**SECURITIES AND EXCHANGE COMMISSION**

**Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Change the Expiration Date for Most Option Contracts to the Third Friday of the Expiration Month Instead of the Saturday Following the Third Friday**

August 26, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”) ¹ and Rule 19b–4 thereunder, notice is hereby given that on August 21, 2013, The NASDAQ Stock Market LLC (“NASDAQ” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Exchange rules to change the expiration date for most option contracts to the third Friday of the expiration month instead of the Saturday following the third Friday. The text of the proposed rule change is available at http://nasdaq.cchwallstreet.com/, at the Exchange’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to change the expiration date for most option contracts to the third Friday of the expiration month instead of the Saturday following the third Friday. More specifically, the Exchange is proposing to amend rule text referencing Saturday expirations. The Exchange notes, however, that this change will apply to all standard expiration contracts including those in which the rules are silent on the expiration date.³ The Exchange is making this filing to harmonize its rules in connection with a recently approved rule filing made by The Options Clearing Corporation (“OCC”) which made substantially similar changes.⁴

2. Mini Options. The Exchange notes the changes in its rule text in Section II. A. 1. Purpose above. The OEX Index option is a mini option. The changes made by the Exchange will also apply to mini options. 

3. Pursuant to Section 19(b)(1) of the Act and Rule 19b–4 thereunder, notice is hereby given that on August 21, 2013, The NASDAQ Stock Market LLC (“NASDAQ” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

4. The SEC has set a public comment period of 45 days for this proposed rule change.
