Brass Sheet and Strip from Germany:
Recession of Antidumping Duty
Administrative Review; 2012–2013

AGENCY: Import Administration,
International Trade Administration, U.S. Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is rescinding the
administrative review of the antidumping duty order on brass sheet and strip
from Germany for the period March 1, 2012, through February 28, 2013.

DATES: Effective Date: August 26, 2013.

FOR FURTHER INFORMATION CONTACT: George McMahon, AD/CVD Operations,
Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th
Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202)

SUPPLEMENTARY INFORMATION:

Background

On May 1, 2013, the Department
initiated an administrative review of
brass sheet and strip from Germany
covering the period March 1, 2012,
through February 28, 2013, based on
a request by Petitioners. The review
covers ten companies.

Petitioners timely withdrew their
request for an administrative review
of these companies on July 30, 2013.

Recession of Review

Pursuant to 19 CFR 351.213(d)(1), the
Department will rescind an
administrative review, in whole or in
part, if the party that requested the
review withdraws its request within 90
days of the publication of the Initiation
Notice. In this case, Petitioners
withdrew their request within the 90-
day deadline and no other parties
requested an administrative review of
the antidumping duty order. Therefore,
we are rescinding the administrative
review of brass sheet and strip from
Germany covering the period March 1,
2012, through February 28, 2013, of
the ten companies listed in the Initiation
Notice.

Assessment

The Department will instruct U.S.
Customs and Border Protection (CBP)
to assess antidumping duties on all entries
of brass sheet and strip from Germany
during the period of review. Because the
Department is rescinding this
administrative review in its entirety, the
entries to which this administrative
review pertained shall be assessed
antidumping duties at rates equal to the
cash deposit of estimated antidumping
duties required at the time of entry or
withdrawal from warehouse for
consumption, in accordance with 19
CFR 351.212(c)(1)(i). The Department
intends to issue appropriate assessment
instructions to CBP 15 days after
publication of this notice.

Notifications

This notice serves as a final reminder
to importers of their responsibility
under 19 CFR 351.402(f)(2) to file a
certificate regarding the reimbursement
of antidumping duties prior to
liquidation of the relevant entries
during this review period.

and Copper, Inc., dba Olin Brass, Heyco Metals,
Inc., Aurubis Buffalo, Inc., PMX Industries, Inc. and

Failure to comply with this requirement could result in the Department’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3).

Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation that is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).
