SUPPLEMENTARY INFORMATION:

I. Abstract and Request for Comments

NCUA is amending/reinstating the collection for 3133-0101. Part 723 implements provisions in the Federal Credit Union Act (Act) for business loans and addresses NCUA's safety and soundness concerns regarding this activity. Part 723 requires that credit unions that engage in business lending maintain written loan policies that address various aspects of the activity, including identification of the types of business loans the credit union will make, qualifications of loan officers, documentation requirements for creditworthiness of borrowers, collateral requirements, loan procedures, interest rates and maturities, and so forth. 12 CFR 723.6. Business lending is recognized as inherently riskier than consumer lending and requires particular expertise. Before promulgation of the member business loan regulation in the 1980s, business loans caused significant losses to the credit unions and the National Credit Union Share Insurance Fund (NCUSIF). Requiring federally-insured credit unions to develop specific business loan policies and procedures protects the safety and soundness of credit unions and the NCUSIF.

Part 723 also permits credit unions to apply for a waiver from certain regulatory requirements. 12 CFR 723.10-11. Specifically, the rule permits waivers from the following requirements or limitations: appraisal requirements, aggregate construction and development loan limits, minimum borrower equity requirements for construction and development loans, loan-to-value ratios, personal liability and guarantee requirements, unsecured lending limits to one borrower, aggregate unsecured lending limits, and outstanding loans to one borrower limits. NCUA needs certain information from a credit union to consider the waiver request and evaluate the risks and impact of the waiver on the credit union and potential effect on the NCUSIF.

Finally, part 723 permits a credit union to obtain regulatory approval so that it may purchase certain business purpose loans in addition to those which are statutorily limited. 12 CFR 723.16(b)(2). NCUA needs certain information from a credit union to evaluate its request so that NCUA may assess safety and soundness considerations and potential effect on the NCUSIF.

NCUA examiners review the credit union policies during regulatory examinations. These reviews allow examiners to determine the appropriateness and risks of the programs they address for both the credit union and the NCUSIF. Written policies enable examiners to determine that the credit union is, in fact, following its own business planning in engaging member business lending. As part of the examination process, this review helps prevent losses to credit unions and the NCUSIF.

For waiver requests, the information in the requests permits NCUA staff to make a reasonable determination of the appropriateness of the requests. For loan approval requests, the information in the requests permits NCUA staff to determine the appropriateness and risks of the loan purchases the credit union proposes for both the credit union and the NCUSIF.

An increase in the reporting burden from the prior submission occurred due to an adjustment to the estimated responses based upon current credit union activity. While the number of respondents decreased, the estimated waiver activity increased resulting in an overall increase in annual response hours.

The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The

necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.

SUPPLEMENTARY INFORMATION:

I. Abstract and Request for Comments

NCUA is reinstating the collection for 3133-0168. The collection of information requirement is for those state chartered federal insured credit unions seeking a waiver from the borrowing limit. These credit unions must submit a detailed safety and soundness analysis, a proposed aggregate amount, a letter from the state regulator approving the request and an explanation of the need for the waiver to the NCUA Regional Director. This collection of information is necessary to protect the National Credit Union Share Insurance Fund ("Fund"). The NCUA Board has determined that borrowing in excess of 50 percent of paid-in and unimpaired capital and surplus may cause an undue risk to the Fund and a loss of confidence in the credit union system. The NCUA must be made aware of and be able to monitor those credit unions seeking a waiver from the

requirement. There is no change in burden hours from previous submission.

The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.

I. Abstract and Request for Comments

NCUA is reinstating a previously approved collection of information for 12 CFR part 708b, Mergers of Federally Insured Credit Unions; Voluntary Termination or Conversion of Insured Status. The Federal Credit Union Act (Act) authorizes the NCUA Board to prescribe rules regarding mergers of federally-insured credit unions and changes in insured status and requires written approval of the Board before one or more federally-insured credit union(s) merge or before a federally-insured credit union terminates federal
