**DEPARTMENT OF JUSTICE**

**Notice of Lodging of Consent Decree Pursuant to the Clean Air Act**

On August 21, 2013, the Department of Justice lodged a proposed Consent Decree ("Decree") in the United States District Court for the Eastern District of Kentucky, Ashland Division in the lawsuit entitled *United States of America and the Commonwealth of Kentucky v. AK Steel Corporation* ("Defendant"), Civil Action No. 03-CV-00122-HRW.

This Decree represents a settlement of claims against the Defendant for violations of the Clean Air Act, 42 U.S.C. 7401 et seq., implementing regulations, the Defendant's title V permit, and the Kentucky State Implementation Plan ("SIP"). The alleged violations occurred at the Defendant's coke production facilities located at 400 East Winchester Avenue in Ashland, Kentucky. The Defendant ceased operations at the coke facilities on June 21, 2011.

Under this settlement between the United States and the Commonwealth and the Defendant, the Defendant will

be required to pay a civil penalty to the United States in the amount of \$1,625,000. The Defendant will be required to pay a civil penalty to the Commonwealth in the amount of \$25,000. In addition, the Defendant will be required to perform two supplemental environmental projects ("SEPs") for the benefit of the Commonwealth at the Defendant's steel facilities which are also situated in Ashland, Kentucky. The purpose of the SEPs is to reduce the emission of particulates. The estimated cost of performing the SEPs is \$2 million. Since the coke facilities are no longer in operation, the Defendant is not required, under this Consent Decree, to take any action to bring the coke facilities into compliance with the Clean Air Act.

The publication of this notice opens a period for public comment on the Consent Decree.
