimants in New Jersey who had exhausted Tier 3, and were otherwise eligible, could establish Tier 4 eligibility.

- The Virgin Islands has triggered "on" to Tier 2 and Tier 3 of EUC08 effective June 30, 2013.

Based on data released by the Bureau of Labor Statistics on June 7, 2013, the estimated three month average, seasonally adjusted total unemployment rate in the Virgin Islands was 7.6 percent, exceeding the 7.0 percent trigger rate threshold to trigger "on" in Tier 2 and Tier 3 of EUC08. However, the Virgin Islands was in a mandatory 13 week "off" period until June 29, 2013. The week beginning June 30, 2013, was the first week in which EUC08 claimants in the Virgin Islands who had exhausted Tier 1 or Tier 2, and were otherwise eligible, could establish Tier 2 or Tier 3 eligibility.

- West Virginia has triggered "off" Tier 3 of EUC08 effective July 13, 2013.

Based on data released by the Bureau of Labor Statistics on June 21, 2013, the

three month average, seasonally adjusted total unemployment rate in West Virginia was 6.6 percent, falling below the 7.0 percent trigger rate threshold to remain "on" in Tier 3 of EUC08. The week ending July 13, 2013, was the last week in which EUC08 claimants in West Virginia who had exhausted Tier 2, and were otherwise eligible, could establish Tier 3 eligibility.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[NARA-2013-041]

Records Schedules; Availability and Request for Comments

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of availability of proposed records schedules; request for comments.

SUMMARY: The National Archives and Records Administration (NARA) publishes notice at least once monthly of certain Federal agency requests for records disposition authority (records schedules). Once approved by NARA, records schedules provide mandatory instructions on what happens to records when no longer needed for current Government business. They authorize the preservation of records of continuing value in the National Archives of the United States and the destruction, after a specified period, of records lacking administrative, legal, research, or other value. Notice is published for records schedules in which agencies propose to destroy records not previously authorized for disposal or reduce the retention period of records already authorized for disposal. NARA invites public comments on such records schedules, as required by 44 U.S.C. 3303a(a).

DATES: Requests for copies must be received in writing on or before September 19, 2013. Once the appraisal of the records is completed, NARA will send a copy of the schedule. NARA staff usually prepare appraisal memorandums that contain additional information concerning the records covered by a proposed schedule. These, too, may be requested and will be provided once the appraisal is completed. Requesters will be given 30 days to submit comments.

ADDRESSES: You may request a copy of any records schedule identified in this notice by contacting Records Management Services (ACNR) using one of the following means:

Mail: NARA (ACNR), 8601 Adelphi Road, College Park, MD 20740-6001.

Email: request.schedule@nara.gov.

FAX: 301-837-3698.

Requesters must cite the control number, which appears in parentheses after the name of the agency which submitted the schedule, and must provide a mailing address. Those who desire appraisal reports should so indicate in their request.

FOR FURTHER INFORMATION CONTACT:

Margaret Hawkins, Director, Records Management Services (ACNR), National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001. Telephone: 301-837-1799. Email: request.schedule@nara.gov.

SUPPLEMENTARY INFORMATION: Each year Federal agencies create billions of records on paper, film, magnetic tape, and other media. To control this accumulation, agency records managers prepare schedules proposing retention periods for records and submit these schedules for NARA's approval, using

the Standard Form (SF) 115, Request for Records Disposition Authority. These schedules provide for the timely transfer into the National Archives of historically valuable records and authorize the disposal of all other records after the agency no longer needs them to conduct its business. Some schedules are comprehensive and cover all the records of an agency or one of its major subdivisions. Most schedules, however, cover records of only one office or program or a few series of records. Many of these update previously approved schedules, and some include records proposed as permanent.

The schedules listed in this notice are media neutral unless specified otherwise. An item in a schedule is media neutral when the disposition instructions may be applied to records regardless of the medium in which the records are created and maintained. Items included in schedules submitted to NARA on or after December 17, 2007, are media neutral unless the item is limited to a specific medium. (See 36 CFR 1225.12(e).)

No Federal records are authorized for destruction without the approval of the Archivist of the United States. This approval is granted only after a thorough consideration of their administrative use by the agency of origin, the rights of the Government and of private persons directly affected by the Government's activities, and whether or not they have historical or other value.

Besides identifying the Federal agencies and any subdivisions requesting disposition authority, this public notice lists the organizational unit(s) accumulating the records or indicates agency-wide applicability in the case of schedules that cover records that may be accumulated throughout an agency. This notice provides the control number assigned to each schedule, the total number of schedule items, and the number of temporary items (the records proposed for destruction). It also includes a brief description of the temporary records. The records schedule itself contains a full description of the records at the file unit level as well as their disposition. If NARA staff has prepared an appraisal memorandum for the schedule, it too includes information about the records.

Further information about the disposition process is available on request.

Schedules Pending

1. Department of Defense, Office of the Secretary of Defense (DAA-0330-2013-0002, 3 items, 3 temporary items).
