Abstract: Private businesses under contract to the National Park Service manage food, lodging, tours, whitewater rafting, boating, and many other recreational activities and amenities in more than 100 national parks. These services gross more than \$1 billion every year and provide jobs for more than 25,000 people during peak season.

The regulations at 36 CFR Part 51 primarily implement Title IV of the National Parks Omnibus Management Act of 1998 (Pub. L. 105-391), which provides legislative authority, policies, and requirements for the solicitation, award, and administration of NPS concession contracts. The information collection requirements associated with NPS concessions are currently approved under four OMB control numbers.

During our review for this renewal, we discovered some additional requirements that need OMB approval. In this revision of 1024-0029, we are including all of the information collection requirements associated with applying for and operating NPS concessions. If OMB approves this revision, we will discontinue OMB Control Numbers 1024-0125, 1024-0126, and 1024-0231.

Comments: On March 7, 2013, we published in the **Federal Register** (78 FR 14822) a notice of our intent to

request that OMB approve this information collection. In that notice, we solicited comments for 60 days, ending on May 6, 2013. We did not receive any comments.

We again invite comments concerning this information collection on:

- Whether or not the collection of information is necessary, including whether or not the information will have practical utility;
- The accuracy of our estimate of the burden for this collection of information;
- Ways to enhance the quality, utility, and clarity of the information to be collected; and
- Ways to minimize the burden of the collection of information on respondents.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask OMB in your comment to withhold your personal identifying information from public review, we cannot guarantee that it will be done.

Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000.

Background: The additional hearing relates to the second of two reports that the Commission is preparing on the role of digital trade in the U.S. and global economies at the request of the U.S. Senate Committee on Finance. The Commission held a public hearing in connection with both reports in Washington, DC, on March 7, 2013. The first report, *Digital Trade in the U.S. and Global Economies, Part 1*, Investigation No. 332-531, will be available to the public on August 15, 2013, on the Commission's Web site (<http://www.usitc.gov>). As requested by the Committee, the Commission will base its report in this second investigation on available information, including a survey of U.S. firms in selected industries particularly involved in digital trade and the application of approaches outlined in the first report. To the extent practicable, this second report will:

- estimate the value of U.S. digital trade and the potential growth of this

trade (with the potential growth estimates to highlight any key trends and discuss their implications for U.S. businesses and employment);

- provide insight into the broader linkages and contributions of digital trade to the U.S. economy (such linkages and contributions may include effects on consumer welfare, output, productivity, innovation, business practices, and job creation);

- present case studies that examine the importance of digital trade to selected U.S. industries that use or produce such goods and services, with some of the case studies to highlight, if possible, the impact of digital trade on small and medium-sized enterprises; and

- examine the effect of notable barriers and impediments to digital trade on selected industries and the broader U.S. economy.

The Commission expects to transmit this second report to the Committee by July 14, 2014. For the purposes of this investigation, the Commission is defining "digital trade" to encompass commerce in products and services delivered via the Internet as well as commerce in products and services that is facilitated by the use of the Internet and Internet-based technologies. Commerce includes both U.S. domestic economic activity as well as international trade.

Public Hearing: The additional hearing will be held at the NASA Ames Conference Center/NASA Research Park, Building 152, Room 171, 200 Dailey Road, Moffett Field, CA, beginning at 9:30 a.m. on Wednesday, September 25, 2013. Any person interested in attending the hearing as an observer or nonparticipant should contact the Office of the Secretary at 202-205-2000 after September 12, 2013, for information concerning whether the hearing will be held.

This field hearing is being planned in conjunction with a field hearing to be held on September 26, 2013 for Inv. No. 332-541, *Trade Barriers that U.S. Small and Medium-sized Enterprises Perceive*

as Affecting Exports to the European Union. Interested persons who wish to present consolidated statements and testimony relevant to both investigations are invited to do so on Wednesday, September 25, 2013.

Requests To Appear: Requests to appear at the Moffett Field, CA hearing may be in the form of a letter, which should be on company or other appropriate stationery. Requests should identify the name, title, and company or other organizational affiliation (if any), address, telephone number, email address, and industry or main line of business of the company, if any, of the person signing the request letter and of the persons who plan to appear at one or both hearings. Requests to appear may be made by mail or delivered in person to the Commission's Office of the Secretary (see **ADDRESSES**), or may be filed by email sent to digitaltrade@usitc.gov. The Commission does not accept requests filed by fax.

All written submissions, except for

confidential business information, will be made available for inspection by interested parties.

In its request letter, the Committee stated that it intends to make the Commission's reports available to the public in their entirety, and asked that the Commission not include any confidential business information or national security classified information in the reports that the Commission sends to the Committee. Any confidential business information received by the Commission in this investigation and used in preparing this report will not be published in a manner that would reveal the operations of the firm supplying the information.

FOR FURTHER INFORMATION CONTACT: Project Leader William Deese (202-205-2626 or william.deese@usitc.gov) or Deputy Project Leader Tamar Khachaturian (202-205-3299 or tamar.khachaturian@usitc.gov) for information specific to this investigation. For information on the legal aspects of these investigations, contact William Gearhart of the Commission's Office of the General Counsel (202-205-3091 or william.gearhart@usitc.gov). The media should contact Margaret O'Laughlin, Office of External Relations (202-205-1819 or margaret.olaughlin@usitc.gov). Hearing-impaired individuals may obtain information on this matter by contacting the Commission's TDD terminal at 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000.

Background: The hearing relates to a report that the Commission is preparing at the request of the United States Trade Representative (USTR) under section 332(g) of the Tariff Act of 1930 (19 U.S.C. 1332(g)). The USTR requested that the Commission prepare a report that catalogs trade barriers that U.S. small and medium-sized enterprises (SMEs) perceive as disproportionately affecting their exports to the EU, compared to those of larger U.S.

exporters to the EU. In the request letter, the USTR stated that the United States, in the Transatlantic Trade and Investment Partnership (TTIP) negotiations with the European Union (EU), is seeking to strengthen the participation of SMEs in transatlantic trade and to address trade barriers that may disproportionately impact small businesses. The notice announcing the institution of this investigation and the Washington, DC, hearing on October 8, 2013, was published in the **Federal Register** of July 30, 2013 (78 FR 45969); the notice is also posted on the Commission's Web site at www.usitc.gov.

The Commission is particularly interested in receiving information and views from SMEs and related organizations about trade-related barriers faced by U.S. SMEs in exporting goods or services to the EU and about EU trade barriers by economic sector or by special issue. (For purposes of this report, an SME is defined as a firm with fewer than 500 U.S.-based employees.) The Commission is also interested in receiving information and views about specific trade barriers in individual EU countries; the relative effect on exports of different EU trade barriers; and ways in which SME participation in transatlantic trade might be strengthened.

Public Hearing: The additional hearing will be held at the NASA Ames Conference Center/NASA Research Park, Building 152, Room 171, 200 Dailey Road, Moffett Field, CA, beginning at 9:30 a.m. on September 26, 2013. Requests to appear at the public hearing should be filed with the Secretary, no later than 5:15 p.m. (eastern daylight time), September 18, 2013, in accordance with the requirements in the "Requests to Appear" section below. All pre-hearing briefs and statements should be filed no later than 5:15 p.m. (eastern daylight time), September 18, 2013; and all post-hearing briefs and statements should be filed not later than 5:15 p.m., October 3, 2013. In the event that, as of the close of business on September 12, 2013, no witnesses are scheduled to appear at the hearing, the hearing will be canceled. Any person interested in attending the hearing as an observer or nonparticipant should contact the Office of the Secretary at 202-205-2000 after September 12, 2013, for information concerning whether the hearing will be held.

Requests To Appear: Requests to appear at the Moffett Field, CA, and Washington, DC, hearings may be in the form of a letter, which should be on company or other appropriate
